Addl. Principal Chief Conservator of
Forests (Land)
Gujarat State, Gandhinagar.

Office of the
Principal Chief Conservator of Forests
Block No.: A/3, Aranya Bhavan,
Near "CH"- 3 Circle,
Opp. St. Xavier's High School,
Sector-10/A, Gandhinagar

No. FCA/31/A/ 201 /2025-26

Dt. 04/06/2025

To
The Chief Executive Officer,
National Compensatory Afforestation Fund Management
and Planning Authority,
Government of India,
Ministry of Environment, Forest and Climate Change,
3rd floor, Supreme Court Metro Station (Line 3),
New Delhi- 110003.

Sub: Annual Plan of Operation for the Year 2025-26 - Gujarat State CAMPA.

Sir,

This is regarding the submission of APO for Gujarat State CAMPA for 2025-26. In this regard, the following documents are submitted herewith for kind consideration and approval of National CAMPA Authority:

1. APO of Gujarat State for 2025-26 in Part I - IV
2. Summary tables of the integrated APO.
3. Form-6- Annual Budget Proposal of State Authority for Financial Year 2025-26

The proposed APO is submitted for kind consideration and approval of the National CAMPA Authority.

(Dr. Jaipal Singh)
Additional Principal Chief
Conservator of Forests (Land) and
CEO, Gujarat State CAMPA

Format for Annual Plan of Operation Summary Submission 2025-26
Annual Plan of Operation (APO) for the financial year 2025-26 of Gujarat State CAMPA

1. Date of Receipt:
2. Date of approval of EC of State/UT: 11.04.2025
3. Date of approval of the Steering Committee: 20.05.2025
4. Total Amount/Outlay: Rs. 400.45 Cr.
5. Funds status with the State/UT along with outlay proposed

(Rs. In crores)

PART-I

a. Brief description of the forests and forestry sector in the State

Gujarat State is a forest deficit State. According to State of Forest Report (2009), Gujarat has only 11.04 % of its geographical area declared as forest, which is much below the national average. Forest and tree cover is in the extent of 11.74 % (7.48 % Forest cover and 4.26% tree cover outside forest-TOF) of its geographical area. The unique features of the state are the climatic and geomorphologic conditions viz. the largest coastline in the country, the saline deserts of Rann, grasslands and wetlands. These factors have bestowed the state with the diversity of flora and fauna. The majestic Asiatic lion and wild ass have their last resorts of the world in Gujarat. The faunal biodiversity consists of 14 % fishes, 18% reptiles, 37 % avifauna and 25 % of the mammal species diversity of the country. Gujarat has total geographical area of 196024 Sq. Km. Out of which, 18961.69 Sq. Km. (9.67 %) is declared forest area. State has wide variations in Geophysical and Eco-climatic conditions ranging from hot saline deserts to humid hilly tracts and from coast to high hills, which has resulted in the formation of various types of forest.

Brief Overview of Forestry Scenario

The unique features of the State of Gujarat are the climatic and geomorphologic conditions such as the largest coastline in the country, the saline deserts of Rann, grasslands, wetlands etc. These factors have bestowed the State with rich floral and faunal diversity. The Asiatic lion and Wild Ass have their last reserve in the forests of Gir and the Little Rann of Kachchh respectively in Gujarat. As per Champion & Seth Classification of Forest Types (1968), the forests in Gujarat belong to four Type Groups which are further divided into 25 Forest Types. Recorded Forest Area (RFA) in the state is 21,647 sq. km of which 14,373 sq. km is Reserved Forest, 2,886 sq. km of Protected Forest and 4,388 sq. km of Unclassed Forests. Four National Parks, 23 Wildlife Sanctuaries and one Conservation Reserve constitute the Protected Area network of the State covering 8.83% of its geographical area. The State has extent of recorded forest area (RFA) 21,647 sq. km which is 11.03% of its geographical area. The reserved, protected and unclassified forests are 66.39%, 13.33% and 20.28% of the recorded forest area in the State respectively. Forest Cover Based on the interpretation of IRS Resourcesat-2 LISS III satellite data by forest Survey of India for the period Oct 2017 to 2019, the Forest Cover in the State is 14925.87 sq. km which is 7.61% of the State's geographical area. In terms of forest canopy density classes, the State has 377.66 sq. km under Very Dense Forest (VDF), 5032.19 sq. km under Moderately Dense Forest (MDF) and 9516.00 sq. km under Open Forest (OF). Forest Cover in the State has increased by 69.00 sq. km as compared to the previous assessment reported in ISFR 2019.

