Letter No.11400/FR.10/2021- 6, dated: 11.02.2022

From
Thiru.K.Rajkumar, I.F.S.,
Special Secretary (Forests).

To
Chief Executive Officer,
Tamil Nadu CAMPA,
Office of the Principal Chief Conservator of Forests,
Chennai – 15. (w.e).

Sir,

Sub: Forest – CAMPA – Minutes of the Second Steering
Committee Meeting of Tamil Nadu CAMPA –
Communicated - Regarding.

Ref: Your letter No.TS5/31291/2020, Dated. 04.02.2022.

I am directed to enclose the Minutes of the Second Steering Committee Meeting of Tamil Nadu Compensatory Afforestation Fund Management and Planning Authority approved by the Chief Secretary to Government and Chairperson of Steering Committee of Tamil Nadu CAMPA for necessary further action. The action taken report in this regard may be sent to the Government for information.

Yours faithfully,

S. Mohamed Yusuf
for Special Secretary (Forests)

Minutes of the 2nd State level Steering Committee meeting of Tamil Nadu Compensatory Afforestation Management and Planning Authority (TNCAMPA) held on 03.02.2022 at 3.00 PM in Chief Secretary's Conference Hall, Secretariat, Chennai 600 009.

The 2nd meeting of the Steering Committee of Tamil Nadu CAMPA was held under the Chairmanship of Chief Secretary to Government of Tamil Nadu on 03.02.2022. The list of officials / members who attended the meeting is given in Annexure I.

At the outset, Additional Chief Secretary to Government, Environment, Climate Change and Forests Department, welcomed the Chairman and other Members of the Steering Committee and briefed about Compensatory Afforestation Act, Rules and role of the Steering Committee. The Principal Chief Conservator of Forests (Head of Department) highlighted salient features of Compensatory Afforestation Fund Act, 2016 and Compensatory Afforestation Fund Rules, 2018 and proposed Agenda of the meeting.

After the introduction of the Act and its provisions, Chief Executive Officer, Tamil Nadu State Compensatory Afforestation Fund Management and Planning Authority, and Member Secretary of Steering Committee, briefed through Power Point Presentation stating that the Annual Plan of Operation for the year 2022-2023 was formulated after detailed deliberations by the officials of Tamil Nadu Forest Department, thereafter scrutinized and approved at the 2nd and 3rd Executive Committee of TN CAMPA held on 24.06.2021 and 24.09.2021 respectively. The Guidelines for preparation of APO were issued in Government Order.(Ms). No. 41, Env. &For. (FR-10), Dept., dt. 30.06.2020.

The following Agenda items were placed before the Steering Committee of TN CAMPA for approval.

Agenda 1: Concurrence to the Annual plan of operation for the year 2022-23 prepared by the Executive Committee of TNCAMPA.

The Member Secretary presented the Annual Plan of Operation for the year 2022-2023 and also explained that the APO 2022-23 was prepared according to the Rule 39 (Form XII) of Compensatory Afforestation Fund Rule, 2018 and the proposed activities were in accordance with the Guidelines on admissibility stated in Compensatory Afforestation Fund Rules, 2018. The total financial outlay proposed in the Annual plan of operation 2022-23 is as detailed below.

(Rs. in Lakhs)

SI.No.	Sub-Heads(Category wise)	Amount available in TN CAMPA	Proposed amount for FY 2022 - 23
1	Compensatory Afforestation (CA)	3187.60	1228.71
2	Integrated Wildlife Management plan (IWMP)	51.90	36.00
3	Catchment Area Treatment plan (CATP)	85.70	55.00
4	Net Present Value (NPV)	6002.70	5017.70
5	Interest	666.90	70.00
6	Others	1347.10	1217.27
	Total	11341.90	7624.68

In the above, Compensatory Afforestation, IWMP and Catchment Area Treatment Plan are stipulated activities. These activities have to be carried out as per conditions imposed while approving forest diversion cases. Whereas from the funds available under the components of Net Present Value and Interest accrued, APO has to be prepared in accordance with Compensatory Afforestation Fund Rules, 2018.

The Additional Chief Secretary to Government, Environment, Climate Change and Forests Department, proposed to drop few proposed items like Free distribution of seedlings to farmers through Forest Extension Centers and Improvement of existing

Forest Veterinary Units, as the Department will be implementing JICA aided Tamil Nadu Biodiversity Conservation for Green Climate Project and NABARD funded Ecological restoration of degraded forest areas in the next five years, these activities can be dropped to avoid duplication. After detailed deliberations following activities as proposed by Executive Committee were modified as below.

Rs in lakhs

Activities Formulated by the EC	Amount proposed	Activities proposed by Steering Committee
<p>I. From 80 % of NPV (Rule 5(2) (k) of CAF Rules 2018</p> <p>1. Establishment of Veterinary Hospital and Rehabilitation Centre facilities for Rescued wild animals in ATR, Salem &Vellore.</p> <p>2. Improvement of existing hospital in Guindy National Park, Vandalur zoo, Providing Mobile Veterinary assistance unit in Madurai, Transport of rescued animals back to the RF, Engaging skilled labourers for safe capture of strayed animals, Purchase of cages etc.,</p>	402.72	<p>1. Establishment of Conservation Centre / Biodiversity Lab at Nilgiris.</p> <p>2. Dugong Conservation Centre at Palk Bay.</p> <p>3. Ornithology Conservation Centre at Kazhuveli.</p> <p>4. Turtle Conservation Centre, Chennai</p> <p>5. Project Management Unit for the Tamil Nadu Biodiversity Board</p>
<p>II. From Others Sub head</p> <p>1. Raising of good quality timber and NTFP for distribution among the tree growers in 32 Forestry Extn. Centers.</p>	544.50	<p>1. Procurement of IT Infrastructure, Hardware / Cloud Services as part of web-based GIS and Web based MIS Services.</p> <p>2. Preparation of Atlas / Publications / Brochures / Technical Books.</p> <p>3. Awareness, Stakeholder workshop for Mitigation of Conflict incidences due to intrusion of Linear infrastructure</p>

The Steering committee accepted the modifications of the above activities which were suggested by the Additional Chief Secretary to Government, Environment, Climate Change and Forests Department considering the current scenario and importance.

The Chief Secretary and the Chairperson suggested to utilize funds available under the provisions CAF Act 2016, in the spirit of the Act. He suggested to drop activities of building construction/maintenance. He opined that more and more green infrastructure activities can be taken up. He suggested that buildings and construction activities should be taken up through any other Scheme of the State and CSS. Accordingly following activities, proposed by the Executive Committee were dropped.

Rs in lakhs

Activities Formulated by the EC	Amount proposed	Activities proposed by Steering Committee
<p>I. From 20 % of NPV (Rule 5(3) (d) of CAF Rules 2018</p> <p>1. Construction of Forest Range Office building at Tiruppur, Vellore, Namakkal, Salem, Erode, Gudalur and Thoothukudi.</p> <p>2. Improvement of Forest Range office building in Guindy National Park, Masinagudi and Tirunelveli.</p> <p>3. Improvement of Forest Range quarters in Sathyamangalam, Tirunelveli, Masinagudi. Improvement of Forest, Forest Guard, Watchers staff quarters in Tirunelveli, Sathyamangalam, Kodaikanal, Madurai, Tiruppur.</p>	278.291	dropped

The Additional Chief Secretary to Government, Environment, Climate Change and Forests Department, informed that Rs.481.1475 has been approved under Restoration of Degraded Forest Landscape project under NABARD RIDF Scheme, hence, Soil & Moisture Conservation works proposed in the APO can be dropped to avoid duplication of activities.

The Principal Chief Conservator of Forests and Chief Wildlife Warden also suggested to defer few activities proposed under the component of "Improvement of Wildlife Habitat". After detailed deliberations, following activities proposed by Executive Committee were modified as below;

Rs in lakhs

Activities Formulated by the EC	Amount proposed	Decision of the Steering Committee
<p>I. From 80 % of NPV (Rule 5(2) (g) of CAF Rules 2018</p> <p>1. Soil and moisture conservation works in the forest</p>	899.047	<p>From 80 % of NPV (Rule 5(2) (k) of CAF Rules 2018</p> <p>1. Establishment of Conservation Centre at Guindy National Children's park</p> <p>2. Establishment of Conservation Centre at Longwood Shola, Kotagiri to be taken up under the Queens's canopy Programme</p>
<p>II. From 80 % of NPV (Rule 5(2) (g) of CAF Rules 2018</p> <p>1. Improvement of wildlife habitat as prescribed in the approved wildlife management plan/working plan</p>	1603.855	Restricted to 1049.560

The Chief Secretary and the Chairperson suggested to plan the activities of Removal of Invasive Species including *Prosopis juliflora*, to be undertaken with systematic planning like, removal of invasive species followed by planting indigenous plant

species in the removed areas for eco restoration. It was decided to allocate Rs.10 crores for the same.

After a detailed discussion, the Steering committee approved the Annual Plan of Operation 2022-2023 with above modifications and requested the Member Secretary to prepare the modified Annual Plan of Operation for recommending to the National Authority of CAMPA for approval.

Agenda 2. Review the progress of uploading of data in e-Green watch portal.

The progress was presented by the Member Secretary who explained the difficulties in uploading the pending data and polygons. The Chief Secretary requested the Member Secretary and the Principal Chief Conservator of Forests (Head of Department) to expedite uploading of the pending data in the web portal.

Agenda 3. To approve the annual audited accounts of the State CAMPA for the year 2014-15, 2015-16 and 2016-17.

The audited Account Statements of State CAMPA for the year 2014-2015, 2015-2016 and 2016-17 were placed before the Steering Committee and accepted. The Additional Chief Secretary to Government, Finance Department instructed to take up the Audit of Tamil Nadu CAMPA in Annual basis without any delay in future. The meeting concluded with the vote of thanks to the Chair and the members.

APPROVED AGENDA ITEMS OF THE 2ND STEERING COMMITTEE OF TN
CAMPA HELD ON 03.02.2022.

Annual Plan of Operation for the year 2022-2023

1. New Compensatory Afforestation works:

(Rs in lakhs)

Sl. No.	CAF Act/ Rule	Component	Physical	Unit	Financial
1	As per Section 6 (a) of CAF Act, 2016	Raising CA plantation including Nursery etc.,	146.38	Ha	493.349
2		Erection of Chain link fencing around CA area.	21835	RM	392.134
		Total			885.483

2. Maintenance of older Compensatory Afforestation

(Rs in lakhs)

Sl.No.	CAF Act/Rule	Component	Physical	Unit	Financial
1	As per Section 6 (a) of CAF Act, 2016	I year maintenance	139.13	ha	65.09
2		II year maintenance	110.81	ha	107.98
3		III year maintenance	400.461	ha	44.16
4		IV Year Maintenance	34.25	ha	1.45
5		V Year Maintenance	160.047	ha	26.02
6		VI Year Maintenance	48.53	ha	25.10
7		VII Year Maintenance	7.91	ha	3.57
8		Maintenance of plantation by erecting Barbed wire fence work around the CAMPA plantation area	1500	mts	26.42
9		Restocking of older CA Plantation	76.74	ha	43.45
		Total			343.24

3. Catchment Area Treatment Plan

(Rs in lakhs)

Sl.No.	CAF Act/ Rule	Component	Physical	unit	Financial
1	As per Section 6 (a) of CAF Act, 2016	Catchment Area Treatment Plan	10	No.	55.00

4. Wildlife Integrated Management Plan

(Rs in lakhs)

Sl.No.	CAF Act/Rule	Component	Physical	Unit	Financial
1.	As per Section 6 (a) of CAF Act, 2016	Wildlife Integrated Management Plan	1	LS	36.00

5. Activities proposed for utilization of 80% amount of Net Present Value (NPV)

(Rs in lakhs)

Sl. No.	CAF Act/Rule	Component	Financial
1	Rule 5(2)(b)	Artificial regeneration	829.595
2	Rule 5(2)(d)	Protection of plantation and forests	295.988
3	Rule 5(2)(i)	Improvement of wildlife habitat as prescribed in the approved wildlife management plan/working plan – Removal of invasive alien species viz., <i>Prosopis juliflora</i> , <i>Lantana</i> and <i>Senna spectabilis</i>	1049.560
4	Rule 5(2)(k)	Establishment, Operation and maintenance of animal rescue Centre and veterinary treatment facilities for wild animals	1301.760
		Total	3476.902

6. Activities proposed for utilization of 20% amount of Net Present Value (NPV)

(Rs in lakhs)

Sl. No.	CAF Act/Rule	Component	Financial
1	Rule 5(3)(i)	Awareness Programme	22.500
2	Rule 5(3)(c)	Purchase of Equipment for IT & Communication	79.805
3	Rule 5(3)(j)	Raising Good quality Seedlings	26.400
4	Rule 5(3)(g)	Survey & Mapping of Forest area	141.195
5	Rule 5(3)(d)	Construction, upgradation and maintenance of inspection paths, forest roads in forest area, firelines, watch towers, check posts, timber depots:	250.800
6	Rule 5(3)(h)	Monitoring & Evaluation Third party	37.500
7	Rule 5(3)(b)	Promoting Conservation, Sustainable use and Documentation of Biological Diversity including preservation of habitats.	150.000
		Total	708.200

7. Activities proposed for utilization of Interest amount

(Administrative Expenses from Interest amount (Recurring Expense))

(Rs in lakhs)

Sl. No	Component	Qty	Unit cost	Total cost for 1-year
1	Wages for Data Entry operator 3 nos on contract basis -12 months at 25 days per month- @ Rs 23200 per month during the year 2020-21	36	0.232	8.352
2	Wages for Data Entry operator 5 nos on contract basis -12 months at 25 days per month- @ Rs 25500 per month	60	0.255	15.300
3	Wages for Accountant - 1 no on contract basis -12 months at 25 days per month- @ Rs 25500 per month.	12	0.255	3.060

Sl. No	Component	Qty	Unit cost	Total cost for 1-year
4	Wages for record assistant - 1 noon contract basis -12 months at 25 days per month- @ Rs 15730 per month.	12	0.157	1.888
5	Maintenance and Replacement of peripherals, stationeries, and other relevant procurement.			6.400
6	Operational cost for vehicles, etc.			5.000
Sub- total				40.000
7	Improvement of existing JFM Building at Velachery for accommodating TN CAMPA CEO office			30.000
Sub- total				30.000
Grand Total				70.000

8. **Activities proposed for utilization of amount under Others sub head.**

Sl. No.	CAF Act/ Rule	Activities	Amount
1	No Ruling in CAF Act/Rule	a. Procurement of IT Infrastructure - Hardware / Cloud Services as part of web based GIS and Web based MIS Services. b. Preparation of Atlas / Publications / Brochures / Technical Books. b) Awareness, Stakeholder workshop for Mitigation of Conflict incidences due to intrusion of Linear Infrastructures	544.50
2.		Cost of Preparation of DPR for advanced Wildlife treatment and Rehabilitation Rescue centre and Forest and Wildlife crime control Bureau	8.00
3.		Establishment of 2 advanced wildlife Treatment and Rehabilitation Rescue centres at Coimbatore and Tirunelveli	564.77
4.		Establishment of 4 zonal offices of Forest and Wild life Crime Control Bureau.	100.00
Total			1217.27

9. Final outlay of Annual Plan of Operation for the year 2022-23 after placing in the Steering Committee

(Rs in lakhs)

Sl.No.	Sub-Heads (Category wise)	Proposed amount in EC	Amount approved in SC
1	Compensatory Afforestation	1228.71	1228.71
2	Integrated Wildlife management plan	36.00	36.00
3	Catchment Area Treatment plan	55.00	55.00
4	Net Present Value	5017.70	4185.10
5	Interest	70.00	70.00
6	Others	1217.27	1217.27
	Total	7624.68	6792.08

ANNUAL PLAN OF OPERATION 2022-23

a. Part I : Brief History and past performance

1. Brief description of Forests in Tamil Nadu State.

The State is endowed with rich biodiversity, from marine coastal systems in the Gulf of Manner to the terrestrial evergreen forests in the Western Ghats and temperate forests in the hilly regions. As per the Champion & Seth Classification of Forest Types (1968), the forests in Tamil Nadu belong to nine Forest Type Groups, which are further divided into 39 Forest Types. The Nilgiri Biosphere Reserve represents a unique and threatened ecosystem in the tropics inside the Western Ghats Mountain system and is one of the biodiversity hotspots. Tamil Nadu has been a pioneer State in the biodiversity conservation, particularly in Protected Area management, including conservation of marine fauna. Tamil Nadu is famous for its Teak and Sandalwood forests. Plantations of Sandalwood, conservation and management of mangroves and wetlands are a priority area of the SFD.

Recorded Forest Area (RFA) in the State is 23188.042 sq km of which 20,522.501 sq km is Reserved Forest, 1,053.191 sq km is Protected Forest and 829.711 sq km is Unclassified Forests and 782.64 sq km is Private Forest Area. In Tamil Nadu, during the period 1st January 2015 to 31st March 2020, a total of 687.393 hectares of forest land was diverted for non-forestry purposes under the Forest Conservation Act, 1980 (MoEF&CC, 2019). As per the information received from the State during the last two years, 46,216.72 ha of plantations were raised in the State.

