AGENDA NOTE

25th Meeting of Steering Committee of Jammu and Kashmir Compensatory Afforestation Fund Management and Planning Authority (CAMPA)

Brief description of forests and forestry sector in UT of J&K

The Union Territory of Jammu & Kashmir is endowed with dense forests, snow clad mountains, valleys, meadows, fresh water lakes and springs. Jhelum, Chenab, Tawi and Ravi are the main rivers of the UT of Jammu and Kashmir. All principal Western Himalayan conifer and broad-leaved tree species grow in Jammu and Kashmir. Change in vegetation occurs with the change in latitude, elevation and aspect. J&K has 42 forest types recorded, which is the highest in the country. Total forest area of the UT of J&K is 20,19,459 ha which is 47.80 % of the total geographical area of the UT which is given as under:

S.No.	Name of Circle	Area (ha)
A	**Kashmir Region**	
1	North Circle	215019
2	Srinagar Circle	313940
3	South Circle	283877
	Total Kashmir Region	**812836**
B	**Jammu Region**	
4	East Circle	291430
5	West Circle	359795
6	Chenab Circle	555398
	Total Jammu Region	**1206623**
	G. Total (A+B)	**2019459**

The assessment of degraded forest areas revealed 'highly degraded' and 'degraded' forests (totaling 2150 sq. km) in the UT of Jammu and Kashmir, which is 10.65% of recorded forests. The department shall be treating the 'highly degraded' forest area (1161 sq. km) and 'degraded' forest area (989 sq. km) to restore the ecological function of the forests.

Main drivers of degradation of forests in J&K

The forests of J&K are under tremendous pressure to meet increasing demands for fodder, grazing, small timber and other forest produce due to rapid increase in human and livestock population. About 9.5 % of the forests in J&K are subject to heavy grazing and another 42 %, moderate grazing (ISFR 2023, FSI). The UT has a high density of livestock population, which is estimated to be 0.93 Crore including Ladakh, as per 2012 census. Due to continuous unrestricted grazing, some of the forests of J&K have become deficient in natural regeneration. Therefore, fencing is essential to protect the forest areas taken up for rehabilitation and restocking under different interventions and such areas need total protection from grazing till they get established.

Management of Protected areas

The UT of Jammu and Kashmir has immense diversity of flora and fauna. During the Rule of Maharaja, a number of areas were kept as Shikargahs or Rakhs for hunting. With the enactment of Jammu and Kashmir Wildlife Protection Act 1978, conservation efforts were legalized by declaring National Parks, Sanctuaries and Game Reserves by the Government. The erstwhile Jammu & Kashmir Wildlife Protection Act 1978 was amended in the year 2002 and brought at par with Indian Wildlife Act. With the enactment of Jammu & Kashmir Reorganization Act, 2019, the Central Act i.e., Indian Wildlife Act 1972 has become applicable to Jammu and Kashmir w.e.f. 31st Oct, 2019. At present, the Jammu & Kashmir Wildlife Department is undertaking wildlife management and conservation activities in 3 National Parks, 14 Wildlife Sanctuaries and 30 Conservation Reserves, which includes 14 Wetland Conservation Reserves. The area under wildlife protection network in UT of J&K is 4898.34 Sq. kms, which is 11.8% of geographical area (within LOC) of UT of J&K.

With the increase in human and livestock population as well as increasing developmental activities, forest as well as wildlife areas have come under tremendous pressure. This has resulted in increase in human-animal conflict. The department has to undertake various protection and conservation activities for the wildlife management in these areas and address the issues of human-animal conflict resolution, both inside and outside Protected Areas.

Jammu and Kashmir Compensatory Afforestation Fund Management and Planning Authority (J&K CAMPA)

Diversion of forest land for non-forest purposes is regulated under Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980. Prior to the reorganization of J&K under J&K

Reorganization of J&K Act, 2019, this was regulated under the Jammu and Kashmir Forest (Conservation) Act, 1997. User agencies pay cost of Compensatory Afforestation in lieu of the forest land diverted for non-forest purposes and 'Net Present Value' or NPV for the ecosystem goods and services of forests. In respect of diversion of lands in Protected Areas, additional charges, as recommended by the National Wildlife Board, are levied from the user agencies. In accordance with the guidelines issued by a*d hoc* CAMPA, MoEF&CC on 02.07.2009, J&K CAMPA was set up vide SRO-354 dated 11.11.2009. The execution of CAMPA works in J&K started from the year 2010-11.

