

TAMILNADU FOREST DEPARTMENT

From
Dr. Sudhanshu Gupta, IFS.,
Principal Chief Conservator of Forests (HoD)
and Chief Executive Officer,
Tamil Nadu CAMPA (FAC)
Forest Headquarters Building,
Guindy,
Chennai - 600 032.

To
The Chief Executive Officer,
Government of India,
Ministry of Environment, Forests and
Climate Change,
Indra Paryavaran Bhawan,
Jor bagh Road,
New Delhi – 110 003.

Ref.No. TS5/ 26928/2023 Dated: 05.06.2024.

Sir,

Sub: Forests – Tamil Nadu CAMPA – Annual plan of operation for the year 2024-25 – sending of - Regarding.

Ref:

1. Chief Executive Officer, Government of India, Ministry of Environment, Forests and Climate Change, N-CAMPA, Ir No. NA-15/1/2022-NA, dt. 16.05.2023.
2. Government of Tamil Nadu, Environment, Climate Change and Forest (FR-10) Department, letter No.858 /FR10/2023-6 dated. 30.06.2023.
3. Deputy Chief Executive Officer, Government of India, Ministry of Environment, Forests and Climate Change, N-CAMPA, Ir No. NA-5/1/2020-NA, dt. 24.05.2023.
4. Principal Chief Conservator of Forest Ref. No. TS5/26928/2023, dt. 29.05.2024
5. Government of Tamil Nadu Letter No.1871/FR.4/2024-1, dt. 04.06.2024

* * * * *

Please refer to the aforementioned subject and references cited above, the APO for the years 2024–2025 of the TN CAMPA has been duly considered by the Executive Committee. The Steering Committee has also approved the APO on a circulation basis, in compliance with the Compensatory Afforestation Fund Act 2016 and the Compensatory Afforestation Fund Rule 2018.

2. The Executive Committee meeting was held on May 24, 2024, chaired by the Principal Chief Conservator of Forests (HoD), wherein the annual plan of operation for the years 2024–25 was formulated and approved after due deliberations. The Meeting of the Steering Committee on a circulation basis was held on May 31, 2024. The state-level steering committee chaired by the Chief Secretary of Tamil Nadu approved the annual plan of operation for the year 2024-25, and the government has communicated the minutes of the same vide reference 5th cited above.

3. In continuation of the guidelines circulated vide reference 1st cited above, The Form-XII and Integrated Format duly approved by the State Authority is also enclosed inclusive of a detailed Annual plan of operation for the year 2024-25. I request that the Annual plan of operation may please be approved and communicated at the earliest as the seasonal planting operation has to be carried. Further in order to avoid delay, a soft copy of the Annual plan of operation for the year 2024-25, along with annexures, is also being sent through email to the Chief Executive Officer, National Authority.

Yours faithfully,

Encl.: As stated above.

YC
5/6/24

Principal Chief Conservator of Forests (HoD)
& Chief Executive Officer, TN CAMPA (FAC)

2. The Director General of Forests (Central) Government of India Ministry of Environment, Forests and Climate Change, Regional Office, South Eastern Zone, Nungambakkam, Chennai 34.

FORM XII

ANNUAL PLAN OF OPERATION of TN CAMPA 2024-25

The framework for the Annual Plan of Operation that state CAMPA authorities need to adhere to has been distributed by the Ministry of Environment, Forests, and Climate Change (National Authority) of the Government of India via letter No. NA-15/1/2022-NA dated October 26, 2022. The following is the format of Tamil Nadu's Annual Plan of Operation for the year 2024–2025:

1. Part I: Brief History and past performance

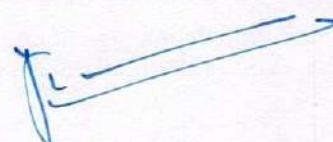

a) Brief description of Forests in Tamil Nadu State.