Based on the interpretation of IRS Resourcesat-2 LISS III satellite data of the period Oct 2020 to Aug 2021, the Forest Cover in the State is 26,419 sq km which is 20.31 % of the State's geographical area. In terms of Forest canopy density classes, the State has 3,593 sq km under Very Dense Forest (VDF), 11,034 sq km under Moderately Dense Forest (MDF) and 11,792 sq km under Open Forest (OF). Forest Cover in the State has increased by 55 sq km as compared to the previous assessment reported in ISFR 2019.

Recorded Forest Area in Tamil Nadu

Recorded Forest Area (As per ISFR 2021)	
Reserved Forest	20522.501 sq km
Protected Forest	1053.191 sq km
Unclassified Forest	829.711 sq km
Private Forest Area	782.640 sq km
Total	23188.042 sq km
Of State's Geographical Area	17.83 %

2. Forestry and other activities carried out in the State in last three years from the fund received under CAMPA and CAF.

As per the approved Annual plan of operation 2018-19

Sl.No	Item of work	Approved Amount	Amount released by GOI	Achievement Financial (Rs. In lakhs)
1	Compensatory Afforestation	82.28		63.95
2	Conservation, Protection, Regeneration and management of existing natural forests	423.53		185.86
3	Conservation, Protection and Management of Wildlife and its habitat within and outside protected areas including the consolidation of the protected areas	227.35		172.00

9	2016-17	71.259
10.	2017-18	24.400
11.	2018-19	44.640
12.	2019-20	14.860
	TOTAL	3321.466

The division wise Compensatory Afforestation done since 1980 is furnished in tabular form as **Annexure IV**(Page from 181-216).

6. Different Forestry schemes being implemented in the State.

Sl.No.	Details of Schemes
1.	Tribal Development
2.	Soil and Water Conservation
3.	Direction and Administration
4.	Communication and Buildings
5.	Social Security and Welfare
6.	Forest Conservation, Development and Regeneration
7.	Social and Farm Forestry
8.	Forest Produce (Sandal, Teak, Wattle, etc.)
9.	Education and Training
10.	Publicity, Forest protection and Labour and Staff amenities
11.	Wildlife
12.	Special Programme for Rural Development
13.	Research and Education
14.	Hill Areas Development Programme
15.	Compensation and assignments to local bodies and Panchayat Raj Institutions
16.	Capital Outlay on Tourism
17.	Capital outlay on Plantations/Loans for Plantations.

7. Total afforestation work done in last three years under various schemes being implemented in the State in tabular form.

Sl. No.	Name of Scheme	No. of Seedlings	Land covered under Afforestation (in Ha.)
1.	All schemes (2018-19)	2,65,73,109	40882
2.	All schemes (2019-20)	94,45,795	14532
3.	All schemes (2020-21)	2,34,20,467	36031

8. Details of the community development works done from Adhoc CAMPA fund and SCAF received from National Authority.

No community development works done under CAMPA fund.

9. Brief description and abstract of the Monitoring work done by the Monitoring and Evaluation wing of the State Forest Department.

In past, exclusive wing called FEMAS was existed for monitoring all the developmental schemes. Now the FEMAS wing has been merged with Protection and Vigilance wing and is being monitored during the execution as well as after completion. Similarly, the circle level officers are forming special squad for Monitoring works done under CAMPA. If any discrepancies have been noticed necessary follow up action has been initiated.

10. Brief description and abstract of the Monitoring work done by the independent monitor (Third party monitoring) in the State.

The third party monitoring was carried out for the works carried out upto 2014-15 and a report in this regard was received from the SSFRDT (Society for Social Forestry Research and Development Tamil Nadu) during March 2018. Based on the evaluation report detailed follow up action for the deficiency/omissions have been initiated. Further, necessary action has now initiated for taking up third party monitoring for works carried out from the year 2015-16.

11. Details in tabular form the budgetary allocation in the state in previous year under different sub-heads for forestry and ancillary activities under State schemes by the State Government.

The Budgetary allocation in the state in previous year under sub-heads for forestry and ancillary activities under State schemes by the State Government in tabular form as **Annexure V**(Page from 217-232).

12. Any other important information for consideration relevant for preparing Annual plan of operation.

Full justified details is furnished in **Annexure VI** (Page from 233-306). for each component work wise.

13. The details of expenditure to be undertaken form mandatory Compensatory Afforestation cost, NPV and interest component should be provided separately.

The details are furnished as below.

Sl. No	Sub-Heads (Category wise)	Amount available (Rs. In lakhs)	Proposed amount (Rs in lakhs)
1	Compensatory Afforestation	3187.61	1228.712
2	Catchment Area Treatment plan	85.70	36.000
3	Integrated Wildlife management plan	51.89	55.000
4	Net Present Value	6002.69	4185.109
5	Interest	666.94	70.000
6	Others	1347.10	1217.270
	TOTAL	11341.93	6792.091

b. Part 2 of Annual plan of operation shall contain description of site-specific activities.

1. District /forest division wise details of new Compensatory Afforestation, Catchment area treatment plan works, wildlife management activities to be done as per the conditions imposed under Forest Clearance granted by the Central government under Forest (Conservation) Act, 1980. Details of only those districts may be provided where the Compensatory Afforestation work has to be done during the current financial under consideration.

The details of Compensatory Afforestation to be carried out other Compensatory Afforestation, Penal Compensatory Afforestation, Safety zone plantations etc., as stipulated in the Stage I and Stage II orders of Forest (Conservation) Act, 1980, have been furnished in the **Annexure VII** (Page from 307-336).

The abstract details is as below: CA

Sl.No.	Component	Physical	Unit	Financial (Rs in Lakhs)
1	Raising CA plantation including Nursery etc.,	146.38	Ha	493.349
2	Erection of Chain link fencing around CA area.	21835	RM	392.134
	Total			885.483

2. Location, geo-referenced maps/geo co-ordinates (in case of immoveable assets including plantation/regeneration site), estimated cost, proposed implementing agency and implementation schedule of each activity proposed to be executed from State fund to be provided district wise.

The details furnished as **Annexure VIII** (Page from 337-434).

3. Details of maintenance of Compensatory Afforestation work, Catchment area treatment plan works, wildlife management activities done in previous years, estimated cost (along with basis thereof).

Sl.No.	Component	Physical	unit	Financial (Rs in Lakhs)
1	Catchment Area Treatment Plan	10	No.	55.000
2.	Wildlife Integrated Management Plan	1	LS	36.000

The details of Maintenance of previous year plantations and stipulated other Compensatory Afforestation, Penal Compensatory Afforestation, wildlife management activities done safety zone plantations etc. have been furnished in the **Annexure IX** (Page from 435-444).

The abstract details is as below: CA Maintenance.

Sl.No.	Component	Physical	Unit	Financial (Rs in Lakhs)
1	I st year maintenance	139.13	Ha	65.090
2	II nd year maintenance	110.81	Ha	107.980
3	III rd year maintenance	400.461	Ha	44.160
4	IV th Year Maintenance	34.25	Ha	1.450
5	Vth Year Maintenance	160.047	Ha	26.020
6	VI th Year Maintenance	48.53	Ha	25.100
7	VII th Year Maintenance	7.91	Ha	3.570
8	Maintenance of plantation by erecting Barbed wire fence work around the CAMPA plantation area	1500	Mts	26.420
9	Restocking of older CA Plantation	76.74	Ha	43.450
	Total			343.240

4. Proposed implementing agency and implementation schedule of each activity proposed to be executed from State fund to be provided district wise.

All the works will be Implemented by the concerned Forest Officers of Tamil Nadu Forest Department.

Since, most of the works are similar to the works which have been implemented by the Department under various ongoing schemes the schedule of activity followed for each type of work will be followed for the CAMPA works.

c. Part 3- Non-Site-specific activities to be done from NPV and Interest component.

1. District wise details of non-site activities to be done.

Details furnished in the **Annexure X** (Page from 445-477).

Abstract of the Details of fund proposed to be utilized of NPV amount

Abstract- 80% of NPV		
Sl.No.	Activities	Amount
1	Artificial regeneration	829.595
2	Protection of plantation and forests	295.988
3	Improvement of wildlife habitat as prescribed in the approved wildlife management plan/working plan	1049.560
4	Establishment , Operation and maintenance of animal rescue centre and veterinary treatment facilities for wild animals	1301.760
	Total	3476.903

Abstract - 20% of NPV		
Sl.No.	Activities	Amount
1	Awareness Programme	22.500
2	Purchase of Equipment for IT & Communication	79.805
3	Raising Good quality Seedlings	26.400
4	Survey & Mapping	141.195
5	Construction, upgradation and maintenance of inspection paths, forest roads in forest area, fire lines, watch towers, check posts, timber depots:	250.800
6	Monitoring & Evaluation Third party	37.500
7	Promoting Conservation, Sustainable use and Documentation of Biological Diversity including preservation of habitats.	150.000
	Total	708.200

Interest

Administrative Expenses from Interest amount (Recurring Expense)				
Sl. No	Component	Quantity	unit cost	Total cost for 1-year Rs. in Lakhs
1	Wages for Data Entry operator 5 nos on contract basis -12 months at 25 days per month- @ Rs 23200 per month during the year 2020-21	36	0.232	8.352
2	Wages for Data Entry operator 5 nos on contract basis -12 months at 25 days per month- @ Rs 25500 per month	60	0.255	15.300
3	Wages for Accountant - 1 nos on contract basis -12 months at 25 days per month- @ Rs 25500 per month.	12	0.255	3.060
4	Wages for record assistant - 1 nos on contract basis -12 months at 25 days per month- @ Rs 15730 per month.	12	0.157	1.888
5	Maintenance and Replacement of peripherals , stationeries and other relevant procurement.			6.400
6	Operational cost for vehicles, etc.			5.000
Sub- total				40.000

Administrative Expenses from Interest amount (Non- Recurring Expense)

Sl. No	Component	qty	unit cost	Total cost for 1 year in Rs. Lakhs
1	Improvement of existing JFM Building at Velachery for accommodating TN CAMPA CEO office	1	LS	30.000
Sub- total				30.000
Grand Total				70.000

Others

Abstract – Others		
Sl.No.	Activities	Amount
1.	Procurement of IT infrastructure - Hardware/Cloud Services as part of web based GIS and web based MIS services.	544.500
2.	Preparation of Atlas/Publications/Brochures/Technical Books	
3.	Awareness, Stakeholder workshop for Mitigation of Conflict incidences due to intrusion of linear infrastructures	
4.	Establishment of two advanced wildlife treatment and Rehabilitation Rescue centres at coimbatore and Tirunelveli	564.770
5.	Cost of preparation of DPR for advanced Wildlife treatment and Rehabilitation centre and forest and wildlife crime control Bureau	8.000
6.	Establishment of 4 zonal offices of Forests and Wildlife Crime control Bureau	100.000
	Total	1217.270

2. Location, geo-referenced maps/geo co-ordinates (in case of immovable assets) estimates cost (along with basis thereof), proposed implementing agency and implementation schedule of each activity proposed to be executed from State fund to be provided district wise.

Details will be furnished subsequently.

3. Details of maintenance of the assets created in past from fund received from Adhoc CAMPA and State Compensatory Afforestation Fund, estimated cost, proposed implementing agency and implementation schedule of each activity proposed to be executed from State fund to be provided district wise.

No maintenance of assets created in past from the fund received from Adhoc CAMPA and State Compensatory Afforestation Fund is required. As such providing the details does not arise.

d. General.

1. Annual plan of operation shall contain the physical targets of each permissible activity in measurable quantity along with the estimated cost of such activities.

Yes, already furnished

2. Annual plan of operation shall contain the measurable outcome of all physical activities and targets of each permissible activity along with the period required for achieving the measurable outcome.

Direct outcome:

The only employment generation can be measurable outcome by carrying out all the works now proposed. Approximately, according to the minimum wages rate followed in Tamil Nadu **8.71 lakh** no. of mandays will be generated and the outflow for wages will be around **Rs.40.08 crores**.

In direct outcome:

- Regain ecological integrity & restoration of Forests.
 - Positive engagement of local people in forest restoration by solving land use conflicts
 - Acceptable compromises over land use tradeoffs by stake holders
 - Repository of Biological diversity
 - Water shed services – clean water, reduce soil erosion & drought mitigation
 - Possibility of eco tourism, carbon sink
3. Annual plan of operation shall contain a certificate from the CEO, State Authority to the effect that it has been prepared in accordance with the extant rules/guidelines.

The required certificate is furnished as ANNEXURE XI (Page from 479).

4.3.2022
Chief Executive Officer/Member Secretary
Tamil Nadu CAMPA

4	Protection Barrier Trench along the Reserve Forest boundary	Chennai	Thiruvallur	M	20000	0.01	121.44	Thiruvallur Divisions situated adjacent to Chennai City on one side and on the other side the border of Andhra State. The roads leading to Chennai from Andhra Pradesh are passing through Thiruvallur District. Thiruvallur Forest Division has about 1693.49 ha. of Red sanders plantations planted from 1958 up to 2008. There are about 3,36,293 Red sanders trees of various ages i.e. aging from 10 years to 60 years. These plantations are in blocks, located in plain areas and easily approachable from all sides. The well laid interwoven cross roads are well connected to Chennai, Thiruvallur, Bangalore, and Andhra Pradesh Border. With the recent spur in the protection problems of the Red sanders trees, it has become absolutely necessary to re-look at our protection strategies and revamp as multi prone approach to prevent illicit felling.

WORKS PROPOSED UNDER 20% OF NPV								
I Awareness Programme								
1	Conducting of Capacity Building Training to staff on Judicial Procedures, Wildlife crime handling and detention, wildlife rescue and post-care, first aid, animal ecology and other creating awareness among the public etc., at Rs.0.50 lakhs per each division.	45 divisions		Nos	45	0.50	22.50	To meet out the expenditure, to create awareness among the public in protection, conservation of forest and wildlife by conducting adequate awareness camps and imparting training to the field level staffs in wildlife management and various enforcement of rules etc., including Information Technology. for 45 divisions.
					Total		22.50	
II Purchase & Maintenance of Equipment for Communication & Information Technology								
1	Installation of video conference facility	Chennai	Chengalpattu	Nos	1	1.65	1.65	In order to facilitate video conference facilities for conducting Review meeting etc., this provision is essential
2	Computer - Mangement of Information Systems along with accessories	Trichy	Ariyalur	LS	1	2.86	2.86	As this divisions are not provided with any IT provisions, in order to facilitate for creating data base etc., this provision is essential.
3	Computer - Mangement of Information Systems along with accessories	Trichy	Perambalur	LS	1	2.86	2.86	
4	Creating data base for CAMPA works	PCCF	PCCF	LS	1	5.50	5.50	For creating database in CAMPA GEO office for varicus CAMPA activities.