The Compensatory Afforestation Fund (CAF) Act, 2016 was notified by the Ministry of Environment, Forest and Climate Change (MoEF&CC), Government of India on 03.08.2016 and the CAF Rules, 2018 were notified on 10.8.2018; and both came into force with effect from 30.09.2018 in the whole of India except the erstwhile State of Jammu and Kashmir. Consequent upon extension of the CAF Act, 2016 and the rules made thereunder to the UT of J&K, the Central Government has notified establishment of J&K Compensatory Afforestation Fund Management and Planning Authority (State Authority) and Ladakh Compensatory Afforestation Fund Management and Planning Authority in terms of Section-10 of the CAF Act, 2016, vide Notification dated 8 January 2020. Further, in terms of Section-4 of the CAF Act 2016, the Union Territory of J&K has notified establishment of State Fund (Compensatory Afforestation Fund) under its interest-bearing public account vide Notification dated 29 November 2019.

Since notification of the State Fund under public account, the money received from user agencies in lieu of diversion of forest lands for non-forest purpose under the Forest (Conservation) Act, 1980 and the money received from the National Authority are being deposited in the said public account. CAMPA expenditure is also being incurred from the said account.

Constitution of National Authority and State Authorities

The National Authority has been constituted to manage and utilize the National Fund for the purpose of the CAF Act, 2016. The National Authority consists of a governing body headed by Minister for Environment, Forest and Climate Change, GOI, and is assisted by an executive committee, monitoring group and support mechanism. The executive committee of the National Authority is headed by the Director General of Forests and Special Secretary, MOEF&CC, GOI.

The State Authority consists of a governing body and is assisted by a steering committee and an executive committee. The Governing body is headed by the Chief Minister (or Lt Governor for the UT of J&K during the President's rule) and Ministers/officers as ex-officio members, and Principal Secretary (Forest) as Member Secretary (Composition: Section 10 (5) of the CAF Act 2016), The **Governing body is assisted by the following committees:**

a. The Steering Committee headed by Chief Secretary with official (ex-officio) members from various departments, and one non- official member – an expert on tribal matters/representative of tribal communities (Composition: Section 11 (2) of the CAF Act 2016)
b. The Executive Committee headed by the PCCF with official (ex officio) members from various departments and following non-official members (Composition: Section 11 (3) of the CAF Act 2016): two eminent NGOs, two representatives of district level Panchayati Raj Institutions, and one expert on tribal matters/representative of tribal communities.

Utilization of monies in the State Fund

a) **Compensatory Afforestation (CA) money:** In respect of monies received from user agencies for Compensatory Afforestation (CA) including additional & penal CA, funds are utilized as per the project-wise CA amount received and approved CA plan. APO for utilization of Compensatory Afforestation (CA) including additional CA and penal CA money as per the site-specific plan approved at the time of clearance of the proposal under the Forest (Conservation) Act 1980. It may be noted here that under the J&K FC Act 1997 which was in force till 30 October 2019, the site-specific plans for CA were not prepared; instead, a lump sum money for CA was charged in each case of forest land diversion from the user agency concerned. After coming into force of the FC Act 1980, since 31 October 2019, site-specific CA plans are being prepared.

- **Utilization of Net Present Value (NPV) money for Forest & Wildlife Management:** As per the CAF Rules, 2018, **not less than 80% of the NPV money** is used for the forest and wildlife management activities covered under Rule 5 (2). **Not more than 20% of the NPV money** is utilized for forest and wildlife related infrastructure and capacity building activities listed under Rule 5 (3) of the CAF Rules, 2018.

- **Site Specific Integrated Wildlife Management Plan in respect of monies received from diversion of forest lands in Protected Areas (National Parks, Wildlife Sanctuaries)**

  Wildlife Protection Department utilizes funds for wildlife conservation and related infrastructure development and capacity building in accordance with the site-specific plan approved at the time of diversion of land in Protected Areas.

- **Utilization of interest money:** Rule- 6 of CAF Rules, 2018 provide for manner in which interest accrued on the deposits in the State Fund shall be utilised. Rule 6 (a) provides that not less than 60% of the accrued interest shall be utilised on forest and wildlife conservation activities and for meeting salary and allowances of regular and contractual staff of CAMPA. Rule 6 (b) provides that not more than 40% of the interest on deposits in the State Fund shall be spent for meeting the non-recurring and recurring expenditure of the State Authority on management of office expenses, purchase of office equipment, hiring of staff car and other contingency.

Expenditure under CAMPA

A total expenditure of Rs 136975.71 Lakh has been incurred in last 15 years (from 2010-11 to end of March 2025) by Forest Department and its wings. During FY 2024-25, against the total approved outlay of ₹ 27627.00 Lakh, the total expenditure ending March 2024 was ₹ 15367.04 Lakh.