Forest Cover of Gujarat

Class	Area	% of GA
VDF	377.90	0.19
MDF	5,092.00	2.60
OF	9,387.43	4.78
Total	14,857.33	7.57
Scrub	2,994.11	1.53

Salient features of India State of Forest Report, 2021 w.r.t. Gujarat State

- There is a net increase of 69sq. km of forest cover in 2021 as compared to 2017. This has been attributed to the plantations and conservation activities. [Total forest cover is 14925.87 sq. km (2021report) as compared to 14857.33 sq. km in 2019 report].
- Bamboo bearing area has increase from 3393 Sq. Km. to 3547 Sq Km.
- Total growing stock in the State is estimated at 129.96 million cubic meter, as against 130.91 million cubic meter in 2019.
- The total carbon stock is estimated at about 107.76 million tonnes, as against 107.72 million tonnes in 2019.
- Mangrove area in Gujarat is 1175.00 Sq. Km.

Forest Types

The occurrence of eight Agro-Climatic zones in the State reflect the diversity of Ecosystems in the state. The State has vast grasslands and scrub forests in Kachchh, Central Gujarat and Saurashtra regions while coastal ecosystems such as mangroves, coral reefs and sea grasses are located in western parts of the state. Further, saline deserts are located in the north while moist deciduous tropical forests are found in southern areas. The hilly forests are found in eastern parts and Saurashtra regions.

As per the **Champion and Seth Classification system**, out of 16 major forest types found in the country, following four main types of forest ecosystems are found in Gujarat:

Forest Composition – Ecosystems

- Type 3B Tropical Moist Deciduous Forests
- Type 4B Littoral and Swamp Forests
- Type 5A Tropical Dry Deciduous Forests
- Type 6B Northern Tropical Thorn Forests

Broad characteristics of above Ecosystems are as follows.

TYPE 3B TROPICAL MOIST DECIDUOUS FORESTS

As the name suggests, these forests occur in the regions having an annual rainfall of over 1200 mm and are found in the southernmost part of the State in the districts of Surat, Valsad and Dangs. These forests form the main source of commercial timber in the state. Teak, Haldu, Sisam, Khair, Katas, Manvel etc. are the main species of these forests.

TYPE 4B LITTORAL AND SWAMP FORESTS

Mangrove forests are found in the Intertidal areas of the State. These mangrove forests are distributed over 15 districts of the State. These forests are represented by 15 mangrove species and more than 100 mangrove associates. However, more than 85% of the mangrove forests are represented by a single species i.e. *Avicenna marina*.

TYPE 5A TROPICAL DRY DECIDUOUS FORESTS

These forests thrive in the regions having the rainfall between 600 mm to 1200 mm. These forests are found in the central part of the state in the districts of Bharuch, Vadodara, Panchmahals, Sabarkantha and parts of Saurashtra in the districts of Amreli, Junagadh and Jamnagar.

TYPE 6B NORTHERN TROPICAL THORN FORESTS

These types of forests occur in the region with less than 600 mm rainfall. These forests are found in districts of Banaskantha, Rajkot and parts of Bhavnagar, Junagadh and Kachchh. These forests contain sparse and stunted growth of species like *Acacia* and thorn bushes etc.

Forest Types & Biodiversity Forest Type Maps

Forest Types & Biodiversity Forest Type Maps of 2011 have been refined in the recently completed exercise by FSI. Percentage area under different forest types of Gujarat as per the Champion & Seth classification (1968), according to the latest exercise are presented in the following table.