Sl. No.	Details of the work	Circle	Division	Unit	Quantity	Unit cost	Total Amount	Justification
5	Online Services for Tree Felling/Transit Permits (Ease of Doing Business)	PCCF	MIS	LS	1	8.09	8.09	In order to improve the existing web based MIS software of various functions such as updation of forest administrative boundary database, assistance to working plan preparation and allied maps, technical support for implementing FRA 2006, real time alert and annual fire burnt area assessment, wild life habitat etc.,
6	Improvement of Web-based MIS Software	PCCF	MIS	LS	1	5.50	5.50	
7	Improvement of Website	PCCF	MIS	LS	1	11.00	11.00	
8	Mapping of forest areas and support for digitization by outsourcing by engaging required professionals	PCCF	GIS	LS	1	8.80	8.80	
9	Development of Information technology facilities for updating data base of CAMPA & allied activities	45 divisions		LS	45	0.55	24.75	In order to create database at division and circle level offices regarding CAMPA and allied activities, this provision is essential.
10	Development of Information technology facilities for updating data base of CAMPA & allied activities	16 circles		LS	16	0.55	8.80	
					Total		79.805	
III Raising of Good Quality Seedlings								
1	Formation of new central permanent nursery	Thanjavur	Thiruvarur	Nos	1	16.50	16.50	As there is no permanent Central nursery in this division and in order to provide facilities for raising seedlings for both the departmental activities and public distribution, formation of central nursery is quite essential.
2	Establishment of Central Nursery by providing retaining wall and fencing etc.,	Madurai	Theni	Nos	1	5.50	5.50	
3	Establishment of departmental nursery at Maathirai, Usilampatti range	Madurai	Madurai	Nos	1	4.40	4.40	
					Total		26.40	

Sl. No.	Details of the work	Circle	Division	Unit	Quantity	Unit cost	Total Amount	Justification
IV Construction, upgradation and maintenance of inspection paths, forest roads in forest area, firelines, watch towers, checkpoints, timber depots:								
1	Improvement forest check post building and toilet and waterfacilities at S Bend in Pulyarai	Tirunelveli	Tirunelveli		1	6.60	6.60	The existing check post are not provided with Toilet and drinking water facilities. In order to provide basic infra structure facilities for staff besides and also to modernize the check post this provision is essential
2	Improvement forest check post building and toilet and waterfacilities at Panpozhi check post	Tirunelveli	Tirunelveli		1	6.60	6.60	
3	Maintenance and upgradation of Checkpost buildings 1) Upgradation of 9/6 Checkpost 2) Upgradation of Chinnar Checkpost	ATR	Tiruppur		2	3.30	6.60	
4	Improvement of Arukani Forest check post	Tirunelveli	Kanyakumari	Nos	1	22.00	22.00	The check post building is located abutting to the heavy flooding stream and in order to protect the building from land slide and to avoid any undue incidents ,the area has to be protected and strengthened by making adequate precautionary measures

Sl. No.	Details of the work	Circle	Division	Unit	Quantity	Unit cost	Total Amount	Justification
a	Timber depots							
5	Creation of Depot yard with protection wall in Tadikamkonam Reserved Forest	Tirunelveli	Kanyakumari	Nos	1	11.00	11.00	The timber depot at Tadikarnkonam RF is not provided with adequate protection wall. At present about 1400 trees of teak, rose wood and other timbers are kept, in order to improve the protection from any theft, construction of protection wall is highly essential.
6	Construction of Protection Wall around Piliayarpatti Forest Campus and Central Timber Depot, Saliangalam	Thanjavur	Thanjavur		1	60.50	60.50	The central timber depot at pillayarpatti is not provided with adequate protection wall. At present about 2000 cu.mt of teak wood is kept, in order to improve the protection from any theft, construction of protection wall is highly essential.
7	Strenthenning of protectionwalls and improvement of storage godowns in sandalwood sale depot at Salem	salem	salem		1	137.50	137.50	The sandal wood depot is located at the heart of the city, in this depot about 200 metric tonnes of sandal wood is stored. The protection wall around the depot is very badly damage and request to be replaced by new construction. Similarly the existing storage godowns are of very old with tiled roofing. As considering the value of the sandal wood and mass threat for smuggling the depot has to be strenghened by constructing of protection wall and strengthening the godowns besides providing adequate ligthing facilities at vantage points. Hence this provision is essential.
					Total		250.800	
V SURVEY AND MAPPING								

Sl. No.	Details of the work	Circle	Division	Unit	Quantity	Unit cost	Total Amount	Justification
1	Survey of forest boundary of UNSURVEYED SALT SWAMP AREA and PANCHANATHIKULAM by Using Real time kinematic GPS survey method(1 CM accuracy) and re-fixing the boundary stone followed by manual survey.	Thanjavur	Nagapattinam	Ha	8100	0.0003	2.6730	The UNSURVEYED SALT SWAMP AREA and PANCHANATHIKULAM form a constituent part of the Point Calimere Wetland which is the only RAMSAR Wetland site in Tamil Nadu. More than 22000 Ha areas yet to be surveyed which is a long pending issue in the Division. Hence complete survey of the land will pave way for complete protection of the land from Encroachment and will directly increase the forest area in the District from 2.5 % to 10 %. Subsequently this area could be notified as a Sanctuary after this work.
2	Working plan preparation , sample plot laying, preparation of maps etc., 11 divisions	Working plan	Vellore,Coimbatore,T richy	LS	LS	90.00	90.00	As per the national working plan code 2014, 11 divisions fresh working plan for the next 10 years is under preparation. To meet out the expenditure for preparation of the documents, maps etc., the provision may be essential.
3	Survey and Demarcation of all Compensatory Afforestation land including clearing of boundary and construction of cairns,mappin & documentation.	all circle	all division	Ha.	1585.874	0.0055	8.52	The Compensatory Afforestation area which is still pending under Section 16 final notification . Hence this area has to be protected from any encroachment, the area has to be demarcated ny erecting stone pillars/cairns.

Sl. No.	Details of the work	Circle	Division	Unit	Quantity	Unit cost	Total Amount	Justification
4	Survey and Demarcation of mapping of various invasive species	all circle	all division	Ha	20000	0.002	40.00	The alien invasive species such as lantana camara, Prosopis juliflora, senna and wattle is proposed to be removed in accordance to the guidelines of Hon'ble High Court. In order to assess and mapping the area, the amount provided is required.
					Total		141.195	

VI MONITORING AND EVALUATION

1	Monitoring & Evaluation for internal monitoring expense	PCCF.	PCCF.	LS	LS	7.50	7.500	As guidelines of CAMPA it has to be conducted, hence this provision is essential. For third party monitoring last year we received quotation for 11.71 lakhs, so with escalation of 10% it is added.
2	Monitoring & Evaluation for independent (third party) monitoring expense	PCCF.	PCCF.	LS	LS	20.0000	20.000	
3	Auditing charges for CAMPA accounts by Third Party & CAG	PCCF.	PCCF.	LS	LS	10.00	10.000	
	TOTAL				Total		37.500	

VII PROMOTING CONSERVATION, SUSTAINABLE USE AND DOCUMENTATION OF BIOLOGICAL DIVERSITY INCLUDING PRESERVATION OF HABITS.

1	Preparation of brief document for 100 wetlands	TNSWA	TNSWA	Nos	100	0.2	20	Wetlands play a critical role in maintaining many natural cycle and supporting a wide range of biodiversity. They purify and replenish our water and provide the fish and rice that feed billions. They serve as a natural sponge against flooding and drought, protect our coastlines and help fight climate change. Bursting with biodiversity wetlands are a vital means of storing carbon.
2	Preparation of Draft & final Notification for 50 wet lands	TNSWA	TNSWA	Nos	50	1	50	

Sl. No.	Details of the work	Circle	Division	Unit	Quantity	Unit cost	Total Amount	Justification
3	Preparation of Information sheet for 33 wetland following RAMSAR wetland method	TNSWA	TNSWA	Nos	25	0.2	5	Wetlands are also tremendously productive eco system that provide a myriad of services to society worldwide. Hence for Technical guidance, support and field visits for notification, preparation of Integrated Management plan and for monitoring of the ecological restoration of the wetlands for generating multiple ecosystem services for the benefit of people and biodiversity in the State.
4	Preparation of Integrated Management Plan for 3 wetlands	TNSWA	TNSWA	Nos	3	25	75

29	Maintenance of CA plantation 5 th year in Zamin pallavaram. (Plantation raised during 2015-16)	Chennai	Chennai	Ha	41.62	0.27225	11.33				The planting work was done during 2015-16 and the fencing CA land was not taken up during the same year. However, during 2016-17 the same was taken up and the work has been completed. However, as the area is remote and hilly terrain the protection of the CA plantation in this area by the beat subordinates is difficult. Hence it is proposed to engage 2 protection mazdoors to look after this plantation during the year 2019-20 onwards for a period of 3 years. For the current year for engaging 2 protection mazdoors at the PSR Rate of Rs.430.90/day with 10% escalation Rs.473.99/day for 25 days in month and for 12 months it works out to Rs.2.85akhs is required. In addition the CA plantation has to be maintained for the 5th year maintenance over an area of 41.62 ha. @ Rs.24750/ha which works out to Rs.10.30 lakhs is required.

F.No.4-TNB 008/2016-CHN/1538

Dated the 01st August, 2016

To,

The Principal Secretary to the Government of Tamil Nadu,
Environment & Forests Department,
Secretariat, Fort St. George, Chennai - 600 009.

Subject: Diversion of 1.11 ha of forest land in Pulicat Lake Sanctuary of Wildlife Division, Chennai for construction of high level bridge at Km0/4 of Chennai-Pulicat road to Pasiyavaram road including formation of approaches in favour of Divisional Engineer, Highways Department, Construction and maintenance Division Thiruvallur-reg

Sir,

Please refer to the State Government's letter No. 14387/FR10/2016-1 dated 26.07.2016 seeking prior approval of the Central Government in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project.

After careful consideration of the proposal of the State Government, I am hereby directed to convey Central Government's in-principle (Stage-I) approval under Section '2' of Forest (Conservation) Act, 1980 for Diversion of 1.11 ha of Sanctuary land in Pulicat Lake Sanctuary of Wildlife Division, Chennai for construction of high level bridge at Km0/4 of Chennai-Pulicat road to Pasiyavaram road including formation of approaches in favour of Divisional Engineer, Highways Department, Construction and maintenance Division Thiruvallur for 20 years, subject to the following conditions:-

1. Legal status of the diverted Sanctuary land shall remain unchanged.
2. The demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters at the cost of User Agency before stage II approval.
3. The cost of raising Compensatory Afforestation (CA) over 2.22 ha. of non forest land identified in S.No 435, Kolar Village in Thiruvallur district, shall be realized from the User Agency.

[Signature]

4. Identified CA land and approved CA scheme shall not be changed without the prior approval of the Central Government
5. The State Government shall charge the Net Present Value of the diverted forest land measuring 1.11 ha. from User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos.826 in 566 with related IA's in Writ Petition (Civil) No.202/1995.
6. Additional amount of Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the User Agency. User Agency shall furnish an undertaking to this effect.
7. The funds received from the User Agency towards Compensatory Afforestation and Net Present Value under this project shall be deposited in the respective bank account of the Tamil Nadu State CAMPA. The User Agency shall compulsorily deposit the CA and other levies only by generating challan through the Ministry's website.
8. Felling of trees of spontaneous origin shall not be carried out. User Agency shall furnish an undertaking to this effect.
9. The User Agency shall not collect any material like sand, gravel etc from the protected area and the muck / debris generated in the earth cutting or during the execution of the work if any, will be disposed off at designated dumping sites and in no case the muck/debris will be disposed off in the Protected areas.
10. The User Agency shall not be carrying out project works during night time and it shall be restricted only between 7.00 AM to 5.00 PM.
11. The designing of pillars of the bridge should be done in such a manner that it does not hamper the natural course of water, does not give rise to water-logging, and also does not hamper movement of aquatic species etc.
12. Conservation awareness programmes for local flora and fauna will be organized by the project proponent in consultation with Wildlife Warden concerned where villagers of surrounding villages will be encouraged to participate
13. No additional or new path shall be constructed inside the Sanctuary area for transportation of construction materials for execution of the project work.
- 

14. No labour camps shall be established on the Sanctuary land. Proposed labour camps outside the Sanctuary area are to be dismantled after completion of the work.
15. The user agency shall provide fire wood preferably alternate fuel to labourers working at the site to avoid damage/tree felling.
16. User agency shall ensure that the labourers, staff engaged in construction activity do not damage nearby forest flora and fauna.
17. The User Agency shall comply with the conditions stipulated by the Chief Wildlife Warden as per the recommendation of the Standing Committee of National Board for Wildlife (NBWL).
18. The layout plan of the proposal shall not be changed without prior approval of the Central Government.
19. The Protected land proposed for diversion shall under no circumstances be transferred to any other agency, department or person without prior approval of the Central Government.
20. Trees standing in the diverted area shall be felled strictly as per requirement with prior permission of the Wildlife Warden.
21. As per the Environment (Protection) Act, 1986 and amendment thereof, the user agency shall obtain necessary Environmental Clearance from Ministry of Environment & Forests/State EIAA, as applicable to such project.
22. User agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to such project.
23. User Agency shall obtain all the necessary clearances like CRZ /Environmental clearances, as applicable to such project before commencement of the work.
24. The user agency shall submit the annual self compliance report in respect of the above conditions to the State Government and to the Regional Office, regularly.
25. The total forest area utilized for the project shall not exceed 1.11 ha and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal. User Agency shall furnish an undertaking to this effect.

26. All other conditions proposed by the State Government at the time of submission of the proposal to the Government of India shall be complied with by the User Agency.

27. Any other condition that the Additional Principal Chief Conservator of Forests (Central), Regional Office, Chennai may impose from time to time for protection, improvement of flora and fauna in the protected area in public interest shall be complied by the user agency.

28. In the event of failure to comply with any of the above conditions the user agency is liable for penal action as decided by the Additional PCCF (Central), Regional Office, Chennai.

After receipt of the compliance report on above mentioned conditions, the proposal will be considered for final approval. Transfer of protected land to User Agency shall not be effected prior to the issue of final approval. This in-principle approval shall be valid for a period of 5 years. In the event of noncompliance of the above conditions, this in-principle approval shall automatically stand revoked after 5 years.

Yours faithfully,

(Dr. K. Ganesh Kumar)

Date: August, 2018

To,

The Principal Secretary to the Government of Tamil Nadu,
Environment & Forests Department,
Secretariat, Fort St. George, Chennai - 600 009.

Subject: Diversion of 1.11 ha of forest land in Pulicat Lake Sanctuary of Wildlife Division, Chennai for construction of high level bridge at Km0/4 of Chennai-Pulicat road to Pasiyavaram road including formation of approaches in favour of Divisional Engineer, Highways Department, Construction and maintenance Division Thiruvallur-reg

Sir,

Please refer to the State Government's letter No. 14387/FR10/2016-1 dated 26.07.2016 and online application No. FP/TN/ROAD/10004/2015 seeking prior approval of the Central Government in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project. The project was accorded in-principle approval (Stage-I) by the Central Government vide letter dated 01.08.2016. The PCCF, Tamil Nadu vide letter No. TS3/31240/2015 dated 26.07.2018 has reported compliance to the conditions stipulated in the in-principle approval.

After careful consideration of the proposal of the State Government, I am directed to convey the Central Government's approval (Stage-II) under Section '2' of Forest (Conservation) Act, 1980 for diversion of 1.11 ha of forest land in Pulicat Lake Sanctuary of Wildlife Division, Chennai for construction of high level bridge at Km0/4 of Chennai-Pulicat road to Pasiyavaram road including formation of approaches in favour of Divisional Engineer, Highways Department, Construction and maintenance Division Thiruvallur for a period of 20 years, subject to the following conditions:-

1. Legal status of the diverted Sanctuary land shall remain unchanged;
2. The State Forest Department shall carry out Compensatory Afforestation (CA) and its maintenance over 2.22 ha. of non forest land identified in S.No 435, Kolar Village in Thiruvallur district from the amount which has already been realized from the user agency;

3. Non-forest land which needs to be transferred and mutated in favour of the State Forest Department for the purpose of compensatory afforestation shall be declared as Reserved Forest under Section-4 or Protected Forest under Section-29 of the Indian Forest Act, 1927 or under the relevant Section(s) of the State Forest Act. The Nodal Officer must report compliance within a period of six months from the date of grant of final approval and send a copy of the original notification to this office for information and record;
4. Identified CA land and approved CA scheme shall not be changed without the prior approval of the Central Government;
5. Additional amount of Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the User Agency;
6. Felling of trees of spontaneous origin shall not be carried out;
7. The User Agency shall not collect any material like sand, gravel etc from the protected area and the muck / debris generated in the earth cutting or during the execution of the work if any, will be disposed off at designated dumping sites and in no case the muck/debris will be disposed off in the Protected areas;
8. The User Agency shall not be carrying out project works during night time and it shall be restricted only between 7.00 AM to 5.00 PM;
9. The designing of pillars of the bridge should be done in such a manner that it does not hamper the natural course of water, does not give rise to water-logging, and also does not hamper movement of aquatic species etc;
10. Conservation awareness programmes for local flora and fauna will be organized by the project proponent in consultation with Wildlife Warden concerned where villagers of surrounding villages will be encouraged to participate;
11. No additional or new path shall be constructed inside the Sanctuary area for transportation of construction materials for execution of the project work;
12. No labour camps shall be established on the Sanctuary land. Proposed labour camps outside the Sanctuary area are to be dismantled after completion of the work;
13. The user agency shall provide fire wood preferably alternate fuel to labourers working at the site to avoid damage/tree felling;

ANNEXURE - 1

14. User agency shall ensure that the labourers, staff engaged in construction activity do not damage nearby forest flora and fauna;
15. The User Agency shall comply with the conditions stipulated by the Chief Wildlife Warden as per the recommendation of the Standing Committee of National Board for Wildlife (NBWL);
16. The layout plan of the proposal shall not be changed without prior approval of the Central Government;
17. The Protected land proposed for diversion shall under no circumstances be transferred or sublet to any other agency, department or person without prior approval of the Central Government;
18. Trees standing in the diverted area shall be felled strictly as per requirement with prior permission of the Wildlife Warden;
19. User agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to such project;
20. User Agency shall obtain all the necessary clearances like CRZ /Environmental clearances, as applicable to such project before commencement of the work;
21. The user agency shall submit the annual self compliance report in respect of the above conditions to the State Government and to the Regional Office, regularly;
22. The total forest area utilized for the project shall not exceed 1.11 ha and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal;
23. All other conditions proposed by the State Government at the time of submission of the proposal to the Government of India shall be complied with by the User Agency;
24. Any other condition that the Additional Principal Chief Conservator of Forests (Central), Regional Office, Chennai may impose from time to time for protection, improvement of flora and fauna in the protected area in public interest shall be complied by the user agency;

F.No.4-TNC003/2015-CHN/160

Dated 22.05.2015

To

The Principal Secretary to the Government of Tamil Nadu,
Environment & Forests Department,
Secretariat, Fort St. George,
Chennai - 600 009.