Forest Area diverted and afforestation carried out under CAMPA

A total of 10548.05 ha of forest land have been diverted for non-forest purposes as per the provisions of the J&K Forest (Conservation) Act, 1997. Further, in-principle (Stage-I) approval for diversion of a total of 1890.45 ha has been granted (ending

December 2024) under the Forest (Conservation) Act 1980 after its coming into force in the UT of J&K w.e.f. 31 October 2019. Out of this, final (Stage-II) approval has been accorded for 506.54 ha upto December 2024 for 247 cases. Hence, the area diverted under J&K Forest Conservation Act, 1997 and Forest Conservation Act, 1980 is 11054.59 ha.

The Forest Department is required to carry out afforestation over equivalent non-forest land or treat double in extent the degraded forest areas, as per the approval condition in each case. Accordingly, compensatory afforestation is carried out on degraded forest lands, twice in extent of the land diverted. So far under CAMPA, a total of 102171 ha area of degraded forests has been rehabilitated from inception till March 2025 by planting of 706.30 lakh plants.

Brief description and abstract of the monitoring work done by the independent monitor (Third Party Monitoring) in the UT.

The independent third-party monitoring of CAMPA works for the period 2012-13 to 2018-19, separately for Jammu and Kashmir regions, had been carried out by M/s N.H Consultancy Pvt. Ltd. and the reports had been placed before the 20th Steering Committee and 28th Executive Committee held on 16.11.2021 and 18.01.2022, respectively. Overall survival of 50.05% for Jammu region and 51.84% for Kashmir region, for the said period, had been reported by the agency.

Further, the independent third-party monitoring of CAMPA works for the period 2019-20, 2020-21 and 2021-22, for Jammu and Kashmir regions, had been carried out by M/s AFC India Ltd. A minimum of 30% of all works of each financial year of each implementing agency were evaluated by the Agency. Overall survival of 62.70% (65.40% in Kashmir region and 60.0% in Jammu region) for the period, had been reported by the agency. The overall impact, in terms of availability of number of plants at intervention sites, including natural regeneration and planted saplings that survived, have been rated by the agency as **"very good"**.

Further, for the third-party monitoring of CAMPA works executed during FY 2022-23 is awarded to SESTI Pvt. Ltd. through a tendering process for carrying out the monitoring and evaluation of CAMPA works for the said period as per the RFP. A minimum of 50% of all works of financial year of each implementing agency, randomly selected, shall be evaluated by the Agency. The agency has completed the filed exercise and the draft report is expected from the agency by April 2025.

Agenda item No. 25.3 - Annual Plan of Operation for 2025-26

J&K CAMPA has developed a web portal which has enabled its implementing agencies to prepare APOs, report progress of execution including expenditure, and monitoring online. For preparation of APO 2025-26, the outlay in respect of each Implementing Agency (IA) was conveyed through the portal. The IAs prepared the APOs online within the financial celling. The APOs were scrutinized/recommended by their controlling CFs/CCFs/APCCFs/HoDs through the portal and submitted to CEO CAMPA for scrutiny and placing before the Executive Committee.

A. Budget Estimates for FY 2025-26 under CAMPA

In accordance with the CAF Act, 2016, the expenditure on implementation of approved APOs has to be incurred from State Fund. Based on the fund available, the guidelines issued by the National Authority on the use of NPV and Interest component under CAMPA, the outlay of Rs. 175.06 Crore has been approved in the BE 2025-26 as given below:

B. Components of the Annual Plan of Operation (APO) and activities to be undertaken thereunder:

(i) APO for utilization of Compensatory Afforestation (CA) including additional CA as per the site-specific plan approved at the time of clearance of the proposal under the Forest (Conservation) Act 1980. It may be noted here that under the J&K FC Act 1997 which was in force till 30 October 2019, the site-specific plans for CA were not prepared; instead, a lump sum money for CA was charged in each case of forest land diversion from the user agency concerned. After coming into force of the FC Act 1980, since 31 October 2019, site-specific CA plans are being prepared.

(ii) Site-specific plan approved at the time of Wildlife clearance for land diversion proposals involving Protected Areas.

a. Mitigation Plan for Kishtwar High Altitude National Park
b. Catchment Area Treatment (CAT) Plan for Pakal Dul HEP
c. Catchment Area Treatment (CAT) Plan for Shahpur Kandi Dam Project
d. Biodiversity Conservation Plan for Pakal Dul HEP

(iii) APO for utilization of Net Present Value (NPV) including penal NPV money for forest management as per the CAF Rules, 2018.

(iv) APO for utilisation of NPV money for Wildlife Management in accordance with the approved management plan for Protected Areas as per the CAF Rules, 2018.

(v) Activities to be undertaken on the Interest accrued on deposits on State Fund: Rule- 6 of CAF Rules, 2018 provide for manner in which interest accrued on the deposits in the State Fund shall be utilised. Rule 6 (a) provides that not less than 60% of the accrued interest shall be utilised on forest and wildlife conservation activities and for meeting salary and allowances of regular and contractual staff of CAMPA. Rule 6 (b) provides that not more than 40% of the interest on deposits in the State Fund shall be spent for meeting the non-recurring and recurring expenditure of the State Authority on management of office expenses, purchase of office equipment, hiring of staff car and other contingency.