Percentage area under different forest types of Gujarat

Sr. No.	Forest Type	% of Forest cover
1.	3B/C1b Moist Teak Forest	4.50
2.	3B/C1c Slightly Moist Teak 75	3.83
3.	3B/C2 Southern Moist Mixed Deciduous Forest	6.79
4.	4B/TS1 Mangrove Scrub	3.86
5.	4B/TS2 Mangrove Forest	3.37
6.	5A/C1a Very Dry Teak Forest	4.60
7.	5A/C1b Dry Teak Forest	11.77
8.	5A/C3 Southern Dry Mixed Deciduous Forest	12.75
9.	5B/DS1 Dry Deciduous Scrub Forest	5.00
10.	5B/DS4 (Dry Grassland)	1.93
11.	5/E1 <i>Anogeissus Pendula</i> Forest	0.35
12.	5/E2 <i>Boswellia</i> Forest	0.01
13.	5/E3 <i>Babul</i> Forest	0.81

Sr. No.	Forest Type	% of Forest cover
14.	5/E5 Butea Forest	0.52
15.	5/E8c Salvadora - Tamarix Scrub	0.99
16.	5/E9 Dry Bamboo Brake	0.66
17.	5/1S1 Dry Tropical Riverain Forest	0.01
18.	5/2S1 Secondary Dry Deciduous Forest	0.28
19.	5B/C2 Northern Dry Mixed Deciduous Forest	5.28
20.	6A/C1 Southern Thorn Forest	0.38
21.	6B/C1 Desert Thorn Forest.	9.22
22.	6/DS2 Tropical Euphorbia Scrub	4.82
23.	6/E2 Acacia Senegal Forest	5.20
24.	6/E3 Rann Saline Thorn Forest	4.76
25.	6/E4 Salvadora Scrub	0.10
26.	Plantation/TOF	8.21
	Total	100.00

Biodiversity

Assessment of Biodiversity Findings of the rapid assessment of Biodiversity carried out at the national level for natural forests during September 2018 to May 2019 as part of the forest type mapping exercise is summarized below in table 11.8.10 and table 11.8.11 in respect of Gujarat.

No. of species observed during the rapid assessment

Plant Type	Number of Species
Tree	102
Shrub	37
Herb	73

Forest Management

Management of forests is carried out through working plan of the forests. Working plans are prepared uniformly all over India as per Working plan code prescribed by Government of India. The state has a separate wing for preparation of working plans for different zones of the state. In Gujarat, four senior IFS officers (two Chief Conservator of Forests and two Conservator of Forests) are designated for the preparation of working plans. The area of preparation of working plan is divided between three field units. The work of these three field units is guided & coordinated by Addl. Principal Chief Conservator of Forests, Development and Management, Gujarat, Gandhinagar with the help of Chief Conservator of Forests, Working Plan, Gandhinagar.

Joint Forest management

Introduction and History

The decade of 1980s is considered to have brought about a paradigm shift in India's forest policy and legislations. The passing of the Forest Conservation Act in 1980 was followed by a host of measures to unleash a forest conservation movement in India based on local community support. The National Forest Policy of 1988 marked the first effort to set the pace for community participation in forest management. The revised National Forest Policy of 1988 took into consideration the symbiotic relationship between forests and the local indigenous people and their role in protection, regeneration and development of forests. This was the first step in the transition of forestry from being government-managed to now being community-managed. In June 1990, the Government of India issued a circular to give effect to the provisions of the National Forest Policy 1988 in this regard. Thus, Joint Forest Management was born. Henceforth 'Participatory Forestry Management' was institutionalized as an integral part of forest governance and management. Under Joint Forest Management (JFM) programme, the forest areas are jointly managed by the local communities along with government (Forest Department) on a care and share basis. The local people help in the development and protection of forests and, in return, they get bamboos, small timbers, and a share in the final harvest of timber in addition to the Non-Timber Forest Products (NTFPs).

Gujarat has had a long tradition of involvement of people in the protection of forests. Joint Forest Management is being implemented in the Gujarat State vide Resolution of Forest & Environment Department, Govt. of Gujarat No FCA-1090-125-V (3) dated 13/3/1991 and Resolution of Forest & Environment Department, Govt. of Gujarat No. FCA-1090-125-K (Part-3) dated 27/6/1994. The first Resolution highlighted the responsibility of the village organization in the protection of forest land from unauthorized encroachment, illicit cutting and grazing. This has had very good results in raising forests and conservation and has been accepted very well by the people. For further extension and consolidation, it was decided vide Resolution of Forest & Environment Department, Govt. of Gujarat No. JFM-1005-191-G dated 17/12/2005 that Joint Forest Management (JFM) would be extended to good forest areas having tree densities above 0.40 in addition to degraded forest areas. Continuous efforts are made to involve more and more people in JFM. As a result of these efforts, as many as 3414 Joint Forest Management Committees (JFMCs) are registered in the State covering an area of 458303.20 ha. The Division wise details about JFMCs are at Table-20.