Subject: Diversion of 22.11 ha of forest land in Tamaraikuppam (7.71ha), Senjiagaram (7.18ha) & Palavakkam (7.22 ha) Reserved Forests of Tiruvallur Forest Division for formation of off take canal at 2200m of Kandalueru -Poondi Canal for formation of a new reservoir near Kannankottai & Thervai Kandigai villages in Gummidipoondi Taluk in Tiruvallur District in favour of Executive Engineer, PWD, Thervai Kandigai Reservoir Project Division , WRD, Chennai.

Sir,

Please refer to the State Government's letter Nos .6246/FR.10/2014-2/2014 dated 21.04.2015 seeking prior approval of the Central Government in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project.

After careful consideration of the proposal of the State Government, I am hereby directed to convey Central Government's in-principle (Stage-I) approval under Section '2' of Forest (Conservation) Act, 1980 for Diversion of 22.11 ha of forest land in Tamaraikuppam (7.71 ha), Senjiagaram (7.18 ha) & Palavakkam (7.22 ha) Reserved Forests of Tiruvallur Forest Division for formation of off take canal at 2200m of Kandalueru -Poondi Canal for formation of a new reservoir near Kannankottai & Thervai Kandigai villages in Gummidipoondi Taluk in Tiruvallur District in favour of Executive Engineer, PWD, Thervai Kandigai Reservoir Project Division , WRD, Chennai, subject to the following conditions:-

1. Legal status of the diverted forest land shall remain unchanged.
2. The demarcation of the proposed forest area shall be carried out by erecting 4 feet height cement concrete pillars duly numbered at an interval of 20 meters at the cost of User Agency before stage II approval.

17

3. The entire identified land over 44.22 ha for Compensatory Afforestation in three villages viz. Mambakkam of Tirutani taluk, Nedugal and Kakkalur of Pallipattu Taluk shall be transferred and mutated in favour of Forest Department before issue of stage-II approval.
4. The cost of raising Compensatory Afforestation (CA) over 44.22 ha of identified land shall be deposited by User Agency.
5. No labour camp shall be established on the forest land.
6. User agency shall provide firewood preferably alternate fuel to the labourers and the staff working at the site so as to avoid any damage and pressure on the adjacent forest areas.
7. The State Government shall charge the Net Present Value of the diverted forest land measuring 22.11 ha from User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos. 826 in 566 with related IA's in Writ Petition (Civil) No.202/1995.
8. Additional amount of Net Present Value (NPV) of the diverted forest land, if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from User Agency. User Agency shall furnish an undertaking to this effect.
9. The funds from User Agency towards Compensatory Afforestation and Net Present Value under the project shall be deposited either in SB A/c No. SB01025227-CAF Tamil Nadu, Corporation Bank, CGO Complex, Lodhi Road, New Delhi-110003 (RTGS/IFSC No. CORP0000371) or in SB A/c No. 344902010105 433- TAMIL NADU CAMPA, Union Bank of India, Sundar Nagar, New Delhi-110003 (RTGS/IFSC No.UBIN0534498). The details of deposition of funds including, *inter-alia* the DD Numbers & Date, Amount, the Bank on which drawn and the date of deposition in the designated Bank shall also be furnished.
10. Land for Compensatory Afforestation shall be notified by the State Government as RF/PF under Indian Forest Act, 1927 or the State Forest Act within six months of transfer to the forest department and Nodal Officer (FCA) shall report the compliance.
11. The UA will provide a crossover between 1000-1300 meter chainage across the canal to facilitate free movement of animals with a width of not less than 10 mts.

Near to this cross over, a water hole of minimum 50 mts diameter will be created by the user agency.

12. User Agency shall furnish an undertaking to the effect that it shall not object to the use of canal water by the Forest department for raising forest nursery and management of wildlife in the area.
13. The User Agency has to pay the cost towards annual lease rent as fixed by the State Forest Department, Tamil Nadu at the time of sanction along with any escalation cost for the forest land to be diverted for the above project in future.
14. On the left bank of the canal one row of avenue trees and on the right side, on the spoil bank, strip plantation will be under taken at the cost of User Agency.
15. Felling of trees of spontaneous origin or artificially grown shall not be carried out. User Agency shall furnish an undertaking to this effect.
16. The total forest area utilized for the project shall not exceed 22.11 ha and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal. User Agency shall furnish an undertaking to this effect.
17. User agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project
18. Any other conditions that the Central Government or Addl. PCCF(Central) of Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the user agency.

After receipt of the compliance report on above mentioned conditions, the proposal will be considered for final approval. Transfer of forest land to User Agency shall not be effected prior to the issue of final approval. This in-principle approval shall be valid for a period of 5 years. In the event of noncompliance of the above conditions, this in-principle approval shall automatically stand revoked after 5 years.

Yours faithfully,

(21)

No. A-TN2728/2010 DAF
Dated the 14th October, 2011

The Principal Secretary to the Government of Tamil Nadu,
Environment & Forests Department,
Secretariat Fort St. George,
Chennai - 600 009.

Subject: Diversion of 1.7775 ha. of forest land in Palavakkam RF, Gummidipoondi Range, Tiruvalluvar Division for forming approach road to SIPCOT Industrial Park in favour of Principal Secretary/CMD, SIPCOT, Chennai.

Sr,
Kindly refer to the State Government's letter No.12293/FR-10/2011 dated 20.07.2010 & PCCF letter No. TS3/30003/2010 dated 15.02.2011 seeking prior approval of the Central Government in accordance with Section 2 of Forest (Conservation) Act, 1980 for the above project. The above project was accorded in-principle approval (Stage-I) by the Central Government vide letter of even number dated 29th August, 2011. The PCCF, Tamil Nadu vide letter No TS3/30003/2010 dated 23.09.2011, 29.09.2011, 10.10.2011 and 14.10.2011 have reported compliance to the conditions stipulated in the in-principle approval.

After careful consideration of the proposal of the State Government, I am directed to convey Central Government's approval (Stage-II) under Section 2 of Forest (Conservation) Act, 1980 for diversion of 1.7775 ha. of forest land in Palavakkam RF, Gummidipoondi Range, Tiruvalluvar Division for forming approach road to SIPCOT Industrial Park in favour of Principal Secretary/CMD, SIPCOT, Chennai for a period of 20 years, subject to the following conditions:-

1. The legal status of forest land shall remain unchanged.
2. The area may be handed over to the user agency only after demarcation of the proposed forest area is completed by erecting cement concrete pillars duly numbered at an interval of 20 mts. at the cost of user agency.
3. The Compensatory Afforestation (CA) shall be raised over 3.555 ha. identified non-forest land in Sy No.33/2 in Theruvoy Kandigai village of Gummidipoondi Taluk, Tiruvallur District. The State Government shall obtain prior permission of Central Government for change of location and schedule of compensatory afforestation, if any.
4. Non forest land for compensatory afforestation shall be notified by the State Government as PFR/RF under Indian Forest Act 1927 or the State Forest Act and Nodal Officer (FOA) shall report the compliance within 6 months.
5. The additional amount of the Net Present Value (NFV) of the diverted forest land if any becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the user agency and deposited either in SB A/c No.5501025227- DAF Tamil Nadu, Corporation Bank, CGO Complex, Delhi.

ANNEXURE - 3

Road, New Delhi-110003 (RTGS/IFSC No. CORP0000377) or in SB A/c No. 314902010105 433- TAMIL NADU CAMPA, Union Bank of India, Sundar Nagar, New Delhi-110003 (RTGS/IFSC. No. UBIN0534490)

5. No felling of trees of spontaneous origin shall be carried out for execution of the project.
7. The user agency shall provide at least one underpass for facilitating movement of wild animals in the forest area.
8. The general public permitted by the DFO and all officials will have the right to use the road.
9. The gap planting and protection of the adjoining forest area shall be done at the cost of user agency.
10. The total forest area utilized for the project shall not exceed 1.7775 ha. In case the land is not taken over by the user agency or the same is not used for the stipulated purpose within a period of two years, then the said forest land shall stand reverted to the Forest Department.
11. Any other condition that the Chief Conservator of Forests (Central), Regional Office, Bangalore may impose from time to time for protection, improvement of flora and fauna in the forest area and public convenience, shall also be applicable.

Yours faithfully,

Shivakumar

No. 4 TNB/202/2010/ENV
Dated the 20th August, 2011

The Principal Secretary to the Government of Tamil Nadu,
Environment & Forests Department,
Secretariat, Fort St. George,
Chennai - 600 009.

Subject: Diversion of 1.836 ha. (Revised 1.7775 ha) of forest land in Palavakkam R.F.,
Gurumidipoondi Range, Tiruvalluvar Division for forming approach road to
SIPCOT Industrial Park in favour of Principal Secretary/CMD, SIPCOT, Chennai.

Kindly refer to the State Government's letter No 12293/FR-10/2010 dated 20.07.2010 &
PCCF letter No. TS3/30003/2010 dated 15.02.2011 seeking prior approval of the Central
Government in accordance with Section 2 of Forest (Conservation) Act, 1980 for the above
project. The State Government vide letter No 12293/FR-10/2010-4 dated 17.03.2011 has
submitted a revised proposal for diversion of 1.7775 ha. for the above road since the original
proposal involved felling of trees of spontaneous origin. As per the revised proposal, no felling
of trees of spontaneous origin is involved.

After careful consideration of the proposal of the State Government, I am directed to
convey Central Government's approval in-principle (Stage-I) under Section 2 of Forest
(Conservation) Act, 1980 for diversion of 1.7775 ha. of forest land in Palavakkam R.F.,
Gurumidipoondi Range, Tiruvalluvar Division for forming approach road to SIPCOT Industrial
Park in favour of Principal Secretary/CMD, SIPCOT, Chennai for a period of 20 years, subject
to the following conditions:

1. The legal status of forest land shall remain unchanged.
2. The demarcation of the proposed forest area shall be carried out by erecting cement
concrete pillars duly numbered at an interval of 20 meters at the cost of user agency.
3. The identified non-forest land to an extent of 3.555 ha. proposed for Compensatory
Afforestation shall be transferred and mutated in favour of State Forest Department.
4. The cost of raising Compensatory Afforestation over 3.555 ha. of identified non-forest
land shall be deposited by the user agency.
5. The State Government shall charge the Net Present Value of the diverted forest land
measuring 1.7775 ha. from the user agency as per the orders of the Hon'ble Supreme
Court dated 28.03.2008 and 09.05.2008 in IA Nos.826 in 566 with related IA's in Writ
Petition (Civil) No.202/1995.
6. Additional amount of the Net Present Value (NPV) of the diverted forest land if any,
becoming due after revision of the same by the Hon'ble Supreme Court of India in future,

(41)

shall be charged by the State Government from the user agency. The user agency shall furnish an undertaking to this effect.

7. The funds received from the user agency towards Compensatory Afforestation and Net Present Value under this project shall be deposited either in SB A/c No SB01025227-CAF Tamil Nadu, Corporation Bank, CGO Complex, Lodhi Road, New Delhi-110003 (RTGS/NFSC No.CORP0000371) or in SB A/c No. 344902010105 433- TAMIL NADU CAMPA, Union Bank of India, Sundar Nagar, New Delhi-110003 (RTGS/NFSC No.UBIN0534490). The details of deposition of funds including, *inter-alia* the DD Numbers & date, Amount, the Bank on which drawn and the date of transmission to/deposition in the designated Bank shall also be furnished.
8. The proposal shall be examined under the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act 2006 as per the guidelines issued by Ministry of Environment & Forests *vide* letter No.11-9/1998-FC (PI) dated 03.08.2009 and requisite certificate/documents be furnished.
9. No felling of trees of spontaneous origin shall be carried out for execution of the project. An undertaking to this effect shall be furnished by the user agency.
10. The user agency shall provide at least one underpass for facilitating movement of wild animals in the forest area. An undertaking to this effect shall be furnished by the user agency.

After receipt of the compliance report on conditions No.(2) to (10), the proposal will be considered for final approval. Transfer of forest land to the user agency shall not be effected prior to the issue of final approval. This in-principle approval shall be valid for a period of 5 years. In the event of non-compliance of the above conditions, this in-principle approval shall automatically stand revoked after 5 years.

Yours faithfully,

Shivakumar

Secretariat, Fort St. George, Chennai - 600 009.

Subject: Renewal of lease for diversion of 16.72 ha of forest land in Yellikaradu Bit 2 and Bit 2 additional in Palamalai Reserve Forest in Salem Forest Division for quarrying Black Granite in favour of Managing Director, Tamil Nadu Minerals Limited, TAMIN-rog

Sir,

Please refer to the State Government's letter No.11429/FR.10/2017-1 dated 18.07.2017 seeking prior approval of the Central Government for diversion of forest land in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project.

After careful consideration of the proposal of the State Government, I am hereby directed to convey the Central Government's approval (Stage-I) under Section '2' of Forest (Conservation) Act, 1980 for renewal of lease for diversion of 16.72 ha of forest land in Yellikaradu Bit 2 and Bit 2 additional in Palamalai Reserve Forest in Salem Forest Division for quarrying Black Granite in favour of Managing Director, Tamil Nadu Minerals Limited, TAMIN, subject to the following conditions:-

1. Legal status of the diverted forest land shall remain unchanged;
2. The demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters at the cost of User Agency. User Agency shall ensure demarcation of boundary of safety zone (7.5 meter strip all along the outer boundary within the mining lease area);
3. Map along with DGPS co-ordinates of the degraded forest land over an extent of 24.70 ha in Mallapuram extension, Shervarayan North Range wherein penal compensatory afforestation has been carried out under earlier approval shall be furnished along with the compliance report;

[Signature]

1

4. Non-forest land which is transferred and mutated in favour of the State Forest Department for the purpose of compensatory afforestation under earlier approval over an extent of 21.16 ha in Alamarattupatty Village, Mettur Range, Salem Forest Division and 3.54 ha in Chinna Kalrayan Tehrkundu Village, Kalrayan Range of Attur Forest Division, shall be declared as Reserved Forest under Section-4 or Protected Forest under Section-29 of the Indian Forest Act, 1927 or under the relevant Section(s) of the State Forest Act. Status report on the above matter shall be submitted along with the compliance report;
5. In case of mining leases adjoining the habitation stretch of the boundary of the safety zone of the lease adjacent to the habitation / roads should be properly fenced by the user agency at the project cost to protect the vegetation / regeneration activities in the safety zone;
6. Safety zone shall be maintained as green belt and to ensure dense canopy cover in the area, regeneration shall be taken up by the user agency at the project cost under the supervision of the State Forest Department;
7. Afforestation on degraded forest land, to be selected elsewhere, measuring one and half times the area under safety zone shall also be done by the user agency at the project cost under the supervision of State Forest Department and the DGPS co-ordinates of the area shall be submitted along with the compliance report;
8. The State Government shall charge the Net Present Value (NPV), if not realized earlier in lieu of forest land being diverted under this proposal from the user agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos.826 in 566 with related IA's in Writ Petition (Civil) No.202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007-FC dated 05.02.2009 in this regard;
9. Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from User Agency. User Agency shall furnish an undertaking to this effect;
10. The funds received from the User Agency under this project shall be deposited in the respective Corporation bank account of the Tamil Nadu State CAMPA. The User Agency shall compulsorily deposit the NPV and other levies, only by generating challan through the Ministry's website;

edf

- X
- YWS
11. User agency shall obtain Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986;
 12. Diversion of the said forest land under this approval shall be for a period co-terminus with the period of the mining lease proposed to be obtained under the Mines and Minerals (Development and Regulation) Act, 1957 as amended in MMDR Amendment Act, 2015. The user agency shall obtain mining lease from the concerned authority in the State and submit the same along with compliance report;
 13. The mining shall be done in the forest area in accordance with the approved mining plan from the competent authority and only after obtaining mining lease;
 14. The consent of State Pollution Control Board shall be obtained under the Air and Water Act before commencement of mining operations and it shall be renewed annually;
 15. The user agency shall implement the reclamation plan and complete the reclamation in time; The user agency during the last year of renewal period shall remove the dumped material from the forest area and reclaim the area as per the approved reclamation plan;
 16. User agency either them self or through the State Forest Department shall undertake gap planting and soil & moisture conservation activities to restock and rejuvenate the degraded open forest (having crown density less than 0.4), if any, located in the area within 100 meters from outer perimeter of the mining lease;
 17. No labour camps shall be established on the forest land. User agency shall provide firewood preferably alternate fuel to the labourers and the staff working at the site so as to avoid any damage and pressure on the adjacent forest areas;
 18. The layout plan of the proposal shall not be changed without the prior approval of the Central Government;
 19. The muck generated should be disposed at designated sites and not to be disposed on downhill side;
 20. The User Agency and the State Government shall ensure compliance to all the Acts, Rules, Regulations and Guidelines of the Ministry, for the time being in force, as applicable to such project;

~~SEA~~

21. The forest land shall not be used for any purpose other than that specified in the proposal and total forest area utilized for the project shall not exceed 16.72 ha (including safety zone area). User Agency shall furnish an undertaking to this effect;
22. The forest land proposed to be diverted shall under no circumstances be transferred or sublet to any other agency or Department or person without prior approval of the Central Government;
23. All other conditions proposed by the State Government at the time of submission of the proposal to the Central Government shall be complied with by the user agency.
24. The User Agency shall submit the annual self compliance report in respect of the above conditions to the Regional Office of the Ministry and to the State Government;
25. Any other condition that the Additional Principal Chief Conservator of Forests (Central), Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area shall be complied by the user agency;
26. In the event of failure to comply with any of the above conditions the user agency is liable for penal action as decided by the Additional PCCF (Central), Regional Office, Chennai;

After receipt of the compliance report on above mentioned conditions, the proposal will be considered for final approval. Transfer of forest land to User Agency shall not be effected prior to the issue of final approval. This in-principle approval shall be valid for a period of 5 years. In the event of non compliance of the above conditions, this in-principle approval shall automatically stand revoked after 5 years.