Approval sought: To consider and recommend 156.49 Crore for APO under CAMPA for the year 2025-26 for the UT of J&K as below:

Agenda item No. 25.4: Reconciliation of forest land diverted for non-forestry purposes and CA thereof

In J&K Compensatory Afforestation is usually taken up in degraded forests over double the area diverted. In J&K, an area of 102171 ha forest area have been taken up for afforestation under CAMPA. In pursuance to the orders of the Hon'ble Supreme Court of India, MoEFCC has asked the details of CA works against each of the forest diversion case. For this purpose, the plantation closures raised under CAMPA has been mapped with a particular FCA case in the Division/Range. As per the mapping, so far 19410.88 ha have been mapped against 10548.05 ha as CA sites. The summary of the reconciliation of compensatory afforestation done against the diverted forest land is given as under:

S.No.	Total Number of FCA cases under JKFCA	Total Area Diverted under JKFCA	FCA case-wise Compensatory Afforestation done (in Ha)	Amount spent against CA (Rs. In lacs)
Total	**1689**	**10548.052**	**19410.880**	**9196.155**

The abstract of reconciliation of forest land diverted for non-forestry purposes and CA is given in annexure-3.

Approval sought: Concurrence to the mapping of forest closures as CA works against the forest land diverted under FCA.

Minutes of the 36th Meeting of the Executive Committee of the Jammu and Kashmir Compensatory Afforestation Fund Management and Planning Authority (J&K CAMPA), held on 4th April, 2025 in the meeting Hall O/o PCCF & HoFF at FRMC Building, Narwal, Jammu

The 36th meeting of the Executive Committee of J&K CAMPA was held on 4th April, 2025 under the Chairmanship of Shri Suresh Kumar Gupta, IFS, Pr. Chief Conservator of Forests & HoFF, J&K Forest Department/Chairman, Executive Committee of J&K CAMPA to consider and recommend the Annual Plan of Operations (APOs) for FY 2025-26 to the Steering Committee of CAMPA for accord of approval for onward submission to the National CAMPA, MoEF&CC, Government of India, New Delhi.

2. Representatives of Administrative Departments of Finance; Forest Ecology & Environment; Science & Technology; Revenue; Tribal Development; Agriculture Development & Farmers Welfare; and Planning & Monitoring participated. Besides, Heads of Forests and sister concern Departments and senior officers participated in the meeting. Shri Nazir-Be-Nazir (NGO Member), President, National Society for Protection of Water Resources, Wetlands and Forests, Kashmir and Ch. Asif Iqbal, Expert Member also participated in the meeting. **List of participants is annexed**.

3. At the beginning of the meeting, Shri T. Rabi Kumar, IFS, Chief Executive Officer, J&K CAMPA, welcomed the members of the Executive Committee of J&K CAMPA and special invitees present in the meeting and the CFs attending the meeting online. CEO, J&K CAMPA with the permission of the Chair introduced the agenda and made detailed presentation on CAMPA and functions of the Executive Committee. Thereafter, agenda items were taken up for detailed discussion.

4. Shri Nazir-be-Nazir, member of the EC acknowledged the department in meeting the target under the programme "Ek ped maa ke naam" during the year 2024-25. He observed the active participation of various stakeholders including civil society organisation and students in this campaign. While acknowledging CAMPA as a vital tool for the protection and development of forests in J&K he highlighted the need for effective protection of the plantation closures raised under CAMPA. He further

P/29

observed the need to create awareness among the communities about CAMPA activities. He also raised his concern over the increasing fire incidence and suggested training for the forest staff and the local people in addressing this issue.

Agenda 36.1 Decisions taken in the 35th meeting of the Executive Committee of CAMPA: The action taken report on the decisions of the 35th meeting of the EC held on 30th January 2025 under the Chairmanship of Sh BK Singh, PCCF(HoFF) was presented before the committee. The committee noted the actions taken.

Agenda 36.2: Review of Implementation of APO FY 2024-25: The committee was apprised that the financial achievement for the year 2024-25 is 153.67 Cr. It was also informed that the against the afforestation target of 9072 ha, 6558 ha with planting of 67.09 Lakh plants have been covered including BUC and noted. It was informed that the physical progress figures are provisional and will have an upward change on compilation of the MPR for the month of March, 2025. The committee noted the physical and financial progress under CAMPA for the year 2024-25.