Dependence of Locals on Forest Areas

The forests and trees outside forests in India support rich bio-diversity, provide a wide array of goods and ecosystem services, and support millions of forest-dependent people. Forest products contribute 20-40% of total household income in forested areas, with poorer households being more dependent on forest resources such as fuel wood, fodder and other non-timber forest products (NTFPs). Although the overall forest cover in India has remained stable over the past twenty years, approximately 40% of the forests have been and continue to be degraded by unsustainable extraction and population pressures.

Legal Framework: FDA and JFMC

National Afforestation Programme (NAP) is a major forestry scheme of the Government of India in which afforestation and related activities are intended to be implemented through public participation having joint forest management and eco-development committees. This scheme is being implemented by the National Afforestation and Eco Development Board (NAEB), Ministry of Environment and Forests, Government of India. This is a 100% centrally sponsored scheme (CSS) and started in the 10th Five Year Plan with a two-tier institutional

structure i.e. Forest Development Agency (FDA) and Joint Forest Management Committee (JFMC) or Eco- Development Committee (EDC). The village is reckoned as a unit of planning and implementation

and all activities under the programme are conceptualized at the village level. The procedural details about functioning of JFMCs is as below:

- The registration of Joint Forest Committees is carried out under Society Registration Act 1860 and/ Mumbai Sarvjanic Trust Adhinium 1950.
- These JFMCs prepare the micro plan of the area which is certified by the Working Plan.

Fire Prone Forest Areas

Geographical area under different classes of forest fire proneness are given in the following table.

Forest Fire Prone Classes (in sq km)

S. No.	Forest Fire Prone Classes	Geographical Area	% of Total forest cover
1.	Extremely fire prone	68.41	0.25
2.	Very highly fire prone	390.01	2.69
3.	Highly fire prone	521.59	3.45
4.	Moderately fire prone	1,443.32	8.43
5.	Less fire prone	68,028.78	85.18
	Total	70,452.11	100.00

(b & c) Compensatory afforestation, other forestry related schemes (physical and financial) including catchment area treatment, wildlife management and community development works and activities carried out therein in the State in the last five years from the State fund in tabular form

The Financial outlay in the Annual Development Plan of Gujarat State, following is the status of allocation and expenditure:

(Rs in crore)

S. No.	Year	Grant release	Expenditure
1	2024-25	2311.87	2295.82
2	2023-24	1885.73	1884.10
3	2022-23	1658.30	1624.15
4	2021-22	1557.37	1532.51
5	2020-21	1316.47	1312.85
6	2019-20	1374.60	1293.74

Following are the major schemes in operation for the development of forests and wild life:

Wildlife Management:

- Development of Wild Life Sanctuaries and National Parks
- Conservation of Asiatic Lion
- Integrated development of wild life habitat
- Biodiversity conservation and Rural Livelihood Improvement
- Gujarat State Biotechnology and DNA Banking
- Asiatic Lion Landscape management
- Conservation of Great Indian Bustard
- Land Scape management for Sloth Bear

- Translocation of animals
- Development of Kutch Biosphere Reserve
- Wetland development

Forest Development and Management :

- Protection of Forests
- Grass Development
- Special area development
- Building maintenance
- Integrated Forestry Development Programme
- JBIC Assisted Integrated Forestry Development Programme
- Joint Forest management
- Mangrove plantation
- Management of Timber Depots
- Forest fire mitigation

Social Forestry

- Agro Forestry
- National Bamboo Mission
- Farm Forestry
- Research and Development

An abstract of physical targets and achievements for the last five years is as given below:

Year	Target (Ha)	Achievement (Ha)
2024-25	172985.40	214523.42
2023-24	177971.00	177971.00
2022-23	75836.70	75836.70
2021-22	74606.49	73625.49
2020-21	54958.00	55474.00
2019-20	71125.73	78302.05

(d and e). Year-wise total compensatory Afforestation carried out in the State since 1980

(f). Brief description and abstract of the monitoring work done by the Monitoring and Evaluation wing of the State Forest Department

Following practice are being followed pursuant to Standing Order no. 8 dated 02/02/2019, issued by the Principal Chief Conservator of Forests, Gujarat in respect of monitoring and evaluation different activities by monitoring and evaluation wing of Gujarat Forest Department.