Yours faithfully,

F.No.4-TNC016/2017-CHN/1693
Dated 18th October, 2019

The Principal Secretary to the Government of Tamil Nadu,
Environment & Forests Department,
Secretariat, Fort St. George, Chennai - 600 009.

Subject: Renewal of lease for diversion of 16.72 ha of forest land in Yellikaradu Bit 2 and Bit 2 additional in Palamalai Reserved Forest in Salem Forest Division for quarrying Black Granite in favour of the Managing Director, Tamil Nadu Minerals Limited, TAMIN-reg

Sir,

Please refer to the State Government's letter No.11429/FR-10/2017-4 dated 18.07.2017 and online Proposal No FP/TN/MIN/18184/2016 seeking prior approval of the Government of India in accordance with Section 2 of Forest (Conservation) Act, 1980 for the above mentioned project. The project was accorded in principle approval (Stage-I) by the Central Government vide letter dated 01.02.2018. The State Government vide letter No. 11429/FR 10/2017-8 dated 10.09.2019 have reported compliance to the conditions stipulated in the in-principle approval.

After careful consideration of the proposal of the State Government, I am directed to convey Central Government's approval in-principle (Stage-II) under Section 2 of Forest (Conservation) Act, 1980 for renewal of lease for diversion of 16.72 ha of forest land in Yellikaradu Bit 2 and Bit 2 additional in Palamalai Reserved Forest in Salem Forest Division for quarrying Black Granite in favour of Managing Director, Tamil Nadu Minerals Limited, TAMIN, subject to the following conditions:-

1. Legal status of the diverted forest land shall remain unchanged.
2. Non-forest land which is transferred and mutated in favour of the State Forest Department for the purpose of compensatory afforestation under earlier approval of an extent of 21.6 ha in Alamarattupatti Village, Mettur Range, Salem Forest Division and 3.54 ha in Chinna Kalirani, Tehrkundu Village, Saltpan range of Attur Forest Division, shall be

declared as Reserved Forest under section-4 or Protected Forest under Section-29 of the Indian Forest Act, 1927 or under the relevant Section(s) of the State Forest Act;

3. In case of mining leases adjoining the habitation, the stretch of the boundary of the safety zone of the lease adjacent to the habitation/ roads should be properly fenced by the User Agency at the project cost to protect the vegetation / regeneration activities in the safety zone;
4. Safety zone shall be maintained as green belt and to ensure dense canopy cover in the area, regeneration shall be taken up by the State Forest Department from the amount which has already been realized from the User Agency;
5. Afforestation on degraded forest land, to be selected elsewhere, measuring one and half times the area under safety zone shall also be done by the User Agency at the project cost under the supervision of State Forest Department and the DGPS co-ordinates of the area shall be submitted to this office within three months from the date of issue of this order;
6. Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from User Agency;
7. The User Agency shall comply with all the specific and general conditions stipulated in the Environmental Clearance;
8. Diversion of the said forest land under this approval shall be for a period co-terminus with the period of the mining lease obtained under the Mines and Minerals (Development and Regulation) Act, 1957 as amended in MMDR Amendment Act, 2015 or rules framed thereunder.
9. The mining shall be done in the forest area in accordance with the approved mining plan only.
10. The consent of State Pollution Control Board shall be obtained under the Air and Water Act before commencement of mining operations and it shall be renewed annually;
11. The User Agency shall implement the reclamation plan and complete the reclamation in time; The User Agency during the last year of renewal

SCA

period shall remove the dumped material from the forest area and reclaim the area as per the approved reclamation plan;

12. The State Forest Department shall undertake gap planting and soil & moisture conservation activities to restock and rejuvenate the degraded open forest (having crown density less than 0.4), located in the area within 100 meters from the outer perimeter of the mining lease from the amount which has already been realized from the User Agency;
13. No labour camps shall be established on the forest land. User Agency shall provide firewood preferably alternate fuel to the labourers and the staff working at the site so as to avoid any damage and pressure on the adjacent forest areas; ✓
14. The layout plan of the proposal shall not be changed without the prior approval of the Central Government; ✓
15. The muck generated should be disposed at designated sites and not to be disposed on downhill side; ✓
16. The User Agency and the State Government shall ensure compliance to all the Acts, Rules, Regulations, Court Orders and Guidelines of the Ministry, for the time being in force, as applicable to such project; ✓
17. The forest land shall not be used for any purpose other than that specified in the proposal and total forest area utilized for the project shall not exceed 16.72 ha (including safety zone area). User Agency shall furnish an undertaking to this effect. ✓
18. The Forest land proposed to be diverted shall under no circumstances be transferred or sublet to any other agency or Department or person without the prior approval of the Central Government; ✓
19. The concerned Divisional Forest Officer, will monitor and take necessary mitigative measures to ensure that there is no adverse impact on the forest in the surrounding area.
20. All other conditions proposed by the State Government at the time of submission of the proposal to the Central Government shall be complied with the User Agency.
21. The User Agency shall submit an annual self compliance report in respect of the above conditions to the Regional Office of the Ministry and to the State Government; ✓
SCA

22. Any other condition that the DDG(Central), Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area shall be complied by the User Agency;
23. In the event of failure to comply with any of the above conditions, the User Agency is liable for penal action as decided by the DDG(Central), Regional Office, Chennai;

Yours faithfully,

(Dr.K.Ganesh Kumar)

F.No.4-TNB019/2018-CHN/0559

Date 18th April, 2018

To,

The Principal Secretary to the Government of Tamil Nadu,
Environment & Forests Department,
Secretariat, Fort St. George, Chennai - 600 009.

Subject: Diversion of 4.80 ha of forest land for upgradation of the road from Erumapalayam Panangadu to Jarugumalai Village in Jarugumalai RF of Salem Forest Division by BDO, Panamarathupatti, Salem-reg.

Sir,

Please refer to the State Government's letter No.3160/FR.10/2018-1 dated 26.02.2018 and online proposal No. FP/TN/ROAD/21074/2016 seeking prior approval of the Central Government for diversion of forest land in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project.

After careful consideration of the proposal of the State Government, I am directed to convey the Central Government's in principle approval (Stage-I) under Section '2' of Forest (Conservation) Act, 1980 for diversion of 4.80 ha of forest land for up-gradation of the road from Erumapalayam Panangadu to Jarugumalai Village in Jarugumalai RF of Salem Forest Division in favour of BDO, Panamarathupatti, Salem for a period of 25 years, subject to the following conditions:-

- (i) Legal status of the diverted forest land shall remain unchanged;
- (ii) The demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters at the cost of User Agency;
- (iii) The Compensatory Afforestation (CA) shall be raised and maintained by the State Forest Department over 9.6 ha of non forest land identified in Sy No 72/1 of Kuruchi Village in Valapady, Salem District/Taluk at the cost of the user agency. At least 1000 plants /ha shall be planted in the non-forest land identified for compensatory afforestation and in case, if the required numbers could not be planted therein, the balance shall be planted in the nearby degraded forest land identified by the State Forest Department at the cost of the user agency;

o/c

1

DESPATCHED (By SP)
Date 18/04/2018

- (iv) Non-forest land identified for compensatory afforestation shall be transferred and mutated in favour of the State Forest Department before issue of the Stage-II clearance;
- (v) Non-forest land which needs to be transferred and mutated in favour of the State Forest Department for the purpose of compensatory afforestation shall be declared as Reserved Forest under Section-4 or Protected Forest under Section-29 of the Indian Forest Act, 1927 or under the relevant Section(s) of the State Forest Act. The Nodal Officer must report compliance within a period of six months from the date of grant of final approval and send a copy of the original notification to this office for information and record;
- (vi) Identified CA land and approved CA scheme shall not be changed without the prior approval of the Central Government;
- (vii) The State Government shall charge the Net Present Value of the diverted forest land measuring 4.80 ha from the User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos.826 in 566 with related IA's in Writ Petition (Civil) No.202/1995;
- (viii) Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from User Agency. User Agency shall furnish an undertaking to this effect;
- (ix) The funds received from the User Agency towards Compensatory Afforestation and Net Present Value under this project shall be deposited in the Corporation bank account of the Tamil Nadu State CAMPA. The User Agency shall compulsorily deposit the NPV and other levies only by generating challan through the Ministry's website;
- (x) The layout plan of the proposal shall not be changed without the prior approval of the Central Government;
- (xi) Disturbance shall be kept minimum by creating labour camps outside the forest area as far as possible and it will be the responsibility of the user agency to ensure that the labourers & staff engaged in execution of work do not destruct nearby forest flora & fauna;
- (xii) The UA shall construct retaining walls and check walls wherever required by consulting the DFO concerned, at the project cost;

o/c

- (xiii) The construction of culverts/bridges, if any, over the natural streams/rivers/canals shall be done in such a manner that it does not hamper the natural course of water, does not give rise to water-logging, and also does not hamper movement of wild animals;
- (xiv) Bushes standing in the diverted area shall be felled / cleared strictly as per requirement with prior permission of the Divisional Forest Officer concerned and no tree felling shall be carried out in the diverted forest area;
- (xv) The user agency shall arrange to raise avenue plantation all along the roadside at the project cost with maintenance of 7-10 years;
- (xvi) Roadside cuttings and fillings which require engineering support shall be provided as per the instructions of the DFO concerned so as to stabilize the soil;
- (xvii) The dug out material / overburden shall be dumped outside the forest area. No storage of any material shall be done in the forest area proposed;
- (xviii) The total forest area utilized for the project shall not exceed 4.80 ha and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal. User Agency shall furnish an undertaking to this effect;
- (xix) The forest land proposed for diversion shall under no circumstances be transferred or sublet to any other agency, department or person without prior approval of the Central Government;
- (xx) User agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project;
- (xxi) Any other conditions that the Central Government or Addl. PCCF(Central) of Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the user agency;
- (xxii) The Progress of the Compensatory Afforestation as mentioned by the DFO, Salem Forest Division in SI No 14 of part II i.e 424.29 ha of forest land and 68.06 ha of non forest land shall be monitored by the Circle Head and a copy

olc

3

of such monitoring report shall be forwarded to the Regional Office to upload the same in the web portal;

(xxiii) In the event of failure to comply with any of the above conditions the user agency is liable for penal action as decided by the Additional PCCF (Central), Regional Office, Chennai.

After receipt of the compliance report on above mentioned conditions, the proposal will be considered for final approval. This in-principle approval shall be valid for a period of 5 years from the date of issue of this letter. In the event of non compliance of the above conditions, this in-principle approval shall automatically stand revoked after 5 years.

Yours faithfully,

(Dr. K. Ganesh Kumar)

The Principal Secretary to the Government of Tamil Nadu,
Environment & Forests Department,
Secretariat, Fort St. George, Chennai - 600 009.

22/11/2018
TS
Subject: Diversion of 4.80 ha of forest land for upgradation of the road from Erumapalayam Panangadu to Jarugumalai Village in Jarugumalai RF of Salem Forest Division by BDO, Panamarathupatti, Salem-reg.

Sir,

Please refer to the State Government's letter No.3160/FR.10/2018-1 dated 26.02.2018 and online proposal No. FP/TN/ROAD/21074/2016 seeking prior approval of the Central Government in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project. The project was accorded in-principle approval (Stage-I) by the Central Government vide letter dated 18.04.2018. The State Government vide letter No. 3160/FR.10/2018-8 dated 02.11.2018 has reported compliance to the conditions stipulated in the in-principle approval.

After careful consideration of the proposal of the State Government, I am directed to convey the Central Government's approval (Stage-II) under Section '2' of Forest (Conservation) Act, 1980 diversion of 4.80 ha of forest land for up-gradation of the road from Erumapalayam Panangadu to Jarugumalai Village in Jarugumalai RF of Salem Forest Division in favour of BDO, Panamarathupatti, Salem for a period of 25 years, subject to the following conditions:-

- (i) Legal status of the diverted forest land shall remain unchanged;
- (ii) The Compensatory Afforestation (CA) shall be raised and maintained by the State Forest Department over 9.6 ha of non forest land identified in Sy No 72/1 of Kuruchi Village in Valapady, Salem District/Taluk from the amount which has already been realized from the User Agency. At least 1000 plants /ha shall be planted in the non-forest land identified for compensatory afforestation and in case, if the required numbers could not be planted therein, the balance shall be planted in the nearby degraded forest land identified by the State Forest Department at the cost of the User Agency;

L. Le [Signature]

1

- (iii) Non-forest land which is claimed to be transferred and mutated in favour of the State Forest Department for the purpose of compensatory afforestation shall be declared as Reserved Forest under the relevant Section(s) of the State Forest Act. The Nodal Officer must report compliance within a period of six months from the date of grant of final approval and send a copy of the original notification to this office for information and record;
- (iv) Identified CA land and approved CA scheme shall not be changed without the prior approval of the Central Government;
- (v) Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from User Agency;
- (vi) The layout plan of the proposal shall not be changed without the prior approval of the Central Government;
- (vii) Disturbance shall be kept minimum by creating labour camps outside the forest area as far as possible and it will be the responsibility of the User Agency to ensure that the labourers & staff engaged in execution of work do not destruct nearby forest flora & fauna;
- (viii) The UA shall construct retaining walls and check walls wherever required by consulting the DFO concerned, at the project cost;
- (ix) The construction of culverts/bridges, if any, over the natural streams/rivers/canals shall be done in such a manner that it does not hamper the natural course of water, does not give rise to water-logging, and also does not hamper movement of wild animals;
- (x) Bushes standing in the diverted area shall be felled / cleared strictly as per requirement with prior permission of the Divisional Forest Officer concerned and no tree felling shall be carried out in the diverted forest area;
- (xi) The User Agency shall arrange to raise avenue plantation all along the roadside at the project cost with maintenance of 7-10 years;
- (xii) Roadside cuttings and fillings which require engineering support shall be provided as per the instructions of the DFO concerned so as to stabilize the soil;

L. de /

- 89
- (xiii) The dug out material / overburden shall be dumped outside the forest area. No storage of any material shall be done in the forest area proposed;
- (xiv) The total forest area utilized for the project shall not exceed 4.80 ha and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal;
- (xv) The forest land proposed for diversion shall under no circumstances be transferred or sublet to any other agency, department or person without prior approval of the Central Government;
- (xvi) User Agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project;
- (xvii) Any other conditions that the Central Government or Addl. PCCF(Central) of Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the User Agency;

5. From the Conservator of Forests (Central), Government of India, Ministry of Environment, Forests and Climate Change, Regional Office (South Eastern Zone), Chennai-34 Letter F.No.4-TNC995/2014-BAN/1173, dated 25.07.2018.

ORDER:

The Principal Chief Conservator of Forests in his letter first read above has furnished the proposal for diversion of 9.1904 ha. of forest land in Tally Reserve Forest of Jawalagiri Range, Hosur Division for laying of 765 KV S/C Power transmission line between Dharmapuri (Salem) - Madhugiri in favour of Chief Manager, Nagapattinam - Madhugiri Transmission Company Ltd, subsidiary of Power Grid Corporation of India Ltd., Bangalore under Forest (Conservation) Act, 1980.

2. The above said proposal has been forwarded to Government of India, Ministry of Environment and Forests in the Government letter second read above for obtaining their concurrence.

3. The Government of India, Ministry of Environment, Forests and Climate Change, Chennai in their letter third read above have accorded in-principle (Stage-I) approval under section 2 of Forest (Conservation) Act, 1980 for diversion of 9.1904 ha. of forest land in Tally Reserve Forest of Jawalagiri Range, Hosur Division for laying of 765 KV S/C Power transmission line between Dharmapuri (Salem) – Madhugiri in favour of Chief Manager, Nagapattinam – Madhugiri Transmission Company Ltd, subsidiary of Power Grid Corporation of India Ltd., Bangalore under Forest (Conservation) Act, 1980 for a period of 20 years, subject to certain conditions and requested to send the compliance report, satisfying all the conditions stipulated therein.

4. The Principal Chief Conservator of Forests in his letter fourth read above has directly furnished the compliance report to the Government of India, Ministry of Environment, Forests and Climate Change, Regional Office, South Eastern Zone, Chennai, under intimation to this Government.