Agenda item No. 36.3: Annual Plan of operation (APO) for 2025-26: The balance fund with CAMPA under different heads is about 727.66 Cr. The APO is prepared as per the CAF Act, CAF Rules and the guidelines issued by the National CAMPA. The priorities set up by the 35th meeting of the EC was also taken into consideration while drafting the APO.

Agenda item No. 36.3.1: RE 2024-25 and BE 2025-26: The BE for 2025-26 has been submitted to the Administrative Department vide this office communication dated 19.02.2025 and is fixed at Rs. 175.06 Cr considering the ceiling indicated by the National CAMPA under different components. The priorities for taking up the works under CAMPA for 2025-26 was discussed in detail and noted.

Agenda item No. 36.3.2: Activities to be undertaken for Compensatory Afforestation, and Additional Compensatory Afforestation:

Based on the broad guidelines approved by the Executive Committee in its 35th meeting held on 30th January, 2025 and the priorities and broad guidelines for preparation of APOs for 2025-26 under CAMPA the APO for 2025-26 has been prepared online on the CAMPA portal. The activities to be undertaken for compensatory afforestation, additional compensatory afforestation, catchment area treatment plan and for any other site-specific scheme may be used as per site specific schemes submitted by the state along with the approved proposals for diversion of

P/30

forest land under Forest (Conservation) Act, 1980 referred to in clause (a) of section 6 of the Act. The details of CA and Addl. CA proposals have been uploaded on the J&K CAMPA portal.

Compensatory Afforestation is taken up against the forest land diverted for non-forestry purposes in double the degraded forest area or equal extent in case of non-forest area. In all the FCA cases under PARIVESH, site specific CA Plans have been prepared and the APOs are prepared accordingly. All the FCA Cases where Stage II approval has been accorded till 31st December, 2024 has been included in the APO. This also includes certain cases approved under the J&K Forest Conservation Act, 1997.

As the financial year has ended, the work done liability and some of the works which were expected to be completed by March 2025 but could not be completed were also discussed and decided to be incorporated in the APO for 2025-26.

Decision: The Executive Committee deliberated and approved the activities proposed to be undertaken for Compensatory Afforestation including the spill over work and the work done liability with financial outlay of Rs.13.45 Cr. The details are in Table 36.3.1.

B. Activities under Additional Compensator Afforestation: Additional CA is taken up primarily in stabilising muck dumping site in forest areas.

Decision: The Executive Committee deliberated and approved the activities proposed to be undertaken for Additional Compensatory Afforestation with financial outlay of Rs.3.63 Cr. The details are in Table 1.

Agenda item No. 36.3. A. Environment Management Plan: Mitigation Plan of Kishtwar High Altitude National Park (KHANP):

Agenda item No. 36.4: Reconciliation of forest land diverted for non-forestry purposes and CA thereof

In J&K Compensatory Afforestation is usually taken up in degraded forests over double the area diverted. In J&K, an area of 102171 ha forest area have been taken up for afforestation under CAMPA. In pursuance to the orders of the Hon'ble Supreme Court of India, MoEFCC has asked the details of CA works against each of the forest diversion case. For this purpose, the plantation closures raised under CAMPA has been mapped

P139

with a particular FCA case in the Division/Range. As per the mapping, so far 19410.88 ha of plantation is mapped as CA sites.

Decision:

The EC concurs with the CA work arrived at through the mapping exercise. The abstract is at Annexure A.

The meeting ended with vote of thanks to the chair.

Government of Jammu & Kashmir
Office of the Pr. Chief Conservator of Forests &HoFF
Jammu & Kashmir Forest Department

Minutes of the 25th Meeting of Steering Committee Jammu and Kashmir Compensatory Afforestation Fund Management and Planning Authority (J&K CAMPA) held on 16th April 2025 at Meeting Hall, 2nd Floor Civil Secretariat, Jammu.

The 25th meeting of Steering Committee of J&K Compensatory Afforestation Fund Management and Planning Authority (CAMPA) was held on 16th April, 2025 under the Chairpersonship of Shri Atal Dulloo, IAS, Chief Secretary, U.T. of Jammu and Kashmir/Chairman, Steering Committee of J&K CAMPA. List of participants is at Annexure A.

The Commissioner/Secretary, Department of Forest, Ecology and Environment while welcoming the Chairperson and the members, gave an overview on CAMPA and informed that the use of CAMPA funds is regulated as per the provisions of the CAF Act and Rules made thereunder. She further informed that the planning of the works is done in a holistic manner considering the funding from different schemes. It was also informed that the approval of the National CAMPA for the year 2024-25 was accorded on 1st July 2024 due to the model code of conduct on account of the general election. This in a way had an impact on the implementation of the APO during the year.

