Management Plan, whereas activities proposed in forest fire prevention and control operations should be as per Integrated Fire Management Plan of the state.

- x. Soil and Moisture Conservation works should be carried out in an integrated manner from ridge to valley approach in degraded forests. This shall focus on rejuvenation of rivers and achievements should be placed as per the DPRs for 13 major rivers released by MoEF&CC recently. APOs in future should indicate the reference of DPRs being implemented. The data of afforestation, aided forest regeneration and efforts for increasing tree cover outside should be shared with FSI for continuous assessment of green cover and evaluation. If not part of the above mentioned DPR, then state should take it up as per planned activity approved by State Government or in working plan.
- xi. The State /UTs Authorities should make a detail record of total forest land transferred and compensatory afforestation carried out/ compensated the loss of green cover/ecosystem services.
- xii. The State EC shall also ensure that there is no overlapping of activities / funding with other schemes and may provide a certificate to that effect.
- xiii. Local and indigenous species, especially fruit and fodder species should be given preference in afforestation/ regeneration to be carried out; monoculture and planting of exotic species should be avoided.
- xiv. Compensating the loss of ecological services due to forest diversion for non-forestry purposes is the main objective of Compensatory Afforestation Fund. Regeneration and development of forests should, therefore, be given priority in degraded forests as well as non-forest lands. Priority should also be accorded to labour intensive activities for regeneration and development of forests and wildlife habitat.
- xv. The Executive Committee of the State shall also ensure that proposed activities have adequate forward and backward linkages and are being taken up as per prevailing approved minimum wage rate, schedule of rates, model estimates etc.
- xvi. There should not be any reduction in allocation for forestry sector in the regular State Budget due to flow of CAMPA funds to the states. In addition, the State Government shall also make timely and adequate budget provision as per approved APO and release money so that approved activities could be implemented in time.
- xvii. Works related to Eco-tourism and Eco-development should be taken up following relevant rules and guidelines after taking necessary approvals.
- xviii. Purchase of vehicles is not permitted. Vehicles are to be hired as per approved APO. The repair/ maintenance of vehicles shall be limited to the vehicles purchased from CAMPA funds.
- xix. IRO shall also monitor and evaluate CAMPA activities. The State CAMPA Authority shall keep sufficient budgetary provisions for monitoring by IRO, in the State APOs under monitoring head. IRO should submit the Monitoring and Evaluation reports within three to four months to National Authority.
- xx. The States/UTs CAMPA Authority shall complete the works approved in APO within the year and avoid any spill over for the next year. It is important to complete mandatory activities first

and utilize the released funds for maintenance of CAMPA activities under NPV & Interest components before starting new activities.

- xxi. The States/UTs Authority are proposing engagement of casual labours for protection of Forests for the entire State. It clarified that such item can be considered only for around the forest areas where the land transfer has taken place and need special protection owing to the developmental activities.
- xxii. The validity of APO (2023-24) shall expire on 31.03.2024. Further continuation of the incomplete activities shall be permissible only if they are included in the APO (2024-25) and are approved by NA.
- xxiii. The States/UTs Authorities shall work out details of funds available with the State CAMPA head-wise under CA/ CAT Plan/ Wildlife Mitigation Plan, NPV and interest components etc. after deducting the expenditure incurred and prepare Annual Plan of operation for next year based on CAMPA funds available with the State/UT. Priority shall be given to the mandatory activities including commitment on maintenance of previous years.

Yours faithfully