S. No	Activity	Cadre wise monitoring percentage of activities				
		Range Forest Officer	Assistant Conservator of Forests	Deputy Conservator of Forests	Chief Conservator of Forests/ Conservator of Forests	Head Office
1	Advance work	100%	-	-	5%	5%
2	Nursery	100%	20%	3%	At least one nursery of a Division	5%
3	Current Year Plantation	100%	10%	3%	At least one plantation of a Division	5%
4	One year old plantation	100%	5%	3%	At least one plantation of a Division	5%
5	Two year old plantation	100%	3%	1%	At least one plantation of a Division	2%
6	Three year old plantation	100%	3%	1%	At least one plantation of a Division	2%
7	4 year old plantation	20%	3%	3%	At least one plantation of a Division	2%
8	4 year old plantation	20%	3%	3%	At least one plantation of a Division	2%
9	Construction works, Check dam, buildings etc.	100%	20%	5%	At least one plantation of a Division	5%

The monitoring wing takes up the monitoring works by random selection of works. Timelines have also been decided for taking up the monitoring of different activities. Plantation registers

are also maintained for each plantation, wherein survival parameters are also maintained and updated.

(g). Brief description and abstract of the monitoring work done by the independent monitor (Third Party Monitoring) in the State

As per the guidelines of CAMPA issued by Ministry of Environment and Forests , Government of India, dated 2/7/2009 " Third Party Monitoring of CAMPA works is conducted by independent monitoring agency, decided based on e-tendering. The monitoring agency is taking up monitoring of 5% of plantations, based on the random sample selection.

Part-II:

Activities to be undertaken for compensatory afforestation, additional compensatory afforestation, penal compensatory afforestation, catchment area treatment plan and for any other site specific scheme may be used as per site-specific schemes submitted by the State along with the approved proposals for diversion of forest land under the Forest (Conservation) Act, 1980 (69 of 1980) referred to in clause (a) of section 6 of the Act:

- (a) District/ forest division wise details of new compensatory afforestation, catchment area treatment plan works, wildlife management activities to be done as per the conditions imposed under forest clearance granted by the Central Government under the Forest (Conservation) Act, 1980.

The mandatory Compensatory Afforestation activities to be taken up as per the conditions imposed under forest clearances granted by the Government of India under the Forest (Conservation) Act, 1980 to be taken up during 2025-26 is attached at page no.: **21 to 221**

- (b) Details of maintenance works in physical and financial terms proposed to be undertaken in the current financial year in the case of compensatory afforestation work, catchment area treatment plan works, wildlife management activities and other such activities undertaken in previous years which need maintenance for its survival and sustainability.

The details of maintenance work in physical and financial terms proposed to be undertaken during 2025-26 in the case of compensatory afforestation work, catchment area treatment plan works, wildlife management activities and other such activities undertaken in previous years which need maintenance for its survival and sustainability are attached at page no.: **21 to 223**

Part-III:

Activities to be undertaken from net present value and interest component referred in rule 5 and rule 6:

Details of the activities to be taken up including the maintenance of works undertaken in previous years from the funds available under Net Present Value (NPV) and interest component are submitted at **page no.: 230 to 279**

Part-IV:

Measurable output of all physical activities and targets of each permissible activity along with the period required for achieving the measurable output:(a)

Physical and financial targets of each activity to be undertaken in measurable quantity along with the estimated cost of such activities in tabular form including details provided in part II and part III.

The measurable outputs like area to be covered under plantation, soil and conservation works, protection infrastructure, equipment, habitat management, infrastructure for the frontline staff etc. are detailed in the tables. The measurable output would be as per the guidelines and standing orders of the Department.

(c) Details of the concurrent monitoring and evaluation report including third party monitoring undertaken in past with photographs.

Details of monitoring and evaluation undertaken are attached at **Page No.229 to 257**

Representative photographs of the activities taken up under CAMPA are annexed at page
No.: 258 to 270

Declaration

The above annual plan of operation has been adopted by the State Authority.