5. The Government of India, Ministry of Environment, Forests and Climate Change, Regional Office (SEZ), Chennai in their letter fifth read above have accorded Central Government's approval (Stage-II) under Section 2 of Forest (Conservation) Act, 1980 for diversion of 9.1904 ha. of forest land in Tally Reserve Forest of Jawalagiri Range, Hosur Division for laying of 765 KV S/C Power transmission line between Dharmapuri (Salem) – Madhugiri in favour of Chief Manager, Nagapattinam – Madhugiri Transmission Company Ltd, subsidiary of Power Grid Corporation of India Ltd., Bangalore under Forest (Conservation) Act, 1980 for a period of 20 years, subject to the following conditions :-

- 1) The legal status of forest land shall remain unchanged.
- 2) The State Forest Department shall carry out demarcation of the proposed forest area by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters from the amount which has already been realized from the User Agency before execution of the work;
- 3) State Forest Department shall carry out Compensatory Afforestation (CA) and its maintenance over 20 ha. of degraded forest land identified in Jawalagiri Reserve Forest of Hosur Forest Division from the amount which has already been realized from the User Agency;
- 4) The approved CA land and CA scheme shall not be changed without prior permission of the Government of India;
- 5) Additional amount of Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the User Agency;

- 6) The State Forest Department shall carry out plantation of dwarf species preferably medicinal plants in the Right of Way under the transmission line from the amount which has already been realized from the User Agency;
- 7) The State Government / District Forest Officer concerned shall abide by the conditions imposed by the National Board of Wild Life and ensure that the mitigation measures suggested shall be complied with by the user agency and State Forest Department shall carry out mitigation measures for wildlife conservation from the amount which has already been realized from the user agency;
- 8) The height of the transmission line shall be raised by additional 6 meters compared to normal level;
- 9) The State Forest Department shall carry out translocation of the trees wherever feasible at the cost of User Agency;
- 10) The forest land proposed for diversion shall under no circumstances be transferred or sublet to any other agency, department or person without prior approval of the Central Government.
- 11) The layout plan of the proposal shall not be changed without the prior approval of the Central Government. User Agency shall furnish an undertaking to this effect;
- 12) The user agency shall provide fire wood preferably alternate fuel to labourers working at the site to avoid damage/tree felling;
- 13) User Agency shall ensure that the labourers, staff engaged in construction activity do not damage nearby forest flora and fauna;
- 14) User Agency shall bear the cost every year for special protection of the forest blocks through which the line is passing, as per the assessment of District Forest Officer, Hosur Forest Division.
- 15) Felling of trees other than 196 trees of spontaneous origin for which permission has been obtained for felling from the Hon'ble Supreme Court of India shall not be carried out;
- 16) The User Agency and the State Government shall ensure compliance to Ministry's guidelines F.No.7-25/2012-FC dated 5th May, 2014 and provisions of the all Acts, Rules, Regulation and Guidelines of the Ministry, for the time being in force, as applicable to the transmission line projects;
- 17) The total forest area utilized for the project shall not exceed 9.1904 ha. and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal;
- 18) The Progress of the Compensatory Afforestation as mentioned by the District Forest Officer, Hosur Division in Sl.No.12(v)(a) of part II (i.e.) 56.34 ha. of forest land shall be monitored by the Circle Head and a copy of such monitoring report shall be forwarded to the Regional Office;
- 19) Any other conditions that the Central Government or Additional Principal Chief Conservator of Forests (Central) of Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the user agency;

20) The user agency shall submit the annual self compliance report in respect of the above conditions to the State Government and to the Regional Office, regularly.

21) In the event of failure to comply with any of the above conditions, the user agency is liable for penal action as decided by the Additional Principal Chief Conservator of Forests (Central), Regional Office, Chennai.

6. The Government, after careful examination, grant permission to issue orders for diversion of 9.1904 ha. of forest land in Tally Reserve Forest of Jawalagiri Range, Hosur Division for laying of 765 KV S/C Power transmission line between Dharmapuri (Salem) – Madhugiri in favour of Chief Manager, Nagapattinam – Madhugiri Transmission Company Ltd, subsidiary of Power Grid Corporation of India Ltd., Bangalore under Forest (Conservation) Act, 1980 for a period of 20 years, subject to the conditions stipulated in the Stage-II approval accorded by the Government of India, Ministry of Environment, Forests and Climate Change.

7. The Principal Chief Conservator of Forests is requested to incorporate any other suitable conditions which are necessary for the above said diversion of forest land. The Principal Chief Conservator of Forests is also requested to take action accordingly and send a report to Government in due course.

Date 25 July, 2018

The Principal Secretary to the Government of Tamil Nadu,
Environment & Forests Department,
Secretariat, Fort St. George, Chennai - 600 009.

Subject: Diversion of 9.1904 ha of forest land in Thally Reserve Forest of Jawalagiri Range Hosur Division for laying of 765 KV S/C transmission line between Dharmapuri (Salem) Madhugiri in favour of Chief Manager, Nagapattinam - Madhugiri Transmission Company Ltd, subsidiary of Power Grid Corporation of India Ltd., Bangalore-reg

Sir,

Please refer to the State Government's letter No.25060/FR.10/2013-1 dated 20.12.2013 & PCCF, Tamil Nadu letters No. 37867/2013/TS3 dated 28.01.2015 & 27.02.2015 seeking prior approval of the Central Government in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project. The project was accorded in-principle approval (Stage-I) by the Central Government vide letter dated 23.08.2017. The PCCF of Tamil Nadu vide letter No. TS3/37867/2013 dated 17.07.2018 has reported compliance to the conditions stipulated in the in-principle approval.

After careful consideration of the proposal of the State Government, I am hereby directed to convey the Central Government's approval (Stage-II) under Section '2' of Forest (Conservation) Act, 1980 for diversion of 9.1904 ha of forest land in Thally Reserve Forest of Jawalagiri Range Hosur Division for laying of 765 KV S/C transmission line between Dharmapuri (Salem) Madhugiri in favour of Chief Manager, Nagapattinam - Madhugiri Transmission Company Ltd, subsidiary of Power Grid Corporation of India Ltd., Bangalore for a period of 20 years, subject to the following conditions:-

1. The legal status of forest land shall remain unchanged.
2. The State Forest Department shall carry out demarcation of the proposed forest area by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters from the amount which has already been realized from the user agency before execution of the work;

L. de J.

3. State Forest Department shall carry out Compensatory Afforestation (CA) and its maintenance over 20 ha. of degraded forest land identified in Jawalagiri Reserve Forest of Hosur Forest Division from the amount which has already been realized from the User Agency;
4. The approved CA land and CA scheme shall not be changed without prior permission of the Government of India;
5. Additional amount of Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the User Agency;
6. The State Forest Department shall carry out plantation of dwarf species preferably medicinal plants in the Right of Way under the transmission line from the amount which has already been realized from the User Agency;
7. The State Government / DFO concerned shall abide by the conditions imposed by the NBWL and ensure that the mitigation measures suggested shall be complied with by the user agency and State Forest Department shall carry out mitigation measures for wildlife conservation from the amount which has already been realized from the user agency;
8. The height of the transmission line shall be raised by additional 6 meters compared to normal level;
9. The State Forest Department shall carry out translocation of the trees wherever feasible at the cost of User Agency;
10. The forest land proposed for diversion shall under no circumstances be transferred or sublet to any other agency, department or person without prior approval of the Central Government;
11. The layout plan of the proposal shall not be changed without the prior approval of the Central Government. User Agency shall furnish an undertaking to this effect;
12. The user agency shall provide fire wood preferably alternate fuel to labourers working at the site to avoid damage/tree felling;
13. User agency shall ensure that the labourers, staff engaged in construction activity do not damage nearby forest flora and fauna;

Sir,

Please refer to the State Government's letter No.25060/FR.10/2013-1 dated 20.12.2013 & PCCF, Tamil Nadu letters No. 37867/2013/TS3 dated 28.01.2015 & 27.02.2015 seeking prior approval of the Central Government in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project.

As recommended by the Regional Empowered Committee (REC), I am hereby directed to convey the Central Government's in-principle approval (*Stage-I*) under Section '2' of Forest (Conservation) Act, 1980 for Diversion of 9.1904 ha of forest land in Thally Reserve Forest of Jawalagiri Range Hosur Division for laying of 765 KV S/C transmission line between Dharmapuri (Salem) Madhugiri in favour of Chief Manager, Nagapattinam - Madhugiri Transmission Company Ltd, subsidiary of Power Grid Corporation of India Ltd., Bangalore for a period of 20 years, subject to the following conditions:-

1. The legal status of forest land shall remain unchanged.
2. The demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters by the User Agency in consultation with the DFO concerned at the project cost before Stage II approval;
3. The cost of raising Compensatory Afforestation (CA) over 20 ha. of degraded forest land identified in Jawalagiri Reserve Forest of Hosur Forest Division shall be realized from the User Agency;

[Signature]

11933/
29/8/17

4. The CA scheme submitted shall be suitably modified and a revised site specific CA scheme incorporating 7 to 10 years of maintenance shall be prepared and submitted along with soil suitability certificate. The revised CA amount shall be deposited by the user agency into the designated CAMPA account.
5. The Forest Block map along with DGPS readings indicating the degraded forest land identified for Compensatory Afforestation shall be furnished along with the compliance report.
6. The State Government shall charge the Net Present Value of the diverted forest land measuring 9.1904 ha from User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos. 826 in 566 with related IA's in Writ Petition (Civil) No.202/1995;
7. Additional amount of Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the User Agency. User Agency shall furnish an undertaking to this effect;
8. The funds received from the User Agency towards Compensatory Afforestation and Net Present Value under this project including levies towards mitigation measures for wildlife conservation etc shall be deposited in the respective bank account of the Tamil Nadu State CAMPA. **The User Agency shall compulsorily deposit the CA and other levies only by generating challan through the Ministry's website;**
9. The State Forest Department shall carry out plantation of dwarf species preferably medicinal plants in the Right of Way under the transmission line at the cost of User Agency;
10. The State Government / DFO concerned shall abide by the conditions imposed by the NBWL and ensure that the mitigation measures suggested shall be complied with by the user agency.
11. The height of the transmission line shall be raised by additional 6 meters compared to normal level;
12. The State Forest Department shall carry out translocation of the trees wherever feasible at the cost of User Agency;
13. The forest land proposed for diversion shall under no circumstances be transferred / sub leased to any other agency, department or person without prior approval of the Central Government;

14. The layout plan of the proposal shall not be changed without the prior approval of the Central Government. User Agency shall furnish an undertaking to this effect;
15. The user agency shall provide fire wood preferably alternate fuel to labourers working at the site to avoid damage/tree felling;
16. User agency shall ensure that the labourers, staff engaged in construction activity do not damage nearby forest flora and fauna;
17. User Agency shall bear the cost every year for special protection of the forest blocks through which the line is passing, as per the assessment of DFO, Hosur Forest Division. User Agency shall furnish an undertaking to this effect;
18. Felling of trees other than 196 trees of spontaneous origin for which permission has been obtained for felling from the Hon'ble Supreme Court of India shall not be carried out. User Agency shall furnish an undertaking to this effect.
19. The User Agency and the State Government shall ensure compliance to Ministry's guidelines F.No 7-25/2012-FC dated 5th May, 2014 and provisions of the all Acts, Rules, Regulation and Guidelines of the Ministry, for the time being in force, as applicable to the transmission line projects.
20. The total forest area utilized for the project shall not exceed 9.1904 ha and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal. User Agency shall furnish an undertaking to this effect.
21. The Progress of the Compensatory Afforestation as mentioned by the DFO, Hosur Division in Sl No 12 (v) (a) of part II i.e 56.34 ha of forest land shall be monitored by the Circle Head and a copy of such monitoring report shall be forwarded to the Regional Office.
22. Any other conditions that the Central Government or Addl. PCCF(Central) of Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the user agency
23. The user agency shall submit the annual self compliance report in respect of the above conditions to the State Govt. and to the Regional Office, regularly.
24. In the event of failure to comply with any of the above conditions the user agency is liable for penal action as decided by the Additional PCCF (Central), Regional Office, Chennai.

After receipt of the compliance report on above mentioned conditions, the proposal will be considered for final approval. Transfer of forest land to User Agency shall not be effected prior to the issue of final approval. This in-principle approval shall be valid for a period of 5 years. In the event of non compliance of the above conditions, this in-principle approval shall automatically stand revoked after 5 years.

Yours faithfully,

(Dr.K. Ganesh Kumar)

No.4-TNB549/2008-BAN/5
Dated the 15th June, 2010

To

The Principal Secretary to the Government of Tamil Nadu,
Environment & Forests Department, Secretariat, Fort St. George,
Chennai - 600 009.

Subject: Diversion of 1.94 ha. (Revised 1.83 ha.) of forest land in Gopinari RF of
Nellimarathur Tribal Settlement for Pillur-II Dedicated Water Supply
Scheme in Coimbatore District, in favour of the Commissioner,
Coimbatore City Municipal Corporation, Coimbatore.

Sir,

Kindly refer to the State Government's letter No.20308/FR.10/2008-1 dated
15.10.2008 seeking prior approval of the Central Government in accordance with
Section '2' of Forest (Conservation) Act, 1980 for the above project. The above project
was accorded in-principle approval (Stage-I) by the Central Government vide letter of
even number dated 23rd July, 2009. The PCCF, Tamil Nadu's letter No.TS4/42837/2008
dated 29.01.2010 and No.TS3/42837/2008 dated 02.06.2010 has reported compliance
to the conditions stipulated in the in-principle approval. While forwarding the
compliance report, the PCCF, Tamil Nadu has reported that the user agency has
reduced their requirement of forest land as 1.83 ha., instead of 1.94 ha.

After careful consideration of the proposal of the State Government, I am
directed to convey Central Government's approval (Stage-II) under Section '2' of Forest
(Conservation) Act, 1980 for diversion of 1.83 ha. of forest land in Gopinari RF of
Nellimarathur Tribal Settlement for Pillur-II Dedicated Water Supply Scheme in
Coimbatore District, in favour of the Commissioner, Coimbatore City Municipal
Corporation, Coimbatore, for a period of 20 years, subject to the following conditions:-

1. The legal status of the forest land shall remain unchanged.
2. The demarcation of the proposed forest area shall be carried out by erecting
cement concrete pillars duly numbered at an interval of 20 meters at the cost of
user agency.
3. The compensatory afforestation shall be raised over 3.66 ha. identified non-forest
land in S.F No.499/2 of Thenkarai village. The State Government shall obtain
prior permission of Central Government for change of location and schedule of
compensatory afforestation site, if any.

4. Non forest land for compensatory afforestation shall be notified by the State Government as PF/RF under Indian Forest Act, 1927 or the State Forest Act and Nodal Officer (FCA) shall report the compliance within 6 months.
5. The additional amount of the Net Present Value of the diverted forest land if any becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the user agency and the same shall be transferred to Ad-hoc CAMPA in account number CA-1579 of Corporation Bank, Block-II, CGO Complex, Phase-1, Lodhi Road, New Delhi-110 003.
6. The rehabilitation and resettlement plan shall be implemented at the cost of user agency.
7. Felling of trees of spontaneous origin shall not be carried out.
8. The total forest area utilized for the project shall not exceed 1.83 ha. In case the land is not taken over by the user agency or the same is not used for the stipulated purpose within a period of two years, then the area shall be taken back by the Forest Department.

Yours faithfully,

Abstract

Forests - Forest (Conservation) Act 1980 - Coimbatore District - Diversion of 1.83 ha. of forest land in Gopinari Reserve Forest of Nellimarathur Tribal Settlement to Coimbatore city Municipal Corporation, Coimbatore - Proposal under section 2 of Forest (Conservation) Act, 1980 - Orders - Issued.

Environment and Forests (FR.10) Department.

G.O.Ms.No.88

Dated : 30.6.2010

Read :

1. From the Principal Chief Conservator of Forests, Letter No. TS3/42837/2008, dated 29.8.2008.
2. Government Letter No.20308/FR.10/2008-1, Dated 15.10.2008.
3. From the Government of India, Ministry of Environment and Forests, Letter No.4 - TNB 549/2008-BAN/5221 dated.23.7.2009.
4. Principal Chief Conservator of Forests Letter No.TS3/4283708, dated.02.06.2010.
5. From the Government of India, Ministry of Environment and Forests, Letter No.4-TNB 549/2008-BAN/7308 dated.15.6.2010.

ORDER:

The Principal Chief Conservator of Forests in his letter first read above has furnished the proposal for diversion of 1.94 ha of forest land in Gopinari Reserve Forest of Nellimarathur Tribal Settlement of Coimbatore District, in favour of the Commissioner, Coimbatore City Municipal Corporation, under section 2 of Forest (Conservation) Act, 1980.

2. The above said proposal was forwarded to the Government of India, Ministry of Environment and Forests. in the Government letter second read above.