Chief Executive Officer (CEO), JK CAMPA made a presentation on the progress of implementation of the APO for FY 2024-25 and the proposed APO for the next financial year 2025-26. The agenda was presented before the committee and the discussion and decisions thereof are given below:

25.1 The Action Taken Report (ATR) on the decisions of the 24th meeting of Steering Committee held on 18th March 2025 was placed before the Steering Committee of CAMPA.

The CEO, CAMPA presented the action taken on the decisions of the 24th meeting of the Steering Committee held on 18-03-2024.

Decision: The Committee noted the actions taken by the Department.

25.2: Review of Implementation of APO for FY 2024-25.

The National Authority approved the CAMPA APO for FY 2024-25 including Supplementary APO for FY 2024-25 for a total amount of Rs. 276.38 Crore vide No NA-15/14/2020-NA dated 01-07-2024. The Finance Department released an amount of Rs 238.10 Cr and the expenditure during the year is Rs 153.67 Cr. Against the target of 9072 ha, a total of 6828 ha of degraded forest area was rehabilitated with planting of 64.51 lakh plants including causality replacement. Besides, 42888 in-situ boundary pillars were also erected during the year. It was informed that due to elections for the Parliament and the UT Legislature and the model code of conduct thereof, the physical targets achieved by the department were marginally lower than the targets.

Decision: The Committee noted the progress made during the year 2024-25.

25.3 (A) Preparation of APO for FY 2025-26 and Budget Estimates

BE for the FY 2025-26 has been arrived at considering the fund available under the State Fund and the guidelines issued by the National Authority regarding the use of NPV and Interest component under CAMPA for an amount of Rs. 175.06 Crore as given below:

Agenda item No. 25.4: Reconciliation of forest land diverted for non-forestry purposes and CA thereof

In J&K, an area of 102171 ha forest area has been taken up for afforestation under CAMPA since its inception. Under J&K FCA, site specific compensatory afforestation plans were not prepared. The user agencies deposited funds for Compensatory Afforestation for double the forest area diverted and the department raised plantation under CAMPA without differentiating monies from CA or NPV. In pursuance to the orders of the Hon'ble Supreme Court of India, MoEFCC has asked the details of CA works against each of the forest diversion case. For this purpose, the plantation closures raised under CAMPA are to be mapped with a particular FCA case in every forest division. As per the mapping, so far 19410.88 ha of plantation is mapped as CA sites against 10548.05 ha of forest land diverted under J&K FCA. It was informed that the mapping of the remaining cases is under progress.

Decision:

1. The committee took note of progress of the exercise for mapping of the CA sites.
2. The Committee directed that the mapping exercise be completed expeditiously and progress presented in the next meeting of the Committee.

The meeting ended with vote of thanks to the Chair.

Government of Jammu & Kashmir
Office of the Pr. Chief Conservator of Forests & HoFF
Jammu & Kashmir Forest Department

Minutes of the 36th Meeting of the Executive Committee of the Jammu and Kashmir Compensatory Afforestation Fund Management and Planning Authority (J&K CAMPA), held on 4th April, 2025 in the meeting Hall O/o PCCF & HoFF at FRMC Building, Narwal, Jammu

The 36th meeting of the Executive Committee of J&K CAMPA was held on 4th April, 2025 under the Chairmanship of Shri Suresh Kumar Gupta, IFS, Pr. Chief Conservator of Forests & HoFF, J&K Forest Department/Chairman, Executive Committee of J&K CAMPA to consider and recommend the Annual Plan of Operations (APOs) for FY 2025-26 to the Steering Committee of CAMPA for accord of approval for onward submission to the National CAMPA, MoEF&CC, Government of India, New Delhi.

2. Representatives of Administrative Departments of Finance; Forest Ecology & Environment; Science & Technology; Revenue; Tribal Development; Agriculture Development & Farmers Welfare; and Planning & Monitoring participated. Besides, Heads of Forests and sister concern Departments and senior officers participated in the meeting. Shri Nazir-Be-Nazir (NGO Member), President, National Society for Protection of Water Resources, Wetlands and Forests, Kashmir and Ch. Asif Iqbal, Expert Member also participated in the meeting. **List of participants is annexed**.

3. At the beginning of the meeting, Shri T. Rabi Kumar, IFS, Chief Executive Officer, J&K CAMPA, welcomed the members of the Executive Committee of J&K CAMPA and special invitees present in the meeting and the CFs attending the meeting online. CEO, J&K CAMPA with the permission of the Chair introduced the agenda and made detailed presentation on CAMPA and functions of the Executive Committee. Thereafter, agenda items were taken up for detailed discussion.