Additional PCCF, Land and
CEO, Gujarat State CAMPA

Minutes of the 18th Meeting of State Level Steering Committee of Gujarat State CAMPA

The 18th Meeting of the State Level Steering Committee of Gujarat State CAMPA was held on 20.05.2025 under the Chairmanship of Shri Pankaj Joshi, Chief Secretary, Government of Gujarat and Chairman, Steering Committee of Gujarat State CAMPA. The following members participated in the meeting:

1. Shri T. Natarajan, Principal Secretary, Finance Department
2. Shri Sanjeev Kumar, Principal Secretary, Forest and Environment Department
3. Dr. A.P. Singh, PCCF and HoFF
4. Ms. Ardra Agarwal, Secretary (Planning), General Administrative Department
5. Dr. Jaipal Singh, PCCF, Wild Life, Gandhinagar
6. Dr. Jaipal Singh, Director (I/c), GEER Foundation, Gandhinagar
7. Shri Shrawan Kumar Verma, IGF, Integrated Regional Office, Gandhinagar, MoEF&CC.
8. Ms. Raj Sandeep, CCF, Working Plan
9. Dr. Jaipal Singh, Additional PCCF, Land and Nodal Officer, CAMPA

The meeting was started with the permission of the Chair. Principal Secretary, Forest and Environment Department welcomed the members and initiated the presentation on the agenda of the meeting:

Agenda : 1 : Confirmation of Minutes of the 17th State Level Steering Committee held on 08.05.2024

The minutes of meeting was circulated to the members of the State Level Steering committee. It was mentioned that no further comments have been received on the circulated minutes of the meeting. The minutes were confirmed with the permission of the chair.

Agenda : 2 : Action taken report on the minutes of meeting of 17th State Level Steering Committee held on 08.05.2024.

The 17th meeting of State Level Steering Committee of Gujarat State CAMPA was held on 08.05.2024. The action taken report on different items is as follows.

Agenda	Particulars	Action taken
01.	Minutes of Meeting of 16 th State Level Steering Committee	Noted and confirmed
02.	APO for 2024-25 Qualitative and outcome-based plantation for increasing forest Cover	1. Area saturation-based planning has been done for Mangrove Plantations 10100 Ha. Mangrove plantations (MISTI) were taken up during 2024-25 and 10100 Ha. Area has been planted during 2024-25. 2. A plan for coverage of Aravalli area has been checked out with identifications of about 43000 ha. area for treatment. 3. The final allocation of APO 2024-25 was Rs. 310.00 crore was made against which 100% utilization has been done.

Agenda : 3 : Review of Progress of fund release and work till date and as approved under the APO 2024-25

3.1. Fund released from National CAMPA since 2020-21 and expenditure

Sr. No.	Year	Total funds released from Ad-hoc CAMPA (Rs.in Crore)	Expenditure (Rs.in Crore)
State Plan			
12	2020-21	169.85	169.85
13	2021-22	169.00	168.80
14	2022-23	170.00	169.99

2024-25	114.70	195.04	0.25	0.00	309.99
Total	438.98	600.95	0.67	4.79	1045.39

3.3. Year wise Afforestation works carried out from CAMPA Funds

Sr. No.	Year	Plantation carried out against FCA proposal (ha.)	Plantation carried out under NPV (ha.)	Total
1	2019-20	1922.42	232.00	2154.42
2	2020-21	1019.85	527.56	1547.41
3	2021-22	3733.55	2725.00	6458.55
4	2022-23	4629.97	4279.91	8908.88
5	2023-24	2174.25	5748.50	7922.75
6	2024-25	1723.12	14905.37	16628.49
Total		15203.16	28418.34	43620.5

The National CAMPA Authority approved the APO for 310.00 crores for 2024-25. An allocation of Rs.310.00 crore (RE) was made for 2024-25. Physical and Financial achievements for 2024-25 are as given below:

Physical (Ha.)		Financial (Rs. In Crore)	
Target	Achievement	Target	Achievement
16628.49	16628.49	310.00	309.99

Agenda : 4 : Annual Plan of Operations (APO) for 2025-26

The item-wise activities, as per provisions of Compensatory Afforestation fund Rules, 2018 was submitted for discussion and approval of the State Level Steering Committee.