The forests of Tamil Nadu are known for their ecological diversity and are home to a wide variety of flora and wildlife. The Western Ghats are one of the 36 global biodiversity hotspots with a distinctive bio-geographic region, and the Eastern Ghats of Tamil Nadu also contribute to the vastness of the biodiversity in the state. The state is also endowed with a unique coastline that hosts rich mangroves and associated forest types. The coastal plains, mangroves, and marine eco-systems in the state are protected and managed for their ecological security.

The forests in Tamil Nadu can be classified into 39 forest types. The major forest type groups are: (1) Tropical wet evergreen, (2) Tropical semi evergreen, (3) Tropical moist deciduous, (4) Littoral and swamp, (5) Tropical dry deciduous, (6) Tropical thorn, (7) Tropical dry evergreen, (8) Sub-Tropical Broad-leaved hill and (9) Montane wet temperate.

As per the latest India's State of Forest Report, 2021 (IFSR2021), the forest and tree cover in the state is 30,843.23 sq. km., which is 23.71% of the state's geographic area. IFSR 2021 shows an increase in forest cover of 55.21 sq km when compared to IFSR 2019.

The State of Tamil Nadu recognizes that it is necessary to provide for provisions relating to conservation management and restoration of forests, maintaining ecological security, sustaining cultural and traditional values of forests, facilitating economic needs, and carbon neutrality. The Government of Tamil Nadu, vide G.O. Ms. No. 706, E&F (FR. XI) Dept. dated 12-12-91, directed the user agencies to provide twice as much forest land as was diverted for non-forestry purposes instead of designating an equal amount of land for compensatory afforestation as stipulated under the Forest (Conservation) Act 1980. Since the date of enactment of the Forest Conservation Act, an area of 5221.04 ha of forest land has been diverted for non-forest purposes in 520 cases until March 31, 2024.

The Tamil Nadu Compensatory Afforestation Fund Management and Planning Authority (TN CAMPA) is a statutory Authority framed under the Compensatory Afforestation Fund Act, 2016, and the Compensatory Afforestation Rules, 2018.

TN CAMPA provides an integrated framework for the promotion of compensatory afforestation and regeneration activities as a way of compensating for forest lands diverted to non-forest uses. The primary mission of TN CAMPA is to regenerate forests and strengthen institutions, including capacity building for forest officials at all levels, using the net present value of diverted forest land with a focus on training at the range level.

The Honorable Chief Minister chairs the authority's governing body. The Chief Secretary chairs the Steering Committee, while the PCCF&HOFF is in charge of the Executive Committee. The Authority acts as an institutional entity to ensure that monies are released and used in a timely, effective, and transparent manner as well as to minimize the effects of diverting forest land for non-forest activities.

Past Performance

b. Compensatory Afforestation, other forestry and related schemes (Physical and financial) including catchment area treatment, wildlife management and community development works and activities carried out there in the State in last five years from the State fund, in Tabular form.

Annual plan of operation 2019-20 (as per the proposal) Compensatory Afforestation component

Sl.No	Item of work	Approved Amount	Amount released by GOI	Achievement Financial (Rs. in crore)
1	Compensatory Afforestation	-	-	0.5648*

*Amount utilized from unspent balance available in the State CAMPA account.

As per the approved Annual plan of operation 2020-21

Sl. No	Sub-Heads (Category wise)	Approved amount (Rs in crore)	Amount released by State Government	Achievement Financial (Rs. in crore)
1	Compensatory Afforestation	5.556		0.00
2	Catchment Area Treatment plan	0.500		0.00
3	Integrated Wildlife management plan	0.00		0.00

4	Net Present Value	55.872		0.00
5	Interest	0.600		0.00
6	Others	4.095		0.00
	TOTAL	66.623	0.00	0.00

Note: Though the Annual Plan of Operation was approved by the Executive Committee of National Authority, No fund was released and utilized due to discrepancy in the procedures and norms relating to accounting heads.

