- ii. Compensating the loss of ecological services due to forest diversion for non-forestry purposes is the main objective of Compensatory Afforestation Fund. Regeneration and development of forests shall, therefore, be given priority. Also, in the prevailing unprecedented circumstances of pandemic Covid 19, where loss of job and migration of labour is prevalent, more emphasis is to be given in APOs on creation of employment opportunities. Therefore, while implementing APOs, priority should be accorded to labour intensive activities for regeneration and development of forests;
- iii. Only 'Standalone' activities of State Forest Fire Action Plan should be proposed in the Annual Plan of Operation;
- iv. The approved activities shall be carried out as per Rule 4 of the Compensatory Afforestation Fund (CAF) Rules, 2018 i.e. as per the provisions of the State Financial Rules or any such rules applicable from time to time in the State;
- v. The Executive Committee of the State shall also ensure that proposed activities have adequate forward and backward linkages and are being taken up as per prevailing approved minimum wage rate, schedule of rates, model estimates etc. In future, the APOs that are sent to the National Authority for approval must be accompanied with rationale of activities proposed, information on approved minimum wage rate, schedule of rates, model estimates etc.;
- vi. There should not be any reduction in allocation for forestry sector in the regular State Budget due to flow of CAMPA funds to the states. In addition, the State Government shall also make timely and adequate budget provision as per approved APO for 2020-21 and release money so that activities approved under the APO could be implemented in time;
- vii. Works related to Eco-tourism and Eco-development are permissible only as per approved site-specific schemes;
- viii. As per Rule 5 (2) (g), only soil and moisture conservation work in forests are permissible. Soil and moisture conservation work should be carried out in an integrated manner under watershed approach from "ridge to valley". Construction of Dams, Stop Dam and ponds and their deepening are to be taken up only if they are a part of an integrated soil and moisture conservation plan of the catchment area;
- ix. Maintenance/Improvement of buildings/infrastructure created from regular State budget (except activities permissible under 5(3)(d), CAF Rules, 2018) shall continue to be carried out from regular State budget;
- x. Engagement of manpower (regular, contractual, through outsourcing or daily wage including Data Entry Operators and drivers etc., capacity building of the personnel involved in utilization of State Fund, publicity-cum-awareness programme and exhibition on various schemes being implemented by the State Authority shall be done as per provisions of CAF Rules, 2018 only;
- xi. The proposed activities in the APO need to be rearranged at some places as per sub-rules of rule 5 and 6 of CAF Rules, 2018, wherever found inappropriate. The State Authority shall make necessary changes in the APO accordingly with the permission of the State Executive Authority. In addition, any increase or reduction in the proportion of Rule 5(2) and 5(3) as well as Rule 6(a) and 6(b) will also need to be adjusted in the next APO;

- xii. The expenditure in respect of managing man-animal conflict such as payment of ex-Gratia, compensation for crop/property damages or damage to life on account of wild life and payment of reward to informers/helpers shall be paid from regular State budget;
 - xiii. Maintenance of computers and other peripherals shall be limited the equipment purchased from CAMPA funds;
 - xiv. Expenditure on items such as maintenance of vehicles and buildings purchased/constructed previously from CAMPA funds etc. shall also be kept at the barest minimum, shall be for front-line staff only, and must relate directly to the attainment of objectives specified in CAF Act, 2016 and CAF Rules, 2018 i.e. primarily for regeneration of forests etc.;
 - xv. Instead of purchase of vehicles, hiring of vehicles shall be the first option. Repair/maintenance of vehicles shall be limited to the vehicles purchased from the CAMPA funds previously;
 - xvi. The Executive Committee of the State Authority shall ensure that there is no mixing of money with any other state scheme under implementation from any other budget as per Explanation 2 below Rule 5 of CAF Rules, 2018;
 - xvii. The State Authority shall ensure that adequate numbers of Geographical coordinates/Geo-tags of all the site-specific activities proposed in the Annual Plan of Operation are available. All the physical works undertaken under this APO shall be uploaded timely on the e-Green watch portal along-with photographs of the area before and after the execution of the work;
 - xviii. 'Measurable output' of all physical activities and targets of each permissible activity along with period required for achieving the measurable output shall be monitored by the State Executive Committee and State Steering Committee.