During the discussion Chairman, State Level Steering Committee emphasized on the need for effective monitoring of the plantation works being done under CAMPA funds. It was submitted that on Integrated Centre for monitoring is planned and approved wherein effective

monitoring based on satellite data combined with drone surveys along with field verifications will be taken up. It was also mentioned that during 2021-22, monitoring of 100% plantations of 5 years was also undertaken by the Third-Party monitoring and evaluation agency. As per regular monitoring schedule, apart from internal monitoring, third party monitoring is annually done.

It was also discussed that Maldharies have been consulted in Barda area for relocation and they are ready for relocation voluntarily. As Barda is emerging as a second home for lion population, it was decided to keep provision for this purpose, as eligible under 5(2)(h) of the CAF rules. It will go a long way for making Barda habitat were amenable for lion conservation strategy.

Plantation of mangroves was also discussed and it was emphasized to adopt a saturation-based approach for maximum coverage to leverage the benefits towards net zero, coastal resilience and blue economy as envisaged under **MISHTI** program.

At the end of the discussion, the following Annual Plan of Operations (APO) was approved for 2025-26.

S. No.	Category	Activity	Unit	Qty.	Amt. (Rs in Lakhs)	CAF Rules 2018

GUJARAT FOREST DEPARTMENT

Tender Notice No. GeM/2021/B/1607378

Monitoring & Evaluation of plantation works carried out by Gujarat Forest Department in various districts of Gujarat State for the Year 2017-18 to the Year 2021-22, Grass and Cultural Operations Monitoring of the Year 2022-23 & Nurseries of the Year 2022

**FINAL REPORT
PLANTATION MONITORING 2017-18 to 2021-2022
Phase V**

Submitted

Office of the,
Principal Chief Conservator of Forests,
Aranya Bhavan, Block No. A/3,
Sector-10/A, Gandhinagar, Dt. 17/06/2025

To

The Assistant Inspector General of Forests,
Government of India,
National Compensatory Afforestation Fund Management
and Planning Authority,
Ministry of Environment, Forest and Climate Change,
3rd floor, Supreme Court Metro Station (Line 3),
New Delhi- 110003.

Sub: Additional information and clarification relating the Annual Plan of
Operation for the FY 2025-26-reg.

Sir,

Kindly refer letter no. NA-15/29/2020-NA dated 13/06/2025 regarding
the additional information and clarification relating to Annual Plan of Operation
for the FY 2025-26-reg. the pointwise information is submitted herewith for
kind information and necessary considerations.

- (1) Integrated APO and detailed APO 2025-26
 - (i) The details APO duly signed on each page is submitted herewith.
 - (ii) Proposed activities (from page no. 230 to 279) w.r.t. CAF Rules, 2018 under section 5 (2) (b), 5 (2) (d), 5 (2) (h), 5 (3) (a), 5 (3) (e) and 5 (3) (h)
- (2) Certificate of CEO State CAMPA regarding the budgetary demands and CA sites for 2025-26 is submitted in the prescribed format.
- (3) Details of interest amount accrued under on State CAMPA fund is submitted herewith.
- (4) KML files and Geo co-ordinates of areas proposed for Compensatory Afforestation and other activities are being submitted separately.
- (5) Status of year wise monitoring by third party agencies is submitted herewith.
- (6) A five-year perspective plan for the utilization of NPV and interest funds is submitted herewith.
- (7) Progress report of the approved APOs for the last five years is submitted herewith.

(Dr. Jaipal Singh)

Addl. Pri. Chief Conservator of Forests
Land
Gujarat State, Gandhinagar

Certificate

1. I confirm that the budgetary figures in this agenda are as per APO of the Gujarat State. It is further confirmed that all budgetary demands of the State under various Heads are in compliance with the CAMPA Act, 2016 and the extant policies of Govt. of India and CAMPA.
2. Certified that Compensatory Afforestation and its maintenance proposed in APO are to be carried out on the same Non-Forest Land/ Degraded Forest Land and within the estimated cost as per the approval of the corresponding project under the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980.

(Dr. Jaipal Singh)

Addl. Principal Chief Conservator of Forests
Land and CEO Gujarat State CAMPA