3. The Government of India Ministry of Environment and Forests, Bangalore, in their letter third read above have conveyed their approval in principle (Stage-I) to the above said proposal, subject to certain conditions.

4. The Principal Chief Conservator of Forests in his letter fourth read above has furnished the compliance report stating that the Commissioner of Coimbatore Corporation has limited his requirement of 1.83 ha. instead of 1.94 ha. among other things fulfilling all other conditions stipulated by the Government of India, Ministry of Environment and Forests.

5. The Government of India, Ministry of Environment and Forests, Bangalore in their letter fifth read above have accorded stage II approval to the above proposal, subject to the following conditions:-

1. The legal status of the forest land shall remain unchanged.
2. The demarcation of the proposed forest area shall be carried out by erecting cement concrete pillars duly numbered at an interval of 20 metres at the cost of user agency.
3. The compensatory afforestation shall be raised over 3.66 ha. identified non-forest land in S.F.No.499/2 of Thenkarai village. The State Government shall obtain prior permission of Central Government for change of location and schedule of compensatory afforestation site, if any.
4. Non forest land for compensatory afforestation shall be notified by the State Government as PF/RF under Indian Forest Act, 1927 or the State Forest Act and Nodal Officer (FCA) shall report the compliance within 6 months.
5. The additional amount of the Net Present Value of the diverted forest land if any becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the user agency and the same shall be transferred to Ad-hoc CAMPA in account number CA-1579 of Corporation Bank, Block-II, CGO Complex, Phase-1, Lodhi Road, New Delhi 110 003.
6. The rehabilitation and resettlement plan shall be implemented at the cost of user agency.
7. Felling of trees of spontaneous origin shall not be carried out.
8. The total forest area utilized for the project shall not exceed 1.83 ha. In case the land is not taken over by the user agency or the same is not used for the stipulated purpose within a period of two years, then the area shall be taken back by the Forest Department.

6. The Government, after careful examination accord approval for diversion of 1.83 ha of forest land in Gopinari Reserve Forest of Nellimarathur Tribal Settlement of Coimbatore District, in favour of the Commissioner, Coimbatore City Municipal Corporation, subject to the conditions stipulated by the Government of India, Ministry of Environment and Forests at para 5 above.

7. The Principal Chief Conservator of Forests is requested to incorporate any other suitable conditions which are necessary for the above said diversion of forest land. The Principal Chief Conservator of Forests is also requested to take action accordingly and send a report to Government in due course.

Subject: Diversion of 1.65 ha of forest land in Agaram Reserve Forests of Villupuram Forest Division for erection of 110 KV DC line on DC tower by making LILo on Acharapakkam-Murukkeri 110 KV feeder at proposed Marakkanam 110/33 KV Substation in Villupuram District in favour of TANGEDCO-reg

Sir,

Please refer to the State Government's letter No. 21507/FR.10/2019-3 dated 07.04.2020 and online application No. FP/TN/TRANS/36296/2018 seeking prior approval of the Central Government for diversion of forest land in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project.

After careful consideration of the proposal of the State Government, I am directed to convey the Central Government's in-principle approval (**Stage-I**) under Section '2' of Forest (Conservation) Act, 1980 for diversion of 1.65 ha of forest land in Agaram Reserve Forests of Villupuram Forest Division for erection of 110 KV DC line on DC tower by making LILo on Acharapakkam-Murukkeri 110 KV feeder at proposed Marakkanam 110/33 KV Substation in Villupuram District in favour of TANGEDCO, for a period of 30 years, subject to the following conditions:-

1. The legal status of forest land shall remain unchanged;
2. Demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters by the User Agency in consultation with the DFO concerned at the project cost before the Stage II approval;
3. The State Forest Department shall carryout Compensatory Afforestation (CA) and its maintenance over 3.50 ha of degraded forest area identified in Thagarai RF of Kallakuruchi Range, Villupuram Forest Division at the cost of the User Agency;

1

ole

L. S. S.

DESPATCHED (By S)
Date 27/05/2020

387

4. The degraded forest land identified for CA shall not be changed without the prior approval of the Central Government;
5. The State Government shall charge the Net Present Value of the diverted forest land measuring 1.65 ha from User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos. 826 in 566 with related IA's in Writ Petition (Civil) No.202/1995;
6. Additional amount of Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the User Agency. The User Agency shall furnish an undertaking to this effect;
7. All the funds received from the User Agency under the project shall be transferred/ deposited to CAMPA fund only through e-portal(<https://parivesh.nic.in/>);
8. The User Agency shall restrict the felling of trees to the minimum in the diverted width of 22 meters of the forest land and the trees shall be felled under the strict supervision of the State Forest Department and the cost of felling of trees shall be deposited by the User Agency with the State Forest Department;
9. The User Agency in consultation with the State Forest Department shall prepare and execute a detailed scheme for creation and maintenance of plantation of dwarf species (preferably medicinal plants) in the right of way under the transmission line in consultation with the State Forest Department;
10. The User Agency at its cost shall provide bird deflectors, which are to be fixed on the upper conductor of the transmission line at suitable intervals to avoid bird hits;
11. The User Agency shall comply with the guidelines issued by the Ministry for laying transmission lines through forest areas;
12. The layout plan of the proposal shall not be changed without prior approval of the Central Government;
13. Sufficient firewood, preferably the alternate fuel, shall be provided by the User Agency to the labourer after purchasing the same from the State Forest Department or the Forest Development Corporation or any other legal source of alternate fuel. No labour camp shall be established on the forest land;

14. No additional or new path will be constructed inside the forest area for the transportation of construction materials for execution of the project work;
15. The forest land shall not be used for any purpose other than that specified in the project proposal;
16. The compliance report shall be uploaded on *e-portal* (<https://parivesh.nic.in/>);
17. The forest land proposed for diversion shall under no circumstances be transferred / sublet to any other agency, department or person without prior approval of the Central Government;
18. Disturbance shall be kept minimal by creating labour camps outside the forest area as far as possible and it will be the responsibility of the User Agency to ensure that the labourers & staff engaged in execution of work do not destruct nearby forest flora & fauna;
19. RoFR certificate in the Ministry's prescribed format may be submitted along with the compliance report;
20. The trees on strips would have to be felled but after stringing work is completed, natural regeneration will be allowed to come up. Future pollarding / pruning of trees will be done with the permission of the local forest officer wherever necessary for the maintenance of the transmission lines;
21. During construction of transmission line, pollarding / pruning of trees located outside the 22 meters width of the strips whose branches / parts infringe with conductor stringing, shall be permitted to the extent necessary, as may be decided by the local forest officer;
22. All efforts shall be taken to minimize the felling of trees and the State Forest Department shall carry out translocation of the trees wherever feasible at the cost of the User Agency;
23. The total forest area utilized for the project shall not exceed 1.65 ha and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal. The User Agency shall furnish an undertaking to this effect;
24. Any other conditions that the Central Government or DDG(Central) of Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the User Agency;

25. In the event of failure to comply with any of the above conditions the User Agency is liable for penal action as per the Ministry's guideline.

After receipt of the compliance report on above mentioned conditions, the proposal will be considered for final approval. This in-principle approval shall be valid for a period of 5 years from the date of issue of this letter. In the event of non-compliance of the above conditions, this in-principle approval may be revoked as per the rules.

F.No.4-TNB058/2020-CHN/200

Date of December, 2020

To

The Additional Chief Secretary to the Government of Tamil Nadu,
Environment & Forests Department,
Secretariat, Fort St. George, Chennai - 600 009.

Sir,

Subject: Diversion of 1.65 ha of forest land in Agaram Reserve Forests of Villupuram Forest Division for erection of 110 KV DC line on DC tower by making LILO on Acharapakkam-Murukkeri 110 KV feeder at proposed Marakkanam 110/33 KV Substation in Villupuram District in favour of TANGEDCO-reg

Please refer to the State Government's letter No.21507/FR.10/2019-3 dated 07.04.2020 and online application No.FP/TN/TRANS/36296/2018 seeking prior approval of the Government of India in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project. The project was accorded in-principle approval (Stage-I) by the Central Government vide letter dated 27.05.2020. The State Government vide letter No. 21507/For.10/2019-6 dated 21.11.2020 have reported compliance to the conditions stipulated in the in-principle approval.

After careful consideration of the proposal of the State Government, I am to convey the Central Government's approval (Stage-II) under Section '2' of Forest (Conservation) Act, 1980 for diversion of 1.65 ha of forest land in Agaram Reserve Forests of Villupuram Forest Division for erection of 110 KV DC line on DC tower by making LILO on Acharapakkam-Murukkeri 110 KV feeder at proposed Marakkanam 110/33 KV Substation in Villupuram District in favour of TANGEDCO, for a period of 30 years, subject to the following conditions:-

1. The legal status of forest land shall remain unchanged;

olc

File No.4-TNB058/2020-CHN

2. Demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters by the User Agency before commencement of the project work or User Agency shall deposit the cost to be incurred for demarcation with the DFO Concerned;
3. The State Forest Department shall carryout Compensatory Afforestation (CA) and its maintenance over 3.50 ha of degraded forest area identified in Thagarai RF of Kallakuruchi Range, Villupuram Forest Division from the amount which was already realized from the User Agency; As far as possible, a mixture of local indigenous species shall be planted and monoculture of any species may be avoided.
4. The degraded forest land identified for CA shall not be changed without the prior approval of the Central Government;
5. Additional amount of Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the User Agency;
6. The User Agency shall restrict the felling of trees to the minimum in the diverted width of 22 meters of the forest land and the trees shall be felled under the strict supervision of the State Forest Department at the project cost;
7. The User Agency in consultation with the State Forest Department shall prepare and execute a detailed scheme for creation and maintenance of plantation of dwarf species (preferably medicinal plants) in the right of way under the transmission line;
8. The User Agency at its cost shall provide bird deflectors, which are to be fixed on the upper conductor of the transmission line at suitable intervals to avoid bird hits;
9. The User Agency shall comply with the guidelines issued by the Ministry for laying transmission lines through forest areas;
10. The layout plan of the proposal shall not be changed without prior approval of the Central Government;

ole²

11. No labour camp shall be established on the forest land; Disturbance shall be kept minimal by creating labour camps outside the forest area as far as possible and it will be the responsibility of the User Agency to ensure that the labourers & staff engaged in execution of work do not destruct nearby forest flora & fauna;
12. Sufficient firewood, preferably the alternate fuel, shall be provided by the User Agency to the labourer after purchasing the same from the State Forest Department or the Forest Development Corporation or any other legal source of alternate fuel.
13. No additional or new path will be constructed inside the forest area for the transportation of construction materials for execution of the project work;
14. The forest land shall not be used for any purpose other than that specified in the project proposal;
15. The forest land proposed for diversion shall under no circumstances be transferred / sublet to any other agency, department or person without prior approval of the Central Government;
16. The period of diversion under this approval shall be co-terminus with the period of lease to be granted in favour of the user agency or the project life, whichever is less.
17. The trees on strips would have to be felled but after stringing work is completed, natural regeneration will be allowed to come up. Future pollarding / pruning of trees will be done with the permission of the local forest officer wherever necessary for the maintenance of the transmission lines;
18. During construction of transmission line, pollarding / pruning of trees located outside the 22 meters width of the strips whose branches / parts infringe with conductor stringing, shall be permitted to the extent necessary, as may be decided by the local forest officer;
19. All efforts shall be taken to minimize the felling of trees and the State Forest Department shall carry out translocation of the trees wherever feasible at the cost of the User Agency;

File No.4-TNB058/2020-CHN

20. The total forest area utilized for the project shall not exceed 1.65 ha and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal;
21. The User Agency and the State Government shall ensure compliance of all the Court orders, provisions, rules, regulations and guidelines for the time being in force as applicable to the project.
22. Any other conditions that the Central Government or Regional Officer(Central) of Integrated Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the User Agency;
23. In the event of failure to comply with any of the above conditions the User Agency is liable for penal action as per the Ministry's guideline.

Yours faithfully,

The Principal Secretary to the Government of Tamil Nadu,
Environment & Forests Department,
Secretariat, Fort St. George, Chennai - 600 009.

Subject: Diversion of 5.382 ha of forest land in Vellore Forest Division for construction of 400 KV D/C Pugalur Thiruvalem Transmission line in favour of Deputy General Manager, Power Grid Corporation of India Limited, Thiruvalem, Vellore District -reg

Sir,

Please refer to the State Government's letter No. 4537/FR.10/2019-2 dated 20.06.2019 and online application No. FP/TN/TRANS/32353/2018 seeking prior approval of the Central Government for diversion of forest land in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project.

As recommended by the Regional Empowered Committee (REC) and after careful consideration of the proposal of the State Government, I am directed to convey the Central Government's in-principle approval (*Stage-I*) under Section '2' of Forest (Conservation) Act, 1980 for diversion of 5.382 ha of forest land in Vellore Forest Division for construction of 400 KV D/C Pugalur Thiruvalem Transmission line in favour of Deputy General Manager, Power Grid Corporation of India Limited, Thiruvalem, Vellore District, Tamil Nadu, subject to the following conditions:-

1. The legal status of forest land shall remain unchanged;
2. Demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters by the User Agency in consultation with the DFO concerned at the project cost before the Stage II approval;
3. The State Forest Department shall carry out Compensatory Afforestation (CA) and its maintenance over 10.74 ha of degraded forest area identified in Ammoor RF in Arcot Range of Vellore Forest Division at the cost of the User Agency;

ecf

*w/c*¹

DESPATCHED (BY SP)
Date 02/12/19 *RST*

4. The degraded forest land identified for CA and the CA scheme shall not be changed without the prior approval of the Central Government;
5. The cost of compensatory afforestation at the prevailing wage rates as per compensatory afforestation scheme and the cost of survey, demarcation and erection of permanent pillars, if required in the CA land, shall be deposited in advance with the Forest Department by the project authority. The CA will be maintained for 10 years.
6. The State Government shall charge the Net Present Value of the diverted forest land measuring 5.382 ha from User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos. 826 in 566 with related IA's in Writ Petition (Civil) No.202/1995;
7. Additional amount of Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the User Agency. The User Agency shall furnish an undertaking to this effect;
8. All the funds received from the User Agency under the project shall be transferred/ deposited to CAMPA fund only through e-portal (<https://parivesh.nic.in/>);
9. The User Agency shall restrict the felling of trees to the minimum in the diverted area and the trees shall be felled under the strict supervision of the State Forest Department and the cost of felling of trees shall be deposited by the User Agency with the State Forest Department;
10. The User Agency in consultation with the State Forest Department shall prepare a detailed scheme for creation and maintenance of plantation of dwarf species (preferably medicinal plants) in the right of way under the transmission line at its cost;
11. The User Agency at its cost shall provide bird deflectors, which are to be fixed on the upper conductor of the transmission line at suitable intervals to avoid bird hits;
12. The User Agency shall comply with the guidelines issued by the Ministry for laying of transmission lines through forest areas;
13. The layout plan of the proposal shall not be changed without prior approval of the Central Government;

14. Sufficient firewood, preferably alternate fuel, shall be provided by the User Agency to the labourer after purchasing the same from the State Forest Department or the Forest Development Corporation or any other legal source of alternate fuel;
15. No additional or new path will be constructed inside the forest area for the transportation of construction materials for execution of the project work;
16. The compliance report shall be uploaded on *e-portal* (<https://parivesh.nic.in/>);
17. The forest land proposed for diversion shall under no circumstances be transferred / sublet to any other agency, department or person without prior approval of the Central Government;
18. The State Government / User Agency shall obtain the necessary permission from the Hon'ble Supreme Court of India for felling of trees of spontaneous growth falling in the proposed forest area before the final approval;
19. The User Agency shall comply with all the conditions and mitigative measures to be proposed by the CEC, if any, towards removal of naturally grown trees;
20. Disturbance shall be kept minimal by creating labour camps outside the forest area as far as possible and it will be the responsibility of the User Agency to ensure that the labourers & staff engaged in execution of work do not destruct nearby forest flora & fauna;
21. The trees on strips would have to be felled but after stringing work is completed, natural regeneration will be allowed to come up. Future pollarding / pruning of trees will be done with the permission of the local forest officer wherever necessary for the maintenance of the transmission lines;
22. During construction of transmission line, pollarding / pruning of trees located outside the above width of the strips whose branches / parts infringe with conductor stringing, shall be permitted to the extent necessary, as may be decided by the local Forest Officer;
23. In case the portion of the transmission line to be constructed is located in hilly areas, where adequate clearance is already available, trees shall not be cut;

[Handwritten signature]

o/c 3

24. The approval under FCA,1980 is subject to the clearance under all other Acts, Rules, Guidelines, Regulations and Court Orders applicable to such project;
25. All efforts shall be taken to minimize the felling of trees and the State Forest Department shall carry out translocation of the trees wherever feasible at the cost of the User Agency;
26. The total forest area utilized for the project shall not exceed 5.382 ha and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal. The User Agency shall furnish an undertaking to this effect;
27. Any other conditions that the Central Government or DDG(Central) of Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the User Agency;
28. In the event of failure to comply with any of the above conditions the User Agency is liable for penal action as decided by the DDG (Central), Regional Office, Chennai.