4. Shri Nazir-be-Nazir, member of the EC acknowledged the department in meeting the target under the programme "Ek ped maa ke naam" during the year 2024-25. He observed the active participation of various stakeholders including civil society organisation and students in this campaign. While acknowledging CAMPA as a vital tool for the protection and development of forests in J&K he highlighted the need for effective protection of the plantation closures raised under CAMPA. He further

observed the need to create awareness among the communities about CAMPA activities. He also raised his concern over the increasing fire incidence and suggested training for the forest staff and the local people in addressing this issue.

Agenda 36.1 Decisions taken in the 35th meeting of the Executive Committee of CAMPA: The action taken report on the decisions of the 35th meeting of the EC held on 30th January 2025 under the Chairmanship of Sh BK Singh, PCCF(HoFF) was presented before the committee. The committee noted the actions taken.

Agenda 36.2: Review of Implementation of APO FY 2024-25: The committee was apprised that the financial achievement for the year 2024-25 is 153.67 Cr. It was also informed that the against the afforestation target of 9072 ha, 6558 ha with planting of 67.09 Lakh plants have been covered including BUC and noted. It was informed that the physical progress figures are provisional and will have an upward change on compilation of the MPR for the month of March, 2025. The committee noted the physical and financial progress under CAMPA for the year 2024-25.

Agenda item No. 36.3: Annual Plan of operation (APO) for 2025-26: The balance fund with CAMPA under different heads is about 727.66 Cr. The APO is prepared as per the CAF Act, CAF Rules and the guidelines issued by the National CAMPA. The priorities set up by the 35th meeting of the EC was also taken into consideration while drafting the APO.

Agenda item No. 36.3.1: RE 2024-25 and BE 2025-26: The BE for 2025-26 has been submitted to the Administrative Department vide this office communication dated 19.02.2025 and is fixed at Rs. 175.06 Cr considering the ceiling indicated by the National CAMPA under different components. The priorities for taking up the works under CAMPA for 2025-26 was discussed in detail and noted.

Agenda item No. 36.3.2: Activities to be undertaken for Compensatory Afforestation, and Additional Compensatory Afforestation:

Based on the broad guidelines approved by the Executive Committee in its 35th meeting held on 30th January, 2025 and the priorities and broad guidelines for preparation of APOs for 2025-26 under CAMPA the APO for 2025-26 has been prepared online on the CAMPA portal. The activities to be undertaken for compensatory afforestation, additional compensatory afforestation, catchment area treatment plan and for any other site-specific scheme may be used as per site specific schemes submitted by the state along with the approved proposals for diversion of

forest land under Forest (Conservation) Act, 1980 referred to in clause (a) of section 6 of the Act. The details of CA and Addl. CA proposals have been uploaded on the J&K CAMPA portal.

Compensatory Afforestation is taken up against the forest land diverted for non-forestry purposes in double the degraded forest area or equal extent in case of non-forest area. In all the FCA cases under PARIVESH, site specific CA Plans have been prepared and the APOs are prepared accordingly. All the FCA Cases where Stage II approval has been accorded till 31st December, 2024 has been included in the APO. This also includes certain cases approved under the J&K Forest Conservation Act, 1997.

As the financial year has ended, the work done liability and some of the works which were expected to be completed by March 2025 but could not be completed were also discussed and decided to be incorporated in the APO for 2025-26.

Decision: The Executive Committee deliberated and approved the activities proposed to be undertaken for Compensatory Afforestation including the spill over work and the work done liability with financial outlay of Rs.13.45 Cr. The details are in Table 36.3.1.

B. Activities under Additional Compensator Afforestation: Additional CA is taken up primarily in stabilising muck dumping site in forest areas.

Decision: The Executive Committee deliberated and approved the activities proposed to be undertaken for Additional Compensatory Afforestation with financial outlay of Rs.3.63 Cr. The details are in Table 1.

Agenda item No. 36.3. A. Environment Management Plan: Mitigation Plan of Kishtwar High Altitude National Park (KHANP):

The Mitigation Plan of KHANP, formulated on the basis of the Biodiversity Conservation and Management Plan prepared by the University of Delhi and vetted by the Wildlife Institute of India, focuses on habitat conservation, protection measures, infrastructure development, eco-development, and capacity building. Annual Plan of Operations (APOs) for the years 2020–21 to 2024–25, with a total financial implication of Rs 78.03 crore, have already been approved by the National Authority. For the financial year 2025–26, the APO with an outlay of Rs 17.5647 crore has also been approved, and includes component-wise activities aligned with the overarching conservation objectives of the KHANP Mitigation Plan.

Decision: The Executive Committee deliberated and approved the activities proposed to be undertaken under Mitigation Plan of KHANP including the spill over work and the work done liability with financial outlay of Rs.17.59 Cr. The details are in Table 36.3.1.