Annual Plan of Operation 2021-22

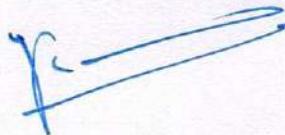

The Annual Plan of Operation for the year 2021-22 was not approved due to administrative reasons.

As per the approved Annual plan of operation 2022-23

Sl. No	Sub-Heads (Category wise)	Approved amount (Rs in crore)	Amount released by State Government	Achievement Financial (Rs. in crore)
1	Compensatory Afforestation	12.289	12.289	5.907
2	Catchment Area Treatment plan	0.550	0.550	0.550
3	Integrated Wildlife management plan	0.360	0.360	0.360
4	Net Present Value	24.332	24.332	18.947

f) **Brief description and abstract of the Monitoring work done by the independent monitor (Third party monitoring) in the State.**

The third-party monitoring works were assigned to SSFRDT (Society for Social Forestry Research and Development, Tamil Nadu) for the CAMPA works carried out up to 2019–20 and are in progress. Since no funds were released during 2020–21 and 2021–22, no work was taken up as such third-party monitoring does not arise. The monitoring work for the years 2022–23 will be taken up in 2024–25 after approval of APO 2024–25.

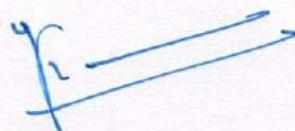

g) **Any other important information for consideration relevant for preparing APO.**

As per the request conveyed by the Principal Chief Conservator of Forests, D.O. No. TS5/23625/2021, dated June 13, 2023, the action has been pending with the National CAMPA for a long time. The National Authority was requested that an amount of Rs. 6.50 crore be transferred to the TN CAMPA sub-head of Account “8121 00 General and Other Reserve Funds 129 State Compensatory afforestation Fund (SCAF) State’s Expenditure AE Interest 801 - Receipts - 01- Bearing Interest.” .

Accrued Interest regarding

The interest amount to be received in relation to TN CAMPA was calculated based on the applicable rate of interest on the State Compensatory Afforestation Fund as declared by the Government of India from 2019–20 to 2022–2023. A proposal was sent to the State Government through PCCF Ref. No. TS5/23625/2021, dated June 3, 2022, and reminded on November 2, 2023. Additionally, the State Government requested to credit the interest accrued in the relevant TN CAMPA subhead for the year 2023–2024 by the Principal Chief Conservator of Forests, ref. No. TS5/23625/2021, dt. May 15, 2024. The process of deposition of accrued interest amount is being followed.

2. Part II: Activities to be undertaken for compensatory afforestation, additional compensatory afforestation, penal compensatory afforestation, catchment area treatment plan and for any other sitespecific scheme may be used as per site-specific schemes submitted by the State along with the approved proposals for diversion of forest land under the Forest (Conservation) Act, 1980 (69 of 1980) referred to in clause (a) of section 6 of the Act:

2.	Training to School students and local people regarding establishment of kitchen gardens and establishment of small nurseries in schools.	0.100
3.	Improvement and renovation works in Lingampatti Central Nursery, Kovilpatti.	0.078
4.	Documentation, awareness generation including making short videos and documentaries.	0.100
	Total	0.598

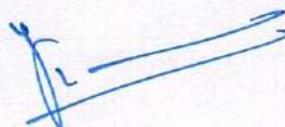

WORKS UNDER OTHERS HEAD OF ACCOUNT
(STIPULATED IN DIVERSION ORDERS)

Sl. No.	Component	Division	Amount (Rs.in Crore)
1.	Removal of 10.00 ha of Lanatana and invasive Species in Chinnayampatti RF Planting of 20,000 plants of Thirugukkalli and Kiluvai in Chinnayampatti RF Construction of 2 check dams; Erection of chain link fence (1.5 Km) in Chinnayampatti RF	Dindigul	1.111
	Total		1.111

- b) Location, estimated cost and implementation schedule of each activity proposed to be executed from State fund to be provided district /division wise.