After receipt of the compliance report on above mentioned conditions, the proposal will be considered for final approval. This in-principle approval shall be valid for a period of 5 years from the date of issue of this letter. In the event of non-compliance of the above conditions, this in-principle approval may be revoked as per the rules.

Yours faithfully,

F.No. 4-TNC050/2019-CHN /
Date April, 2020

To

The Principal Secretary to the Government of Tamil Nadu,
Environment & Forests Department,
Secretariat, Fort St. George, Chennai - 600 009

Subject: Diversion of 10.12 Ha Of Forest Land in Wenlock down Reserved Forests for Establishment of Government Medical College, Udagamandalam, Nilgiris District in forest area allotted to Hindustan Photo Films Limited in Favour of Joint Director of Health Services, Government Head Quarters Hospital Campus, Jail Hill Road, Ooty, the Nilgiris District-reg

Sir,

Please refer to the State Government's letter No. No.21488/FR.10/2019-1 dated 17.12.2019, 27.02.2020, 18.03.2020 and 13.04.2020 and online application No. FP/TN/Others/42494/2019 seeking prior approval of the Central Government for diversion of forest land in accordance with Section'2' of Forest (Conservation) Act, 1980 for the above mentioned project.

As recommended by the Regional Empowered Committee (REC) and after careful consideration of the proposal of the State Government, I am directed to convey the Central Government's in-principle approval (*Stage-I*) under Section'2' of Forest (Conservation) Act, 1980 for diversion of 10.12 ha Of Forest Land in Wenlock down Reserved Forests for Establishment of Government Medical College, Udagamandalam, Nilgiris District in forest area allotted to Hindustan Photo Films Limited in Favour of Joint Director of Health Services, Government Head Quarters Hospital Campus, Jail Hill Road, Ooty, the Nilgiris District, subject to the following conditions:-

1. The legal status of forest land shall remain unchanged;

1

[Handwritten signature]

o/c

2. The User Agency shall demarcate the forest area diverted by constructing wall and DGPS co-ordinates shall be marked at 20 meters interval;
3. The State Forest Department shall carryout Compensatory Afforestation (CA) and its maintenance over 20.24 ha of non forest area in S.No.72/6 of kuruchi village in Valapady Taluk of Salem District, at the cost of the User Agency;
4. The User Agency shall transfer and mutate entire non forest area identified for compensatory afforestation in favour of Forest Department and shall be declared as Reserved Forest under Section 4 or Protected Forest under Section-29 of Indian Forest Act, 1927 or under the relevant section(s) of the State Forest Act before Stage II approval and send a copy of the original Notification to this office along with the compliance report for information and record;
5. The non forest land identified for CA and CA scheme shall not be changed without the prior approval of the Central Government;
6. The cost of compensatory afforestation as per the CA scheme and cost of survey, demarcation and erection of permanent pillars if required on the CA land shall be deposited in advance with the Forest Department by the project authority. The CA will be maintained for 10 years;
7. The State Government shall charge the Net Present Value of the diverted forest land measuring 10.12 ha from User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos. 826 in 566 with related IA's in Writ Petition (Civil) No.202/1995;
8. Additional amount of Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the User Agency. The User Agency shall furnish an undertaking to this effect;
9. All the funds received from the User Agency under the project shall be transferred/ deposited to CAMPA fund only through e-portal (<https://parivesh.nic.in/>)

10. In case of any disputes arises on land considered for diversion/ structures claimed to be built by Hindustan Photo Films Limited which are existing within the forest area proposed for diversion, the State Government shall take full responsibility and resolve the same appropriately;
11. No medical waste shall be disposed in and around forest area;
12. No residential constructions shall be built in the diverted forest and existing quarters shall not be utilized for residential purpose;
13. The component wise break up to be uploaded in the exclusive table provided in the part I of the online application;
14. No tree of spontaneous growth shall be felled. The User Agency and Nodal Officer (FCA), Tamil Nadu, to ensure minimum tree felling and also to obtain prior approval of Hill Area Conservation Authority / or other local rules and regulation related to tree felling, if required. Felling of tree with >60cm girth may be avoided wherever possible and may carryout translocation of trees wherever feasible. Whenever trees of girth more than 90cm are felled the same may be used for construction purposes;
15. The layout plan of the proposal shall not be changed without prior approval of the Central Government;
16. Sufficient firewood, preferably the alternate fuel, shall be provided by the User Agency to the labourers after purchasing the same from the State Forest Department or the Forest Development Corporation or any other legal source of alternate fuel. No labour camp shall be established on the forest land;
17. No additional or new path will be constructed inside the forest area for the transportation of construction materials for execution of the project work;
18. The compliance report shall be uploaded on *e-portal* (<https://parivesh.nic.in/>);
19. The forest land proposed for diversion shall under no circumstances be transferred / sublet to any other agency, department or person without prior approval of the Central Government;

3

L. de 

ole

20. Disturbance shall be kept minimal by creating labour camps outside the forest area as far as possible and it will be the responsibility of the User Agency to ensure that the labourers & staff engaged in execution of work do not destruct nearby forest flora & fauna;
21. The total forest area utilized for the project shall not exceed 10.12 ha and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal. The User Agency shall furnish an undertaking to this effect;
22. The approval under FCA,1980 is subject to the clearance under all other Acts, Rules, Guidelines, Regulations and Court Orders applicable to such project;
23. Annual self compliance report on conditions imposed in this order, shall be submitted by the User Agency to the State Government and the Regional Office, MoEF&CC Chennai.
24. Any other conditions that the Central Government or DDG(Central) of Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the User Agency;
25. In the event of failure to comply with any of the above conditions the User Agency is liable for penal action provision made under FCA, 1980 and guidelines made thereunder.

After receipt of the compliance report on above mentioned conditions, the proposal will be considered for final approval. This in-principle approval shall be valid for a period of 5 years from the date of issue of this letter. In the event of non-compliance of the above conditions, this in-principle approval may be revoked as per rules.

Yours faithfully,

(L.Chandrasekar)

F.No 4-TNC016/2017-CHN/0180
Date 01st February, 2018

To,

The Principal Secretary to the Government of Tamil Nadu,
Environment & Forests Department,
Secretariat, Fort St. George, Chennai - 600 009.

Subject: Renewal of lease for diversion of 16.72 ha of forest land in Yellikaradu Bit 2 and Bit 2 additional in Palamalai Reserve Forest in Salem Forest Division for quarrying Black Granite in favour of Managing Director, Tamil Nadu Minerals Limited, TAMIN-reg

Sir,

Please refer to the State Government's letter No.11429/FR.10/2017-1 dated 18.07.2017 seeking prior approval of the Central Government for diversion of forest land in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project.

After careful consideration of the proposal of the State Government, I am hereby directed to convey the Central Government's approval (**Stage-I**) under Section '2' of Forest (Conservation) Act, 1980 for renewal of lease for diversion of 16.72 ha of forest land in Yellikaradu Bit 2 and Bit 2 additional in Palamalai Reserve Forest in Salem Forest Division for quarrying Black Granite in favour of Managing Director, Tamil Nadu Minerals Limited, TAMIN, subject to the following conditions:-

1. Legal status of the diverted forest land shall remain unchanged;
2. The demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters at the cost of User Agency. User Agency shall ensure demarcation of boundary of safety zone (7.5 meter strip all along the outer boundary within the mining lease area);
3. Map along with DGPS co-ordinates of the degraded forest land over an extent of 24.70 ha in Mallapuram extension, Shervarayan North Range wherein penal compensatory afforestation has been carried out under earlier approval shall be furnished along with the compliance report;

[Handwritten signature]

1

O/c

DESPATCHED (By sp)
Date 01/02/18 RST

423

4. Non-forest land which is transferred and mutated in favour of the State Forest Department for the purpose of compensatory afforestation under earlier approval over an extent of 21.16 ha in Alamarattupatty Village, Mettur Range, Salem Forest Division and 3.54 ha in Chinna Kalrayan Tehrkundu Village, Kalrayan Range of Attur Forest Division, shall be declared as Reserved Forest under Section-4 or Protected Forest under Section-29 of the Indian Forest Act, 1927 or under the relevant Section(s) of the State Forest Act. Status report on the above matter shall be submitted along with the compliance report;
5. In case of mining leases adjoining the habitation stretch of the boundary of the safety zone of the lease adjacent to the habitation / roads should be properly fenced by the user agency at the project cost to protect the vegetation / regeneration activities in the safety zone;
6. Safety zone shall be maintained as green belt and to ensure dense canopy cover in the area, regeneration shall be taken up by the user agency at the project cost under the supervision of the State Forest Department;
7. Afforestation on degraded forest land, to be selected elsewhere, measuring one and half times the area under safety zone shall also be done by the user agency at the project cost under the supervision of State Forest Department and the DGPS co-ordinates of the area shall be submitted along with the compliance report;
8. The State Government shall charge the Net Present Value (NPV), if not realized earlier in lieu of forest land being diverted under this proposal from the user agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos.826 in 566 with related IA's in Writ Petition (Civil) No.202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007-FC dated 05.02.2009 in this regard;
9. Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from User Agency. User Agency shall furnish an undertaking to this effect;
10. The funds received from the User Agency under this project shall be deposited in the respective Corporation bank account of the Tamil Nadu State CAMPA. **The User Agency shall compulsorily deposit the NPV and other levies, only by generating challan through the Ministry's website;**

11. User agency shall obtain Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986;
12. Diversion of the said forest land under this approval shall be for a period co-terminus with the period of the mining lease proposed to be obtained under the Mines and Minerals (Development and Regulation) Act, 1957 as amended in MMDR Amendment Act, 2015. The user agency shall obtain mining lease from the concerned authority in the State and submit the same along with compliance report;
13. The mining shall be done in the forest area in accordance with the approved mining plan from the competent authority and only after obtaining mining lease;
14. The consent of State Pollution Control Board shall be obtained under the Air and Water Act before commencement of mining operations and it shall be renewed annually;
15. The user agency shall implement the reclamation plan and complete the reclamation in time; The user agency during the last year of renewal period shall remove the dumped material from the forest area and reclaim the area as per the approved reclamation plan;
16. User agency either them self or through the State Forest Department shall undertake gap planting and soil & moisture conservation activities to restock and rejuvenate the degraded open forest (having crown density less than 0.4), if any, located in the area within 100 meters from outer perimeter of the mining lease;
17. No labour camps shall be established on the forest land. User agency shall provide firewood preferably alternate fuel to the labourers and the staff working at the site so as to avoid any damage and pressure on the adjacent forest areas;
18. The layout plan of the proposal shall not be changed without the prior approval of the Central Government;
19. The muck generated should be disposed at designated sites and not to be disposed on downhill side;
20. The User Agency and the State Government shall ensure compliance to all the Acts, Rules, Regulations and Guidelines of the Ministry, for the time being in force, as applicable to such project;

SCA

21. The forest land shall not be used for any purpose other than that specified in the proposal and total forest area utilized for the project shall not exceed 16.72 ha (including safety zone area). User Agency shall furnish an undertaking to this effect;
22. The forest land proposed to be diverted shall under no circumstances be transferred or sublet to any other agency or Department or person without prior approval of the Central Government;
23. All other conditions proposed by the State Government at the time of submission of the proposal to the Central Government shall be complied with by the user agency.
24. The User Agency shall submit the annual self compliance report in respect of the above conditions to the Regional Office of the Ministry and to the State Government;
25. Any other condition that the Additional Principal Chief Conservator of Forests (Central), Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area shall be complied by the user agency;
26. In the event of failure to comply with any of the above conditions the user agency is liable for penal action as decided by the Additional PCCF (Central), Regional Office, Chennai;

After receipt of the compliance report on above mentioned conditions, the proposal will be considered for final approval. Transfer of forest land to User Agency shall not be effected prior to the issue of final approval. This in-principle approval shall be valid for a period of 5 years. In the event of non compliance of the above conditions, this in-principle approval shall automatically stand revoked after 5 years.

Yours faithfully,

(Dr. K. Ganesh Kumar)

Subject: Renewal of lease for diversion of 16.72 ha of forest land in Yellikaradu Bit 2 and Bit 2 additional in Palamalai Reserved Forest in Salem Forest Division for quarrying Black Granite in favour of the Managing Director, Tamil Nadu Minerals Limited, TAMIN-reg

Sir,

Please refer to the State Government's letter No.11429/FR-10/2017-1 dated 18.07.2017 and online Proposal No FP/TN/MIN/18184/2016 seeking prior approval of the Government of India in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project. The project was accorded in principle approval (Stage-I) by the Central Government vide letter dated 01.02.2018. The State Government vide letter No. 11429/FR.10/2017-8 dated 10.09.2019 have reported compliance to the conditions stipulated in the in-principle approval.

After careful consideration of the proposal of the State Government, I am directed to convey Central Government's approval in-principle (**Stage-II**) under Section '2' of Forest (Conservation) Act, 1980 for renewal of lease for diversion of 16.72 ha of forest land in Yellikaradu Bit 2 and Bit 2 additional in Palamalai Reserve Forest in Salem Forest Division for quarrying Black Granite in favour of Managing Director, Tamil Nadu Minerals Limited, TAMIN, subject to the following conditions:-

1. Legal status of the diverted forest land shall remain unchanged.
2. Non- forest land which is transferred and mutated in favour of the State Forest Department for the purpose of compensatory afforestation under earlier approval over an extent of 21.6 ha in Alamarattupatty Village, Mettur Range, Salem Forest Division and 3.54 ha in Chinna Kalrayan Tehrkundu Village, Kalrayan range of Attur Forest Division, shall be

DESPATCHED (BY SP)
Date: 18/10/19 RSR

declared as Reserved Forest under section-4 or Protected Forest under Section-29 of the Indian Forest Act, 1927 or under the relevant Section(s) of the State Forest Act;

3. In case of mining leases adjoining the habitation, the stretch of the boundary of the safety zone of the lease adjacent to the habitation/ roads should be properly fenced by the User Agency at the project cost to protect the vegetation / regeneration activities in the safety zone;
4. Safety zone shall be maintained as green belt and to ensure dense canopy cover in the area, regeneration shall be taken up by the State Forest Department from the amount which has already been realized from the User Agency;
5. Afforestation on degraded forest land, to be selected elsewhere, measuring one and half times the area under safety zone shall also be done by the User Agency at the project cost under the supervision of State Forest Department and the DGPS co-ordinates of the area shall be submitted to this office within three months from the date of issue of this order;
6. Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from User Agency;
7. The User Agency shall comply with all the specific and general conditions stipulated in the Environmental Clearance;
8. Diversion of the said forest land under this approval shall be for a period co-terminus with the period of the mining lease obtained under the Mines and Minerals (Development and Regulation) Act, 1957 as amended in MMDR Amendment Act, 2015 or rules framed thereunder.
9. The mining shall be done in the forest area in accordance with the approved mining plan only.
10. The consent of State Pollution Control Board shall be obtained under the Air and Water Act before commencement of mining operations and it shall be renewed annually;
11. The User Agency shall implement the reclamation plan and complete the reclamation in time; The User Agency during the last year of renewal

22. Any other condition that the DDG(Central), Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area shall be complied by the User Agency;
23. In the event of failure to comply with any of the above conditions, the User Agency is liable for penal action as decided by the DDG(Central), Regional Office, Chennai;

Yours faithfully,

(Dr.K.Ganesh Kumar)

Assistant Inspector General of Forests (Central)

Assistant Inspector General of Forests (Central)

period shall remove the dumped material from the forest area and reclaim the area as per the approved reclamation plan;

12. The State Forest Department shall undertake gap planting and soil & moisture conservation activities to restock and rejuvenate the degraded open forest (having crown density less than 0.4), located in the area within 100 meters from the outer perimeter of the mining lease from the amount which has already been realized from the User Agency;
13. No labour camps shall be established on the forest land. User Agency shall provide firewood preferably alternate fuel to the labourers and the staff working at the site so as to avoid any damage and pressure on the adjacent forest areas;
14. The layout plan of the proposal shall not be changed without the prior approval of the Central Government;
15. The muck generated should be disposed at designated sites and not to be disposed on downhill side;
16. The User Agency and the State Government shall ensure compliance to all the Acts, Rules, Regulations, Court Orders and Guidelines of the Ministry, for the time being in force, as applicable to such project;
17. The forest land shall not be used for any purpose other than that specified in the proposal and total forest area utilized for the project shall not exceed **16.72 ha** (including safety zone area). User Agency shall furnish an undertaking to this effect;
18. The Forest land proposed to be diverted shall under no circumstances be transferred or sublet to any other agency or Department or person without the prior approval of the Central Government;
19. The concerned Divisional Forest Officer, will monitor and take necessary mitigative measures to ensure that there is no adverse impact on the forest in the surrounding area.
20. All other conditions proposed by the State Government at the time of submission of the proposal to the Central Government shall be complied with the User Agency.
21. The User Agency shall submit the annual self compliance report in respect of the above conditions to the Regional Office of the Ministry and to the State Government;

Perseus - Palamides RF