Agenda item No. 36.3.4. B. CAT Plan for Pakal Dul (Drangdhuran)

The Department of Soil and Water Conservation, Govt of Jammu Kashmir implements the Catchment Area Treatment Plan for the Pakal Dul, Hydro Electric Project. The Department has prepared the CAT Plan with financial estimates of Rs 46.85 Crore. An area of 7878 ha falling in the catchment will be treated in a period of five years. The cost of CAT Plan is borne by the Project Proponent NHPC/CVPP.

Decision: The Executive Committee deliberated and approved the activities proposed under CAT Plan for Pakal Dul for 2025-26 with financial outlay of Rs.815.18 Lakh (Say 8.15 Crore). The details are in Table 36.3.1.

B. Catchment Area Treatment (CAT) Plan for catchment of Shahpurkandi Dam Project on Ravi River

The Catchment Area Treatment Plan for Shapur Kandi Hydro Electric Project is implemented by the J&K Wildlife Protection Department with an outlay of ₹330.25 Lacs (Rupees Three Crore Thirty Lac & Twenty-Five Thousand Only). The said Catchment Area Treatment Plan has been approved by the committee headed by Pr. Chief Conservator of Forests & Head of Forest Force, J&K. The user agency has already deposited an amount of Rs 3.74 Crore under CAT component in National CAMPA account. The project is phased out in 3 Years starting from 2025-26 with the treatment of Thein Micro watershed area. Bio engineering & plantation works are to be carried out in all three catchments viz Noori Nallah, Gharti Nallah & Thein Micro watershed during current Year plan APO. An outlay of Rs 1.00 Crore is proposed for the FY 2025-26.

Decision:

The Executive Committee approved the activities proposed to be undertaken CAT Plan for Shapurkandi Dam Project with financial outlay of Rs.100.00 Lakh (Say 1.00 Crore). The details are in Table 36.3.1.

Agenda item No. 36.3.5: Biodiversity Conservation Plan of Pakal Dul, Kiru and Kwar Hydro Electric Projects.

The National Hydro Electric Power Corporation Faridabad prepared an **Environment Management Plan (EMP)** of Pakal Dul Hydro Electric Project. The Government of India, Ministry of Environment, Forests & Climate Change went through the negative impacts and after taking into consideration these impacts laid down in Management Plan, have approved Bio-Diversity Management Plan vide No. N-J-12011/51/2007-IA Dt. 29.02.2008. The Biodiversity Management Plan proposes various activities including treatment of 1500 Ha. forest land in 7 years (commencing from 2021-22 to 2027-28) with an outlay of Rs. 1800 lacs. The Administrative approval was accorded for Biodiversity Management Plan commencing from 2021-22 to 2027-28 vide Government Order No. No. 83-FST of 2021 Dt. 16/07/2021. An outlay of Rs 4.3160 Crore is proposed for the FY 2025-26.

Decision: The Executive Committee approved the activities proposed to be undertaken for the Biodiversity Conservation Plan of Pakal Dul and Kwar HEP with financial outlay of Rs.431.60 Lakh. The details are in Table 36.3.1.

Agenda item No 36.3.6. Activities to be undertaken from Net Present Value and Interest Component referred in Rule 5 and Rule 6:

The activities to be undertaken includes artificial regeneration, assisted natural regeneration, plant production in nurseries, protection from fires, protection of forest land through consolidation of forest boundaries, soil and moisture conservation, watch and ward, capacity building, development of infrastructure for the frontline staff and publicity.

Decision: The Executive Committee deliberated and approved the activities proposed under NPV including the spill over work and the work done liability with financial outlay of Rs.7610 lakhs. The details are in Table 36.3.1.

Agenda item No 36.3.7. Activities to be undertaken in Protected Areas (National Parks and Wildlife Sanctuaries) under NPV

Activities related to Wildlife Habitat improvement works are undertaken in 3 National Parks, 14 Wildlife Sanctuaries, 30 conservation reserves including 14 wetland reserves in J&K. The activities proposed include management of human wildlife conflict mitigation, publicity and awareness, development of rescue centres, watch and ward, survey, soil and moisture conservation, protection of PAs and infrastructure for the frontline staff of the wildlife department.

Agenda item No. 36.4: Reconciliation of forest land diverted for non-forestry purposes and CA thereof

In J&K Compensatory Afforestation is usually taken up in degraded forests over double the area diverted. In J&K, an area of 102171 ha forest area have been taken up for afforestation under CAMPA. In pursuance to the orders of the Hon'ble Supreme Court of India, MoEFCC has asked the details of CA works against each of the forest diversion case. For this purpose, the plantation closures raised under CAMPA has been mapped

with a particular FCA case in the Division/Range. As per the mapping, so far 19410.88 ha of plantation is mapped as CA sites.

Decision:

The EC concurs with the CA work arrived at through the mapping exercise. The abstract is at Annexure A.

The meeting ended with vote of thanks to the chair.