The details of CA works, furnished as **Annexure IV** (Pages from 29-31, 37-40, 66-69), the details of Catchment Area Treatment Plan works furnished as **Annexure IV** (Page No. 45), the details of Integrated Wildlife Management Plan work furnished as **Annexure IV** (Page No.46) the details of stipulated works under Others component furnished as **Annexure IV** (Pages from 47). As most of the works are common in nature in all the districts and a calendar of operation for the activities are appended as **Annexure III** (Page No.28).

- c) Details of maintenance works in physical and financial terms proposed to be undertaken in the current financial year in the case of compensatory afforestation, catchment area treatment plan works, wildlife management activities and other such activities undertaken in previous years which need maintenance for its survival and sustainability

The abstract details are as below: CA Maintenance.

7	Voluntary Relocation of Thengumarahada village (as per Hon'ble High Court order W.M.P. (MD)No.1962 of 2022, dt. 13.10.2023) and subject to the outcome of SLP (C) No. 27415 of 2023 which is now pending in the Hon'ble Supreme Court of India		74.400
	Sub-total		74.400 (B)
	Grand Total (A)+(B)		128.568

- b. Measurable output of all physical activities to be undertaken along with the period required for achieving the measurable output.

DIRECT OUTCOME:

The generation of employment would be one of the measurable outcomes of carrying out all the work proposed in the APO. Following the minimum wage rate in Tamil Nadu, 3.10 lakh man-days would get generated, and the outflow of wages would be around Rs. 21.67 crore. Further, by undertaking forestry activity in the diverted area of forests, the supply of ecosystem services would be ensured.

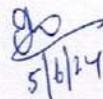

INDIRECT OUTCOME:

- Increased resilience and the restoration of ecological integrity in the forests
- Enhancing local participation in forest restoration
- Acceptable agreements amongst stakeholder groups regarding trade-offs in land usage.
- Maintaining repository of biological diversity.
- Water shed services including soil erosion & drought mitigation.
- To enable achievement of Net Zero Emissions in line with the National Mandate
- Possibility of eco-tourism, forest awareness, education and extension

- c. Details of the concurrent monitoring and evaluation report including third party monitoring undertaken in past with photographs

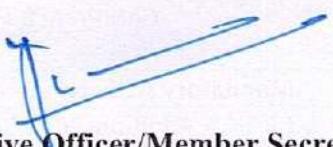

The third-party monitoring works were assigned to the SSFRDT (Society for Social Forestry Research and Development Tamil Nadu) for the State CAMPA works carried out up to 2019-20 and the monitoring works are yet to be finalized. On receipt of finalized report, it will be submitted to the National CAMPA. Since no funds were released during 2020-21 and 2021-22, no works were undertaken as such the third-party monitoring does not arise. The monitoring works for the year 2022-23 will be taken up during 2024-25 on approval of APO 2024-25

Chief Executive Officer/Member Secretary
Tamil Nadu CAMPA

5/6/24

CERTIFICATE

Certified that the Annual plan of operation for the year 2024-25 for Tamil Nadu CAMPA has been prepared in accordance with the extant rules/guidelines of Compensatory Afforestation Fund Act 2016 and Compensatory Afforestation Fund Rules 2018.

Chief Executive Officer/Member Secretary
Tamil Nadu CAMPA

S/6/24

Annexure I

Format for Annual Plan of Operation Summary Submission 2024-25

Annual Plan of Operation (APO) for the financial year 2024-25 of Tamil Nadu State CAMPA

1. Date of Receipt:
2. Date of approval of EC of State/UT: 24.05.2024
3. Date of approval of the Steering Committee: 31.05.2024
4. Total Amount/Outlay: Rs.54.17 cr
5. Funds status with the State/UT along with outlay proposed

(Amount Rs. in crores)

S.No	CAMPA Activity	Fund Available with the State/UT (as on 30.04.2024)	Outlay proposed during current FY (2024-25)
1.	Mandatory Activity		
	CA/PCA/Additional CA 3.4.	40.952	25.07
	Catchment Area Treatment Plan	0.851	0.60
	Integrated Wildlife Management Plan	0.158	0.02
	Others	0.000	0.00
2.	Net Present Value	44.981	24.65
3.	Interest	6.486	2.72
4.	Other Components	14.848	1.11
	Total	108.278	54.17

6. (i) Funds released by State Government during the FY

(Rs. in Crores)

Year	Total Outlay of the APO	APO approved by National Authority during current financial year	Fund Released by State Government	Fund Utilized by State Authority
2018-19	8.6560	7.0000	7.0000	4.3550
2019-20	0.0000	0.0000	0.0000	0.5648*
2020-21	75.980	66.622	0.0000	0.0000
2021-22	0.0000	0.0000	0.0000	0.0000
2022-23	67.9209	38.2200	38.2200	25.9476
2023-24	42.1712	44.149	0.0000	0.0000

Note: * The fund was utilized for Compensatory Afforestation activities from the unspent balance amount available in the PD Account as per Government of India guidelines.

(ii) Committed liabilities/Spillover activities/works of previous years under CA & NPV till date

(Rs. in Crore)

CAMPA Activities	Details	2022-23 (Spill over works)	2023-24
CA	Raising & Maintenance of CA Plantation	5.560	6.798
CATP	Maintenance of Canal bank Plantation	0.000	0.598
IWMP	Hang over solar fencing	0.000	0.020
NPV	Raising of Plantations & Maintenance of Plantations	4.820	0.979
Others	Site specific activities along with chain link fencing	0.000	3.330
Interest	To offset incremental cost of CA /PCA and Hiring of Staff cost	0.000	0.424
Total		10.380	12.149

7. Financial outlays/ Budgetary Support under various Schemes (amount spent)

Letter No. 1871/FR.4/2024-1, dated. 04.06.2024

From
Thiru.T.RittoCyriac, I.F.S.,
Special Secretary (Forests)

To
The Principal Chief Conservator of Forests,
(Head of Department), & Chief Executive Officer,
Tamil Nadu Compensatory Afforestation Fund Management and
Planning Authority (TN CAMPA) (FAC),
O/o. the Principal Chief Conservator of Forests,
Chennai – 32. (w.e)

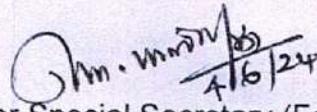

Sir,

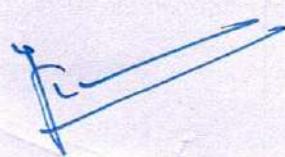

Sub: Forests – Tamil Nadu CAMPA – Minutes of the 5th Steering Committee Meeting of Tamil Nadu CAMPA – Communicated – Regarding.

Ref: Your letter No: TS5/26928/2023, dated: 29.05.2024.

I am directed to enclose the minutes of the 5th Steering Committee Meeting of Tamil Nadu Compensatory Afforestation Fund Management and Planning Authority approved by the Chief Secretary to Government and Chairperson of Steering Committee of Tamil Nadu Compensatory Afforestation Fund Management and Planning Authority (TN CAMPA) for necessary further action. The action taken report in this regard may be sent to Government for information.

Yours faithfully

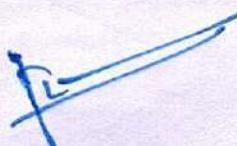

for Special Secretary (Forests)

**TAMIL NADU COMPENSATORY AFFORESTATION FUND MANAGEMENT & PLANNING
AUTHORITY (TN CAMPA VI STEERING COMMITTEE MEETING)**
(PCCF's No. TS5/26928/2023)

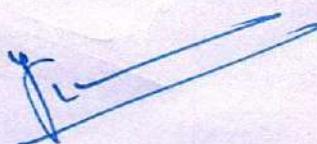

Note for Circulation:

1. The approval of steering committee of TN CAMPA is requested on circulation basis in order to revalidate the Annual Plan of Operation (APO) for a total of Rs 10.38 crore for 2022–2023 and Rs 30.40 crore for 2023–2024. In addition, authorization for an additional Rs 13.38 crore is requested for 2024–2025. Thus, a total of Rs 54.17 crore is being requested for approval from the steering committee. The revalidation is requested because the Steering Committee for both years had approved the APO, but the National Authority CAMPA did not disburse any funds during the fiscal year 2023–24, as the MoEF&CC has gone to the Supreme Court against the orders of the Hon'ble High Court of Madras in the subject matter of W.P. (MD) No. 19771 of 2018, wherein the High Court has directed the National Authority to provide funds amounting to Rs 74.40 from Rs. 8154.84 crore available with the National CAMPA for the relocation of the human settlement of Thengumarahada Village located in the District Nilgiris, Tamil Nadu.
2. After the enactment of the Compensatory Afforestation Fund (CAF) Act, 2016 and Compensatory Afforestation Rules, 2018, TN CAMPA was constituted vide GO. Ms .No. 41, Environment and Forest (FR-10) Department, dt. June 30, 2020, and the Governing body, the Steering Committee, and the Executive committee were formed.
3. In line with the CAF Act 2016 and associated Rules, the APO of TN CAMPA for the year 2024–2025 is required to be placed before the Executive Committee prior to being placed before the Steering Committee. After the approval of the steering committee, the APO is required to be considered by the national authority for approval and necessary funding. The APO of 2024–25 was accordingly placed before the 5th Executive Committee of TN CAMPA on May 24, 2024, and the minutes are enclosed as Annexure I.
4. The Meeting of the National Authority is scheduled in first fortnight of June 2024. The National Authority also asked the TN CAMPA to furnish information regarding **seasonal, committed, and mandatory** activities for the APO for 2024–2025. Out of available amount of Rs.108.276 crore in TN CAMPA, an amount of Rs 54.17 crore sub-head-wise is proposed in the APO 2024–25 and details for the same is submitted below for approval.

5. As per the Forest Conservation Act, 1980, the conditions stipulated to the user agency by the Government of India for diverting the forest land for non-forestry purpose is said to be mandatory activities. Accordingly, the sub-head wise mandatory activities are described below:
6. **Compensatory Afforestation Sub-head (Mandatory Activities):**
- 6.1 Compensatory afforestation is one of the most important conditions stipulated by the Government of India while approving proposals for the diversion of forest land for non-forestry purposes under Section 2 of the Forest (Conservation) Act 1980. Hence, compensatory afforestation has to be raised to fulfil the condition stipulated by the Government of India. During 2022–23, under the Compensatory Afforestation sub-head for Raising Compensatory Afforestation, along with maintenance, fencing, and restocking the older Compensatory Afforestation plantation, some spillover works will need to be completed. Hence, an amount of Rs. 566.31 lakhs required to complete the spillover work is kept for revalidation in the APO 2024–25.
- 6.2 During 2023–24, under the Compensatory Afforestation sub-head for Raising Compensatory Afforestation, along with maintenance, fencing, and restocking the older Compensatory Afforestation plantation, an amount of Rs. 901.82 lakhs has been approved. However, the work was not carried out because approval was not granted by the National Authority, and the case relating to Tengumaradha is pending before the Supreme Court of India. Accordingly, a collective APO is once again proposed, including the amount proposed for the years 2023–24 in the APO 2024–25.
- 6.3 For the year 2024-25, Fresh works are proposed under Compensatory Afforestation sub-head for Raising of plantation along with maintenance and Fencing to an amount of Rs. 1049.31 lakhs has been included in the proposal of TN CAMPA during 2024-25. The total amount of Rs. 2507.44 lakhs is required for approval under the sub head Compensatory Afforestation is tabulated below.

Si. No.	Mandatory Activity	APO 2022-23		APO 2023-24		APO 2024-25	
		Physical (Ha.)	Financial (Rs. lakhs)	Physical (Ha.)	Financial (Rs. lakhs)	Physical (Ha.)	Financial (Rs. lakhs)
I Compensatory Afforestation

				GRAND TOTAL			2507.44

6.4 Catchment Area Treatment Plan Sub-Head (Mandatory Activities)

During 2023–24, under the Catchment Area Treatment Plan sub-head for Raising Nursery and Planting in Srivaikundam Range, after de-silting by PWD in Srivaikundam Anaicut in Thoothukudi division, the user agency deposited an amount of Rs. 1.56 crore on October 1, 2015, in the CAMPA account, and as per the instructions of the the instructions of the Integrated Regional Office, Chennai, the conditions had to be implemented. Accordingly, an amount of Rs. 59.801 has been approved, but the works were not undertaken due to some administrative issues, as stated above. The approved works are again proposed for revalidation in the APO 2024–25. The total amount of Rs. 59.801 is required for approval under the subhead Catchment Area Treatment Plan.

6.5 Wildlife Integrated Management Plan Sub-Head (Mandatory Activities)

The provision of hanging solar fencing in the Hosur division for a sum of Rs. 2.00 lakhs has been approved under the Wildlife Integrated Management Plan sub-head for 2023–24. However, the work was not carried out accordingly, and the approved work is again proposed for revalidation in the APO 2024–25.

6.6 Others Sub-Head (Mandatory Activities)

Planting of 20,000 saplings after the removal of 10.00 ha of invasive species in Chinnayampatti RF in the Dindigul division for a sum of Rs. 111.10 lakhs has been approved under the sub-head "Others" during the year 2023–2024. However, the work was not carried out because of some administrative issues, and the approved work is again proposed for revalidation in the APO 2024–25.

7. Seasonal /Committed Activity (Liabilities):

- 7.1 The spill over work of the APO 2022-23 and the approved work of the APO 2023-24 by the Steering Committee are considered as Committed liability and the afforestation works included in the APO 2024-25 are considered as Seasonal activity.
- 7.2 Net Present value of Forest Land Sub-Head (Seasonal /Committed Activity) Some approved works are left for the year 2022–23 under the sub-head Net Present Value for Artificial Regeneration, Restocking, and Maintenance of Older Plantations, as well as other activities like fencing, etc., to an amount of Rs. 352.696 lakhs under 80% of the NPV. Under 20% of NPV activities such as third-party monitoring, audit of accounts by the Chartered Accountant and also by the Auditor General, etc., an amount of Rs. 129.32 lakhs is again proposed for revalidation in the APO 2024–25.
- 7.3 For the year 2023–24, an amount of Rs. 97.90 lakh has been approved for the maintenance of the plantation under the sub-head Net Present value. Remaining activities such as ANR new plantations, wildlife habitat improvement, preparation of working plan, and for other committed liabilities, an amount of Rs. 1755.58 lakhs have been included under 80 % of Net Present Value. Under 20% of NPV activities such as third-party monitoring, audit of accounts by the Chartered Accountant and also by the Auditor General, etc., an amount of Rs. 125.47 lakhs is again proposed in the APO 2024–25.
- 7.4 For the year 2024–25, under 80 % of Net Present Value an amount of Rs. 71.60 lakh has been proposed for the ANR new plantation and maintenance of the older plantation. Under 20 % of Net Present Value an amount of Rs. 30.00 lakhs for Third party monitoring and Audit of CAMPA Accounts by Chartered Accountant and Audit team. Hence, the total amount of Rs. 2,464.674 lakhs is required for approval under the subhead Net Present value and the activities are tabulated below.
